DEPARTMENT OF THE TREASURY**Bureau of Alcohol, Tobacco and Firearms****27 CFR Part 13**

[T.D. ATF-449]

RIN 1512-AC21

Labeling Proceedings; Delegation of Authority

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Treasury.

ACTION: Treasury decision, final rule.

SUMMARY: Authority delegation. This final rule places all ATF authorities contained in regulations on "Labeling Proceedings" with the "appropriate ATF officer" and requires that persons file documents required by those regulations with the "appropriate ATF officer" or in accordance with the

instructions on the ATF form. This final rule removes the definitions of, and references to, specific ATF officers subordinate to the Director. Concurrently with this Treasury Decision, ATF Order 1130.21 is being published. Through this order, the Director has delegated the authorities in those regulations to the appropriate ATF officers and specified the ATF officers with whom appeals and other documents are filed.

EFFECTIVE DATE: April 13, 2001.

FOR FURTHER INFORMATION CONTACT: Lisa M. Gesser, Regulations Division, Bureau of Alcohol, Tobacco and Firearms, 650 Massachusetts Avenue NW., Washington, DC 20226, (202-927-9347) or e-mail at alctob@atfhq.atf.treas.gov.

SUPPLEMENTARY INFORMATION:**Background**

Pursuant to Treasury Order 120-01 (formerly 221), dated June 6, 1972, the Secretary of the Treasury delegated to the Director of the Bureau of Alcohol, Tobacco and Firearms (ATF), the authority to enforce, among other laws, the provisions of the Federal Alcohol Administration Act (FAA). The Director has subsequently redelegated certain of these authorities to appropriate subordinate officers by way of various means, including by regulation, ATF delegation orders, regional directives or similar delegation documents. ATF has determined that this multiplicity of delegation instruments complicates and hinders the task of determining which ATF officer is authorized to perform a particular function.

ATF has decided that all delegations of the Director's authorities will be compiled in ATF Delegation Orders. Each part or related parts of title 27 Code of Federal Regulations (CFR) will have its own corresponding order in which all authorities of the Director are delegated. Using a delegation order for this purpose eliminates the necessity of rewriting the regulations each time there is a change in authority or a change to the title of an ATF officer. This action both simplifies the process for determining what ATF officer is authorized to perform a particular function and facilitates the updating of delegations in the future.

ATF has begun making these changes to all other parts of 27 CFR through separate rulemakings. By amending the regulations part by part, rather than in one large rulemaking document and ATF delegation order, ATF minimizes the time expended in notifying interested parties of current delegations of authority.

Accordingly, this final rule rescinds all authorities of the Director in part 13 that were previously delegated. All references to specific ATF officers, other than the Director, have been removed and replaced with the words "appropriate ATF officer." Along with this final rule, ATF is publishing ATF Order 1130.21, Delegation Order—Delegation of the Director's Authorities in Part 13—Labeling Proceedings. This Order lists the specific ATF officers with whom appeals and other documents are to be filed.

In addition, this final rule also eliminates all references in the regulations that identify the ATF officer with whom an ATF form is filed. This is because ATF forms will indicate the officer with whom they must be filed. Similarly, this final rule also amends part 13 to provide that submission of documents other than ATF forms (such as letterhead applications, notices and reports) must be filed with the "appropriate ATF officer" identified in ATF Order 1130.21. These changes will facilitate the identification of the officer with whom forms and other required submissions are filed.

This final rule amends Subpart A—Scope and Construction of Regulations, and Subpart C—Applications of 27 CFR part 13. Specifically, two new sections, § 13.2 and § 13.20, are added. Section 13.2 is added to recognize the authorities in part 13 and to identify ATF Order 1130.21 as the instrument reflecting such delegations. Section 13.20 is added to indicate who is authorized to prescribe the forms required by this part and how to access those forms, and to provide that the instructions for an ATF form identify the ATF officer with whom it must be filed.

This final rule also makes a typographical amendment correcting the reference to § 13.45 to read § 13.44 in § 13.72(b).

Paperwork Reduction Act

The provisions of the Paperwork Reduction Act of 1995, Public Law 104-13, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR part 1320, do not apply to this final rule because there are no new or revised recordkeeping or reporting requirements.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this rule under the Administrative Procedures Act (5 U.S.C. 553), the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply. We sent a copy of this final rule to the Chief Counsel for

Advocacy of the Small Business Administration in accordance with 26 U.S.C. 7805(f). No comments were received.

Executive Order 12866

It has been determined that this rule is not a significant regulatory action because it will not: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in Executive Order 12866.

Administrative Procedure Act

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, it is unnecessary to issue this final rule with notice and public procedure under 5 U.S.C. 553(b). Similarly it is unnecessary to subject this final rule to the effective date limitation of 5 U.S.C. 553(d).

If the appropriate ATF officer determines that the commenter has raised a valid issue that ATF has authority to address, he or she will initiate appropriate action.
