

# Introduction to the Reassignment Notice: Plan Termination Version

## What's the purpose of this notice?

This notice informs people who qualify for Extra Help and whose Medicare Prescription Drug Plan is leaving the Medicare Program that they'll be reassigned to a new Medicare drug plan if they don't join a plan on their own by December 31, 2012.

The notice includes two pages. The first page is a notice printed on the front and back of blue paper. The second page includes a list of plans for each region that have premiums at or below the low-income premium subsidy amount.

## Who gets this notice?

Medicare will reassign all people who qualify for Extra Help whose Medicare Prescription Drug Plan is terminating on December 31, 2012.

## When do people get this notice?

The notice will be mailed by late October.

## What should people do next?

People should consider their options carefully. People who want more information about Medicare prescription drug coverage can:

- Visit [www.medicare.gov](http://www.medicare.gov) and get personalized drug plan information.

Medicare is moving you to a new drug plan for 2013

You're getting this notice because <Old Organization Marketing Name>'s <Old plan name> (<old contract>/<old PBP>) is leaving the Medicare Program on December 31, 2012, and will no longer provide your prescription drug coverage. **Because your plan is leaving, Medicare is moving you to a new drug plan to make sure you have drug coverage in 2013.** You have 2 options:

Option 1: If you do nothing, Medicare will enroll you in <New Organization's Name>'s <New Name of Plan> (<new contract>/<new PBP>).

Your coverage starts on January 1, 2013. With this new Medicare drug plan, you'll pay:

- <subsidy % or \$0> of the monthly drug plan premium
- <\$0 or up to \$66> of the yearly drug plan deductible
- <insert LIS copayment amounts or % of the cost of each prescription> for each prescription covered by the plan filled at one of the plan's pharmacies

Visit <Plan website>, or call <New Plan Name> at <New Plan phone> for more information about this Medicare drug plan. In December, Medicare will send you another blue letter letting you know which of the drugs you take will be covered in this plan.

This plan serves <states>. If this isn't where you live, call <New Plan Name> to make sure it serves where you live now. If it doesn't, call 1-800-MEDICARE (1-800-633-4227) to choose and join a plan that serves the state where you live. TTY users should call 1-877-486-2048.

Option 2: You qualify for Extra Help, so you can join a different Medicare drug plan anytime.

**If you don't want Medicare to enroll you in this plan, you should join a different plan before December 31, 2012.** A different Medicare drug plan may cover more of your drugs.

To switch to a different Medicare drug plan, see the list of plans included with this notice. You can join any plan in this list and pay <subsidy % or \$0> premium and <insert LIS copayment amounts > for each prescription. Since you qualify for Extra Help, you can switch Medicare drug plans anytime. Your new coverage would start the next month.

### If you want to join a different Medicare drug plan

If you join a new plan, it's a good idea to do it as early as possible before December 31, 2012. Enrolling early in the month gives your new Medicare drug plan time to mail your membership materials before your new coverage becomes effective. This way, even if you go to the pharmacy on January 1, you can get your prescriptions filled without any problems.

If you want to join a new Medicare drug plan, call the new plan to find out how to join. Joining a new plan will automatically disenroll you from your current plan. You don't need to call your current plan to disenroll.
