December 1, 2006

In reply refer to: PFR-6

**Dear Customers, Constituents, Tribes, and Other Regional Stakeholders:**

### **Load-Based Cost Recovery Adjustment Clause True-up**

I would like to invite you to a workshop on December 13, 2006, to discuss the LB-CRAC true-up for the next 6 months.

We will present the true-up calculations for the Load-Based Cost Recovery Adjustment Clause (Load-Based CRAC10), which covered April 1, 2006, through September 30, 2006. If necessary, we will hold a follow-up workshop on December 20, 2006, in the event that substantive issues are raised about the results presented on December 13, 2006. The need for this second workshop will be determined at the close of the December 13 workshop.

The tenth and last Load-Based CRAC adjustment, set in December 2005, ended on September 30, 2006.

The workshop will begin at 9:00 a.m. in the Rates Hearing Room (Room 223) of the 911 Building, which is located at 911 NE 11th Avenue, Portland, OR. If you would like to participate by telephone, please call Dolena Fernandez at (503) 230-4297 to be connected to the bridge. Materials will be posted the morning of the workshop on the PBL Web site at <http://www.bpa.gov/power/psp/rates/adjustments/lbcrac/>.

Sincerely,

/s/

Raymond D. Bliven  
Power Rates Manager
