### APPROVAL OF PROPOSED RULE CHANGE

The Commission has approved a proposed rule change filed by the Philadelphia Stock Exchange (SR-PHLX-91-41) to clarify that the PHLX's late night/early morning foreign currency option trading session is separate from the day and evening trading sessions for purposes of the Exchange's agent/principal prohibition imposed on Registered Options Traders (ROTs). The agent/principal trading prohibition provides that, with respect to an option on the same underlying interest, a ROT cannot act as a floor broker and trade for his own proprietary account during the same trading session. Publication of the proposal is expected in the Federal Register during the week of September 14. (Rel. 34-31171; International Series Rel. 452)

### IMMEDIATE EFFECTIVENESS OF PROPOSED RULE CHANGE

The Participants Trust Company filed a proposed rule change (SR-PTC-92-10) relating to the relocation of PTC's primary processing site from New York to New Jersey. The rule change has become effective on filing with the Commission. Publication of the proposal is expected in the Federal Register during the week of September 14. (Rel. 34-31176)
