## PREFACE

The *Chiefs of State and Cabinet Members of Foreign Governments* directory is updated monthly, and the online version is updated weekly. The publication is intended to be used primarily as a reference aid and includes as many governments of the world as is considered practical, some of them not officially recognized by the United States. Regimes with which the United States has no diplomatic exchanges are indicated by the initials NDE.

Governments are listed in alphabetical order according to the most commonly used version of each country's name. The spelling of the personal names in this directory follows transliteration systems generally agreed upon by US Government agencies, except in the cases in which officials have stated a preference for alternate spellings of their names.

NOTE: Although the head of the central bank is listed for each country, in most cases he or she is not a Cabinet member. Ambassadors to the United States and Permanent Representatives to the UN, New York, have also been included.

## Burma

*Burma is governed by a military junta—the State Law and Order Council (SLORC)—that has been in place since a military coup on 18 September 1988. On 15 November 1997 the SLORC changed its name to the State Peace and Development Council (SPDC) and made cabinet changes removing most of the former SLORC members. Burmese name elements are not separated.*
