RULES AND RELATED MATTERS

MAR 10 1975

COMMENT PERIOD EXTENDED ON PROPOSAL TO RESCIND. RULE 3c-4 AND RULE 202-1

LIBRARY

The SEC has extended from March 31 until April 18, 1975, the period within which written views and comments may be submitted on the proposal to rescind Rule 3c-4 under the Investment Company Act of 1940 and Rule 202-1 under the Investment Advisers Act of 1940. The proposal to rescind was announced on February 27, 1975 (Rel. IC-8690 and Rel. IA-439) (Rel. IC-8706)

COMMISSION ANNOUNCEMENTS

SINGER & MACKIE, INC., OTHERS SANCTIONED; PROCEEDINGS DISMISSED AS TO ROBERT W. STEVEN CORP. OTHERS

Administrative Law Judge Ralph Hunter Tracy has filed an initial decision ordering that Singer & Mackie be suspended from submitting quotations to any inter-dealer-quotation-system for ten days; that Irving Atherton and Nathan Shapiro be suspended from association with any broker or dealer for three months; that Daniel Lanktree be suspended from association with any broker or dealer for one month; that the registration of Daniel S. Brier & Co., Inc., be revoked and the firm expelled from membership in the NASD; and that Daniel S. Brier be barred from association with any broker or dealer except that after one year he may, upon appropriate application to the SEC, be permitted to become associated with a broker or dealer in a non-supervisory capacity.

The administrative law judge found that the above-named firms and individuals had violated various sections of the Securities Act of 1933 and the Exchange Act of 1934, and Rules thereunder, by participating in varying degrees in the manipulation of the stock of Logos Development Corp., from May 24, 1972, to February 14, 1973, in cooperation with the underwriter of an offering in that stock. The underwriter, Cohen Goren Equities, Inc., had its registration as a broker-dealer revoked by the Commission (Release No. 34-10252/June 28, 1973) for its part in the manipulation.

The administrative law judge found, also, that the charges had not been proven as to Robert W. Steven Corp., Robert Isaac Konigsberg, Schweikart & Co., John Radin and Baird Patrick & Co., and, accordingly, dismissed the proceedings as to them.

TRADING SUSPENSIONS

TRADING SUSPENDED IN THREE COMPANIES

The SEC announced the suspension of over-the-counter trading for a ten-day period beginning on March 5, and terminating at midnight (EDT) on March 14, 1975 of all securities of the following companies which have failed to file with the Commission at least the indicated reports: Century Medical, Inc., a Nevada corporation located in City of Commerce, California (10-K annual report for the fiscal year ended June 30, 1974; 10-Q quarterly reports for the fiscal quarters ended September 30 and December 31, 1974); Enviromed Corp., a Delaware corporation located in Bethesda, Maryland (10-K annual report for the fiscal year ended June 30, 1974; 10-Q quarterly reports for the fiscal quarters ended March 31, September 30 and December 31, 1974); and Life Sciences Inc., a Delaware corporation located in New York City, New York (10-K annual report for the fiscal year ended May 31, 1974; 10-Q quarterly reports for the fiscal quarters ended February 28, August 31 and November 30, 1974).

The Commission initiated the suspensions because the companies failed to comply with the reporting provisions of the Exchange Act resulting in the lack of current and accurate information available to the public. (Rel. 34-11277)

COURT ENFORCEMENT ACTIONS

A. J. JOLLY, MENTOR CORPORATION, OTHERS ENJOINED

The SEC announced the entry on March 3 of an order of preliminary injunction in the U.S. District Court for the Eastern District of Kentucky against A. J. Jolly, Mentor Corporation and Thomas N. Street, Jr. enjoining them from engaging in further violations of certain of the antifraud provisions of the securities laws in the offer, sale or purchase of City of Covington Health Care Project Revenue Bonds, Series 1972, or any other securities.

The Court found that in connection with a new offering of municipal bonds issued to finance the construction of a helath care facility of Covington, Kentucky, the defendants violated the antifraud provisions by, among other things, failing to disclose: (1) that the defendant Mentor Corporation which issued a consultant's report demonstrating the desirability of the proposed project would share in 50 percent of the developer's profit; (2) that there was a difference of opinion among experts concerning the need for the proposed project as evidenced by the existence of other feasibility reports bearing adversely on the proposed project; and (3) that the project's financial adviser and underwriter were owned and controlled by the developer.

Previously, Judgements of Permanent Injunction in this matter were entered by the United States District Court for the Eastern District of Kentucky against The Senex Corporation, Arthur Jay Tarley, Alison, Jay, Malcolm & Company formerly known as Stemac Management Corporation, and BFT, Inc., permanently enjoining them from further violations in the offer, sale or purchase of City of Covington Health Care Project Revenue Bonds, Series 1972 or any other securities. These defendants consented to the entry of permanent injunctions without admitting or denying the allegations of the Commission's complaint. (SEC v. The Senex Corporation, et al., U.S.D.C., Eastern District of Kentucky). (LR-6769)
