2. Share action your organization has taken:

- ◆ **Locally implemented preventive measures. Have purchased chains saws and personal protective equipment. Training conducted annually prior to hurricane season**
- ◆ **Asking civilians with use or lose leave to donate via Office of Personnel Management emergency leave transfer program**

3. If you could change one thing following Hurricane Katrina, what would you like to see changed & why?

- ◆ **The evacuation plan for New Orleans/state of Louisiana-it wasn't implemented until after the fact**
