RULES AND RELATED MATTERS

COMMISSION APPROVES RESCISSION OF RULE 10b-2 UNDER THE SECURITIES EXCHANGE ACT OF 1934

The Commission has approved the rescission of Rule 10b-2. Rule 10b-2 generally prohibited any person participating or financially interested in a distribution of a security from paying compensation to induce the purchase on a national securities exchange of any security of the issuer whose security is the subject of the distribution. The Commission considers the rescission of Rule 10b-2 to be appropriate in light of the significant changes that have occurred in the securities markets since the rule's adoption, as well as the coverage of other antifraud and anti-manipulation provisions of the federal securities laws. FOR FURTHER INFORMATION CONTACT: Thomas McManus at (202) 272-3057. (Rel. 34-32100)

ALTERNATIVE DISPUTE RESOLUTION POLICY

The Commission issued a release extending the time for comment on how alternative dispute resolution and negotiated rulemaking processes might be used in the Commission's activities from April 1, 1993 to July 1, 1993. (Rels. 33-6987, 34-32101, 35-25781, 39-2305, IA-1366, IC-19378, File No. S7-2-93)

CORRECTION TO PROPOSING RELEASE

The Commission issued a release correcting a previously published release, IC-19362, which proposed expedited review procedures for exemptive applications under the Investment Company Act of 1940 and expanded delegated authority for the Director of the Division of Investment Management. The correction deletes a sentence in release IC-19362 and states that if an applicant subsequently decides to pursue an abandoned application, the applicant must file a new application.

Comments on release IC-19362 should be submitted in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Mail Stop 6-9, Washington, D.C. 20549. Comments must be received on or before June 29, 1993, and should refer to File No. S7-13-93. All submissions will be available for inspection in the Public Reference Room. FOR FURTHER INFORMATION, CONTACT: Matthew M. O'Toole at (202) 272-2048. (Rel. IC-19381)

ADMINISTRATIVE PROCEEDINGS

ADMINISTRATIVE PROCEEDING INSTITUTED AGAINST PAMELA MONZERT

The Commission announced that on April 1 an administrative proceeding under the Securities Exchange Act of 1934 was instituted against Pamela R. Monzert, formerly an assistant equities trader in Drexel Burnham's High Yield and Convertible Bond Department. Monzert simultaneously consented to the entry of an order barring her from association with any broker, dealer, municipal securities dealer, investment adviser or investment company, with a right to reapply after three years.

The administrative proceeding was based on the entry of a judgment of permanent injunction against Monzert for violations of the antifraud and anti-manipulation provisions of the federal securities laws. The complaint alleges that in April 1986, Michael R. Milken (Milken) and Cary Mautasch, a senior equities trader at Drexel, used the Boesky organization to manipulate the price of the common stock of Stone Container Corporation (Stone) so that a public offering of securities to be underwritten and managed by Drexel could go forward. It is alleged that Monzert, who worked under Milken's supervision, transmitted instructions to the Boesky organization to purchase shares of Stone common stock and that the price of Stone was to close at \$47 per share. The complaint further alleges that this series of transactions was effected for the purpose of, and with the effect of raising the price of Stone common stock, and maintaining the price at an artificial level. (Rel. 34-32099)

CIVIL PROCEEDINGS

PAMELA MONZERT, FORMER ASSISTANT DREXEL TRADER, ENJOINED

On March 29, 1993, the Honorable Milton Pollack, Senior U.S. District Judge for the Southern District of New York, permanently enjoined Pamela R. Monzert, formerly an assistant equities trader in Drexel Burnham's High Yield and Convertible Bond Department, with her consent and without admitting or denying the allegations of the Commission's complaint. Monzert was enjoined from violating or aiding and abetting violations of the antifraud and anti-manipulation provisions of the federal securities laws.

In its complaint against Monzert, the Commission alleged that in April 1986, Michael R. Milken (Milken) and Cary Mautasch, a senior equities trader at Drexel, used the Boesky organization to manipulate the price of the common stock of Stone Container Corporation (Stone) so that a public offering of securities to be underwritten and managed by Drexel could go forward. It is alleged that Monzert, who worked under Milken's supervision, transmitted instructions to the Boesky organization to purchase shares of Stone common stock and that the price of Stone was to close at \$47 per share. The complaint further alleges that this series of transactions was effected for the purpose of, and with the effect of raising the price of Stone common stock, and maintaining the price at an artificial level.
