Important Notification!

As you may already know, the DoD Legacy Program office is scheduled to move to the Mark Center on 5 September 2012.

If you're shipping or mailing anything to the Legacy Program from now thru September 2012, please contact Jane Mallory, jane.mallory.ctr@osd.mil (Natural Resources); Cecilia Brothers, cecilia.brothers.ctr@osd.mil (Cultural Resources); or Sean Rutherford, sean.rutherford.ctr@osd.mil so that your shipment can be coordinated to ensure delivery. Please note that Email addresses for Legacy Program staff will not change.

The Legacy Program will provide general delivery instructions at a later time after we fully understand the new requirements of the Mark Center mail room.

Another email update, with new phone number and address information, will follow soon.
