The Observer/Trainer/Experience

“In my job as an observer/trainer in one of the Operations Groups, I have had the opportunity to work with numerous division-level commands (10th MTN, 82nd ABN, 34th, 40th, and 2nd ID to name just a few). I have also been fortunate to work with a number of Army-level headquarters such as 3rd Army, 5th Army, and 8th Army. As an officer who spent the entirety of my development at brigade-level or below, the ability to observe these complex organizations at work has been invaluable for me.”
