### SEC REPORT COORDINATING GROUP (ADVISORY) MEETING ANNOUNCED

The Commission's Report Coordinating Group (Advisory), will hold a meeting on February 14, 1975 at the SEC, 500 North Capitol St., Room 876, Washington, D.C. The meeting will commence at 10:00 a.m. local time and will be for the purpose of discussing the FOCUS Report of financial and operational information and development of simplified assessment and trading forms.

The Group's meetings are open to the public. Any interested person may attend and appear before or file statements with the advisory committee. Said statements, if in written form, may be filed before or after the meeting. Oral statements shall be made at the time and in the manner permitted by the Report Coordinating Group.

The Group was formed to assist the Commission in developing a coherent, industry-wide, coordinated reporting system. In carrying out this objective, the Group is to review all reports, forms and similar materials required of broker-dealers by the Commission, the self-regulatory community and others. The Group is expected to advise the Commission on such matters as eliminating unnecessary duplication in reporting, reducing reporting requirements where feasible, and developing the FOCUS Report of financial and operational information. (Securities Exchange Act Release Nos. 10612, 10959 and 11140).

Information concerning the meeting, including the procedures for submitting statements to the Group, may be obtained by contacting: Mr. Daniel J. Piliero II, Secretary, SEC Report Coordinating Group, Securities and Exchange Commission, Washington, D.C. 20549.

### PROPOSAL TO CONTINUE IN EFFECT PRESENT FEE SCHEDULE FOR SEARCH AND DUPLICATION REQUESTS UNDER THE FREEDOM OF INFORMATION ACT

The Freedom of Information Act, 5 U.S.C. Section 552, has recently been amended to provide that all agencies are required to establish, "pursuant to notice and receipt of public comment," a uniform fee schedule applicable to all requests made pursuant to the Act. The Commission has previously established such a schedule and now proposes to continue it in effect and to publish it as an appendix to Subpart D of the Commission's Rules, 17 CFR 200.80. Interested persons are invited to submit their views on this proposal. To be considered, written statements should be submitted to the Secretary, Securities and Exchange Commission, Washington, D.C. 20549 on or before February 12, 1975. All such communications should refer to File No. S7-546, and will be available for public inspection. (Rel. 33-5556)

## DECISIONS IN ADMINISTRATIVE PROCEEDINGS

### E. P. SEGGOS & CO., INC. REVOKED; FRANK JANNETTE BARRED

The Commission has revoked the broker-dealer registration of E. P. Seggos & Co., Inc., of New York City, and barred Frank John Jannette, the firm's secretary-treasurer, from association with any broker-dealer.

The sanctions were based on findings that the firm and Jannette, in the offer and sale of common stock of Data Display Systems, Inc. during October and November 1971, made material misstatements concerning the existence of prospective purchasers of the stock, the nature and composition of investors to whom the stock would be sold, and the manner in which the stock would be sold. It was also found that the firm and Jannette violated net capital and recordkeeping provisions, that they had been enjoined, with their consent, from further violations of those provisions, that they failed to comply with reporting requirements, and that Jannette was an officer of the firm when a trustee was appointed for it under the Securities Investor Protection Act.

The firm and Jannette failed to answer the charges against them and were deemed in default. (Rel. 34-11167)

**FULTON, REID & STAPLES, INC., WILLIAM R. SOHASKI,  
JOHN M. DURHAM, AND ANTHONY J. HOLTZMAN SANCTIONED**

The Commission has suspended the Fort Wayne, Indiana branch office of Fulton, Reid & Staples, Inc., a Cleveland broker-dealer, from engaging in any securities transactions in the over-the-counter market, with certain limited exceptions, for 15 business days effective January 20. In addition, the Commission has barred John M. Durham, a former salesman in the Fort Wayne office, from association with any broker-dealer, and suspended William R. Sohaski, former manager of the office, and Anthony J. Holtzman, another former salesman in that office, from any such association for respective periods of 60 and 14 calendar days, effective the same date.

The sanctions were based on findings that, during the period December 1970 to May 1971, Sohaski, Durham and Holtzman, in the offer and sale of common stock of Blasius Industries, Inc., made material misstatements and omissions concerning Blasius' business, operations, profitability, earnings, and future prospects; the company's patent rights and purported contracts; the substantial operating losses the company had suffered; Blasius' merger with a French company and the production of a partly-owned Blasius subsidiary; anticipated dividends; a prospective rise in the market price of Blasius stock; and the stock's safety, soundness and investment quality. The firm was found to have aided and abetted antifraud violations by reason of the conduct of its employees.

Without admitting or denying the charges against them, respondents consented to the above findings and the indicated sanctions. (Rel. 34-11170)

**GILLIAM & CO., INC. REVOKED, PRESIDENT BARRED**

The Commission instituted administrative proceedings under the Securities Exchange Act with respect to Gilliam & Company, Inc., a Washington, D.C. broker-dealer, and Thomas W. Gilliam, Jr., its president and sole shareholder. At the same time, the Commission accepted an offer of settlement from the firm and Gilliam under which it revoked the firm's broker-dealer registration and barred Gilliam from association with any broker-dealer, investment adviser or investment company. After one year, Gilliam may apply to the Commission for permission to become so associated in a non-supervisory capacity.

The sanctions were based on a finding that Gilliam had been permanently enjoined, with his consent, from violations of the Securities Act's registration provisions. (Rel. 34-11171)

**SYLVAN REISENFELD, ATTORNEY, PERMANENTLY SUSPENDED  
FROM COMMISSION PRACTICE**

The Commission today permanently suspended Sylvan Reisenfeld, an attorney of Cincinnati, Ohio from appearing or practicing before it. On October 31, 1974, the Commission had temporarily suspended Reisenfeld from practice before it based on the fact that he was permanently enjoined by the U.S. District Court for the Southern District of Ohio from violating antifraud provisions of the securities laws in a suit brought by the Commission against him as well as others. (SEC v. Harold Fisher, Civil Action No. 8876). The order of temporary suspension became permanent when Reisenfeld failed to request a hearing from the Commission within 30 days.

The Commission in its court action alleged that Reisenfeld caused Harmony Loan Company to sell to the public over \$1 million face amount of its debentures in 1969 and 1970 by means of prospectuses which contained false and misleading statements of a material nature. Among other things, the prospectuses did not accurately describe the use which was to be made of the proceeds from the offering and the fact that the issuance and sale of the debentures were beyond the power of the corporation and exceeded the limitations upon indebtedness contained in Harmony's Articles of Incorporation.

The complaint also alleged that Reisenfeld participated in a fraudulent scheme involving the transfer of the voting stock of Harmony Loan Company, under which valuable assets of the company were transferred to the sellers of the stock and replaced with grossly overvalued assets. Reisenfeld had consented to the injunctive order, without admitting or denying the allegations of the complaint. (Rel. 33-5553)

**JOHN A. O'TOOLE, ATTORNEY, PERMANENTLY SUSPENDED  
FROM COMMISSION PRACTICE**

The Commission today permanently suspended John A. O'Toole, an attorney of Oklahoma City, Oklahoma, from appearing or practicing before it.

In October 1974, the Commission had temporarily suspended O'Toole from practice before it, based on the fact that the U.S. District Court for the Southern District of Ohio had permanently enjoined him from violating antifraud provisions of the securities laws in a suit brought by the Commission against him as well as others (SEC v. Harold L. Fisher, File No. 8876). O'Toole did not petition to lift the suspension within 30 days after entry of that order. Accordingly, the suspension has now become permanent.

In the injunctive action, the Commission alleged, among other things, that O'Toole had participated in a fraudulent scheme involving the transfer of the voting stock of Harmony Loan Company pursuant to which valuable assets of that company were transferred to the sellers of the stock and replaced with grossly overvalued assets. O'Toole was also alleged to have caused the company to sell debentures for more than \$100,000 to over 30 persons by means of a prospectus which contained false and misleading financial statements. O'Toole consented to the entry of the injunctive order, without admitting or denying the allegations of the complaint. (Rel. 33-5554)
