EDGAR SUBSCRIPTION PRICE REDUCED

The SEC announced on December 7 that the annual EDGAR Level One Subscription price dropped to \$44,571 from last year's subscription price of \$79,686. (An EDGAR Level One Subscription is a direct feed of all public EDGAR data from TRW, Inc., the SEC's EDGAR

contractor.) This represents a dramatic decrease from the subscription rate of \$278,000 from just two years ago. This price decrease is a benefit of our privatization efforts.

Subscribers receive filings in real-time using dedicated lines. Although a T1 connection is recommended, TRW recently began a service where remote subscribers may download filings from a secure web site. This new service resulted in the addition of the first international subscriber.

For more information on EDGAR Dissemination Services, contact Ron Maylor at EDGARPDS@trw.com or phone him at (703) 345-8642. (Press Rel. 99-167)

ENFORCEMENT PROCEEDINGS

SCOTT RUDE BARRED FROM ASSOCIATION WITH ANY BROKER OR DEALER

An Order Instituting Proceedings, Making Findings and Imposing Remedial Sanctions (Order) was entered, by consent, against Scott A. Rude (Rude) barring him from association with any broker or dealer. Rude neither admitted nor denied the findings of this Order, except as to the entry of an Order of Permanent Injunction entered against him on November 30, 1999 in SEC v. Omni International Trading, Inc., et al., 97 CIV 2116, D.Minn. Rude consented to the entry of this permanent injunction, without admitting or denying the allegations of the complaint. The bar order against Rude is based on the injunction pursuant to the Commission's complaint.

The complaint alleged that, from in or about January 1991 through in or about February 1995, Rude and the other defendants defrauded public investors through the offer and sale of over \$4 million in Omni International Trading, Inc. (Omni) securities. These securities were not registered with the Commission. Throughout this time period, the complaint alleged that Rude and the other defendants, in connection with the offer and sale of these Omni shares, made numerous misrepresentations and omitted to state material facts regarding, among other things, Omni's future revenues, the use of proceeds, the listing of Omni securities for trading on the National Association of Securities Dealers Automated Quotations system, a purported tender offer, the expected profit to be made on the tender offer and the commissions to be earned. In addition, the complaint alleged that Rude and others acted as an unregistered broker or dealer (SEC v. Omni International Trading, Inc., et al., D.Minn., NO. 97-2116). (Rel. 34-42206; File No. 3-10113)

CIVIL INJUNCTION AND OFFICER AND DIRECTOR BAR ISSUED ACTION AGAINST BRENT MOLOVINSKY

The Commission announced that on December 2 the United States District Court for the District of Maryland entered a Final Judgment and Order against Brent Molovinsky (Molovinsky), the former president and chairman of the board of TVI Corporation (TVI), a publicly held military defense contractor headquartered in Beltsville, Maryland. Entry of the judgment serves to settle the Commission's case against Molovinsky.

Without admitting or denying the Commission's allegations, Molovinsky consented to the entry of the judgment which permanently enjoins him from violating Sections 5(a), 5(c) and 17(a) of the Securities Act of 1933 and Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder. The judgment also requires Molovinsky to pay disgorgement and prejudgment interest, but waives payment of these amounts and does not impose a civil penalty based on his demonstrated inability to pay. In addition, the judgment

bars Molovinsky from acting as an officer or director of any public company.

The Commission alleged that, between October 1992 and April 1995, Molovinsky, who had exclusive control over TVI's day-to-day operations and finances, engaged in a scheme in which he misappropriated more than \$1 million of investor proceeds raised from the sale of over \$2.9 million of TVI stock to at least 699 investors. The stock was to be offered and sold to existing TVI investors and creditors pursuant to a court-approved plan of reorganization, and was to be subject to a provision in the United States Bankruptcy Code exempting such sales from registration.

In its complaint, the Commission charged that Molovinsky fraudulently stimulated demand for TVI stock by making materially false and misleading statements concerning the company's revenues, earnings and assets. Molovinsky disseminated the misleading information through investor correspondence and a series of TVI press releases which he prepared and issued. Among other things, he overstated TVI's revenues and income during 1992 and 1993, falsely represented that TVI had contracts to build tank gunnery ranges that would generate revenues exceeding \$2.5 million, and falsely stated that TVI held patents for low-cost stealth material and thermal targets used in military applications.

According to the complaint, Molovinsky took advantage of the increased demand generated by his false and misleading statements by selling almost all of the 14 million shares of TVI stock issued in the offering without regard to restrictions imposed by the reorganization plan. Among other things, he sold more shares than permitted, and sold shares outside the prescribed 60 day sales period. In addition, at least 8.7 million of the shares were neither registered with the Commission nor subject to the exemption from registration provided by the Bankruptcy Code because they were sold to persons who were neither existing creditors nor shareholders of TVI. The Commission also alleged that Molovinsky misappropriated over \$1 million of the proceeds by withdrawing funds from TVI corporate bank accounts and diverting investor checks to bank accounts he controlled. [SEC v. Brent Molovinsky, USDC, D.MD, Civil Action No. PJM-963046] (LR-16380)
