**Description**

One of the missions of the Corporation is to "provide opportunities to engage in service that addresses the nation's unmet human, educational, environmental, and public safety needs" (42 U.S.C. 12501(b)). Through the AmeriCorps\*VISTA (Volunteers in Service to America) program, the Corporation supports VISTA's 34 year mission to engage Americans in community service activities and build the capacity of low-income communities. AmeriCorps\*VISTA activities address issues of poverty and poverty-related problems by generating private sector resources, encouraging volunteer service at the local level, and strengthening the capacity of local organizations and agencies to meet the needs of low-income communities.

VISTA is a full-time, full-year service program for men and women ages 18 and older. AmeriCorps\*VISTA places federally funded national service participants in ongoing programs managed by public agencies or private, nonprofit organizations. AmeriCorps\*VISTA members work within these agencies or organizations to help them expand services to people in economically disadvantaged communities. Members are involved in a wide variety of community-oriented efforts, such as developing literacy programs, organizing outreach programs in health care, training low-income people in business management, and establishing transitional housing programs for the homeless. Since 1996, the Corporation has conducted an annual survey and collected data from AmeriCorps\*VISTA projects to describe program accomplishments. These responses assist the Corporation in addressing policy and programming issues about AmeriCorps\*VISTA and
