## COMMISSION ANNOUNCEMENTS

---

### NOTICE TO READERS:

#### PAPER COPY DISSEMINATION OF SEC NEWS DIGEST TO BE DISCONTINUED

By the end of March, the Office of Public Affairs will complete its transition to electronic publication of the SEC News Digest. As a result, after March 29, 1996 paper copies of the Digest will no longer be mailed or made available at Headquarters for messenger pick-up. Instead, we will be publishing the Digest on the Commission's World Wide Web site and the FedWorld electronic bulletin board. On the Commission's Internet site, readers will also be able to access most litigation releases, administrative proceeding orders, rule proposals, final rules, Congressional testimony, speeches, press releases, special reports, the EDGAR database of corporate filings and other materials.

This change will provide current subscribers and the public at large with same-day access to the Digest and a broad range of documents and information. It will also enable us to devote more of our resources to expanding and improving the scope of our electronic information dissemination services. Overall we will be able to provide an increased volume of information on a more timely basis in a more accessible and useful form.

The Internet address for the Commission's World Wide Web site is "<http://www.sec.gov>". The Fedworld electronic bulletin board can be accessed through the World Wide Web at "<http://www.fedworld.gov>" or by dialing directly via modem at (703) 321-3339.

While these services are free, readers will be responsible for all connection charges including long-distance telephone fees and Internet connection services. Users experiencing difficulties connecting to the World Wide Web site or FedWorld should contact their Internet service provider. Readers experiencing difficulties dialing FedWorld directly should call the FedWorld customer service line at (703) 487-4608.

People with questions or comments regarding this change in service should write to Carlene Akins, Editor, Office of Public Affairs, U.S. Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549.

We have appreciated your interest in our publication over the years and look forward to serving you in a more efficient and effective manner by utilization of this new publication medium.

#### **COMMISSION MEETINGS**

Following is a schedule of Commission meetings which will be conducted under provisions of the Government in the Sunshine Act. In general, the Commission expects to follow a schedule of holding open meetings on Wednesday mornings. Otherwise, meetings will be scheduled according to the requirements of agenda items under consideration.

Visitors are welcome at all open meetings, insofar as space is available.

Meetings will be held in the Commission Meeting Room, Room 1C30, at the Commission's headquarters building, 450 Fifth Street, N.W., Washington, D.C. Persons wishing to photograph or videotape Commission meetings must obtain permission in advance from the Secretary of the Commission. Persons wishing to tape record a Commission meeting should notify the Secretary's office 48 hours in advance of the meeting.

Any member of the public who requires auxiliary aids such as a sign-language interpreter or material on tape to attend a public meeting should contact Nancy Wolynetz, Office of Administrative and Personnel Management, to make arrangements. Ms. Wolynetz can be reached at (202) 942-4091 or at a TTY number (202) 942-4075. Staff members at the Commission are encouraged to contact Ms. Wolynetz if they receive inquiries on availability of auxiliary aids.

#### **OPEN MEETING - THURSDAY, MARCH 21, 1996 - 10:00 A.M.**

The subject matter of the open meeting scheduled for Thursday, March 21, 1996, at 10:00 a.m., will be:

- (1) The Commission will consider whether to adopt amendments to Rule 2a-7, the rule under which money market funds are regulated under the Investment Company Act of 1940, and related

rules and forms. The amendments are intended to tighten the risk limiting conditions of Rule 2a-7, particularly as they apply to tax exempt funds, and to provide investors in those funds with protections similar to those provided to taxable money market fund investors. The amendments would revise the diversification and credit quality conditions which tax exempt money market funds are required to meet, and make limited changes to the rule for taxable money market funds. The Commission will also consider a new rule under the Investment Company Act -- Rule 17a-9 -- which would permit certain affiliated transactions involving money market funds. For further information, contact Martha Platt at (202) 942-0725.

- (2) The Commission will consider whether to propose for public comment amendments to Rule 10f-3, and new Rule 17a-10, both under the Investment Company Act of 1940. The proposed amendments to Rule 10f-3 would address the various conditions of the rule. The proposed amendments would broaden the scope of the rule, for example, by permitting funds that are subject to the rule to purchase securities of foreign issuers sold in offerings not registered under the Securities Act of 1933, subject to certain conditions. Proposed Rule 17a-10 would provide an exemption from Section 17(a)(1) of the Investment Company Act for certain transactions that would be permitted by the proposed amendments to Rule 10f-3. For further information, contact David M. Goldenberg at (202) 942-4525.

At times, changes in Commission priorities require alterations in the scheduling of meeting items. For further information and to ascertain what, if any, matters have been added, deleted or postponed, please contact: The Office of the Secretary at (202) 942-7070.

#### SALES PRACTICE SWEEP INDICATES STEPS NEEDED TO IMPROVE AND STRENGTHEN HIRING AND SUPERVISION OF BROKERS

A joint sales practice examination sweep by federal, state and self-regulatory organizations has found that while many brokerage firms maintain satisfactory supervisory mechanisms, firms can and should take steps to improve and strengthen their hiring, retention and supervisory practices. This was the main conclusion of the Joint Regulatory Sales Practice Sweep conducted by the staffs of the Securities and Exchange Commission, the National Association of Securities Dealers, the New York Stock Exchange and the North American Securities Administrators Association. (Press Rel. 96-48)

## ENFORCEMENT PROCEEDINGS

---

### COMMISSION ENTERS ORDER AGAINST SETH ROBERTS

The Commission announced today the entry of an Order Instituting Proceedings, Making Findings and Imposing Remedial Sanctions against Seth R. Roberts, who consented to a bar from association with any broker, dealer, investment adviser, investment company or municipal securities dealer. Roberts also consented to cease and desist from committing or causing any violations or future violations of Section 17(a) of the Securities Act of 1933, and Section 10(b) and Rule 10b-5 of the Exchange Act of 1934.

The Commission's Order arises out of Roberts acceptance of over \$51,000 of undisclosed compensation for selling stock of Nona Morelli promoters to retail customers in cross transactions so that the retail price of the stock would remain stable. The Order noted the appropriateness of penalties, however, both penalties and disgorgement of the undisclosed compensation were waived based on Roberts' demonstrated inability to pay. (Rel. 33-7274; 34-36978)
