Tim Buckley

Tim Buckley, Managing Director, is the head of Vanguard's Information Technology Division, reporting directly to John J. Brennan, Chairman and CEO. Mr. Buckley is responsible for leading all aspects of Vanguard's utilization of technology to provide high quality, cost-effective services for the company's 22 million shareholder accounts.

Mr. Buckley began his career at Vanguard in 1991 as Assistant to the Chairman. Since that time, he has held various leadership positions within Planning and Development, Vanguard's Retail Group and, most recently, as head of the Web Services Division.

Born in Boston, Massachusetts, Mr. Buckley earned an A.B. in Economics from Harvard College in 1991, and an M.B.A. from Harvard Business School in 1996. Mr. Buckley currently resides in Wayne, Pennsylvania.
