Airport Certification Information Bulletin (ACIB) 2011-2

During the Great Lakes Region 26th Annual Airports Conference in November 2010, FAA recognized four entities under the annual *Airport Safety & Airports Partnership Awards*. All four of these entities are to be congratulated for their significant contributions to safety at their respective airports or partnering with FAA and other industry stakeholders to bring enhanced safety to airports regionally, nationally, and worldwide.

The 2010 recipients of the Airport Safety Award were presented to the General Mitchell International Airport (MKE) and Muskegon County Airport (MKG). The 2010 recipients of the Airports Partnership Awards were awarded to the Indianapolis International Airport (IND) and USDA Wildlife Services in the states of ND, SD, MN, WI, IL, IN, MI, and OH.

Congratulations to all aforementioned award winners who have truly enhanced safety for the flying public here in the Great Lakes Region and abroad. Their contributions have been significant and worthy of our recognition.
