Hi [REDACTED] -

Tried calling you a few times but I imagine you are pretty busy. Can you tell me if there is a conference call scheduled for tomorrow, Thursday, at 1300 (perhaps with USFWS participating)? Danny called and left me a voicemail asking me about the call.

I remember, at the PDT on May 11, we bookmarked May 26 as a date USFWS was available for a meeting with [REDACTED] but I was under the impression recent events have surpassed the need for a meeting. I don't know if [REDACTED] is still here in Jacksonville, or TDY to PR.

If you get this email and can let me know anything about tomorrow's schedule I would be grateful.

Thanks
