BILLING CODE 4410-FY-P

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

[AAG/A Order No. 009-2006]

Privacy Act of 1974; System of Records

AGENCY: Drug Enforcement Administration, DOJ.

ACTION: New system of records.

SUMMARY: Pursuant to the provisions of the Privacy Act of 1974, 5 U.S.C. 552a, notice is given that the Department of Justice (DOJ) proposes to establish a new Drug Enforcement Administration (DEA) system of records entitled, "El Paso Intelligence Center (EPIC) Seizure System (ESS)" DOJ/DEA-022. ESS incorporates two previous systems of records, the Clandestine Laboratory Seizure System notice, Justice/DEA-002, last published in the **Federal Register** January 27, 2003 (68 FR 3894), and the Automated Intelligence Records System (Pathfinder), last published in the **Federal Register** November 26, 1990 (55 FR 49182), for the purpose of combining both previously existing systems into a single collection of records.

DATES: In accordance with the requirements of 5 U.S.C. 552a(e)(4) and (11), the public is given a 30 day period in which to comment. The Office of Management and Budget (OMB), which has oversight responsibility under the Act, has 40 days in which to conclude its review of the system. Therefore please submit any comments by August 7, 2006.

ADDRESSES: The public, OMB and the Congress are invited to submit any comments to Mary E. Cahill,

Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 1400 National Place Building), facsimile number 202-307-1853.

FOR FURTHER INFORMATION CONTACT: Mary E. Cahill 202-307-1823.

SUPPLEMENTARY INFORMATION: This system of records is established in connection with the EPIC Open Connectivity Project that implements as a major component of this system the EPIC Portal. The EPIC Portal is designed to allow vetted users electronic access to data maintained in this system that was previously available to authorized users under the previously approved system notices for the Clandestine Laboratory Seizure System notice (Justice/DEA-002) and the Automated Intelligence Records System notice (Justice/DEA-INS-111). Under the previous protocol, authorized law enforcement personnel contacted EPIC directly with their requests for information. EPIC provided information from available databases to the requester. The use of the EPIC Portal under this system will allow authorized law enforcement personnel to query the ESS by means of a secure internet connection. A principal purpose of ESS is to ensure that law enforcement entities can more effectively investigate, disrupt and deter criminal activities. ESS furthers this purpose by providing a single point of entry to vetted users to submit a request for information from relevant data sources available to the ESS. Results obtained through a search of ESS databases are provided in near real time to the user. Both previously existing systems will continue to operate in parallel with this system for as long as is necessary to migrate existing data and users. At a date to be determined after the successful migration of data and users into this new system, the previously existing systems will be cancelled.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress.

Dated: June 19, 2006.

Lee J. Lofthus,

*Acting Assistant Attorney General for
Administration.*
