Change Password

Passwords expire every 90 days and you will be required to change your password before expiration. You can change your password at any time through the Password Change Utility. If you login to Formulas Online when your password is due to expire, a confirmation message box displays reminding you to change your password through the Password Change Utility. See Figure 1. You may select the **Cancel** button to close the confirmation message box and proceed to your home page or you may select the **OK** button and follow the steps in <u>Change Your</u> Password to change your password through the Password Change Utility.
