Will use long version for FB:

Here's the short version for Twitter in less than 140 characters in Spanish:

Aware interest in Via Verde, EPA is evaluating potential enviro impacts of gasoducto. Considering all info provided by people and govt of PR

Conscientes interés en ViaVerde, evaluamos impactos ambientales potenciales del gasoducto. Considerando insumo del pueblo y gobierno PR

Subject: Re: Question on Twitter Re: gas-pipeline

Draft reply:

EPA is aware of the high degree of interest generated by Via Verde. EPA will carefully consider all the information provided by people and the government of Puerto Rico during our review of the potential environmental impacts of the proposed project.
