The Coalition Readiness Support Program (CRSP), a subset of Coalition Support Funds, is authorized to provide specialized training, or loan of supplies and equipment on a non-reimbursable basis to coalition forces supporting U.S. military operations in Iraq and Afghanistan. The U.S. Government will retain title to the equipment and transfer custody to coalition forces as necessary.

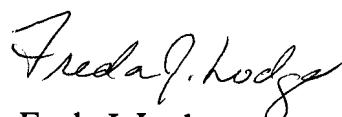

Effective immediately, Security Assistance Management Manual (SAMM), Table C4.T2., Country, International Organization and Regional Codes, and FMS Eligibility, is updated to add code "E7" to track funds provided for CRSP, authorized by the Supplemental Appropriations Act (War Supplemental), P.L 110-252, 122 Stat. 2398, FY2008. The Defense Security Cooperation Agency must authorize use of this code for Pseudo LOA documents. The following information applies:

This change will be included in the automated version of the SAMM found on the DSCA web page as SAMM E-Change 126.
