Break

Human Factors for Vehicle Operators

Dan Cilli, Air Traffic Specialist, Runway Safety Program

Air Traffic Communications for Airfield Drivers

Joe Jochheim, Quality Assurance Support Specialist, O'Hare ATCT

Questions / Wrap up

Illinois Air National Guard Auditorium at SPI

The main gate of the Air National Guard base is just north of the main entrance to Abraham Lincoln Capital Airport on J. David Jones Parkway at the traffic light. After stopping at the main gate, you will simply turn to the left inside the base, and the auditorium parking is straight ahead.

From the North

Take I-55 south to the Sherman Exit (exit #105). Turn right onto Business 55, which turns into Veteran's Parkway. Go approximately 6-6 1/2 miles and turn right at the intersection at J. David Jones Parkway. Go approximately 1/2 mile and the main entrance to the airport will be on your left. If via Route 29, continue southbound into Springfield limits, Capital Airport is immediately on your right. The first right after Hackmore Drive (A&W-Gas Station) is the main entrance to Capital Airport.

From the South

If on I-55, take I-55 North to the Sangamon Avenue exit. Follow Sangamon Avenue through town to 5th street. Turn Right. Drive to stop light, which will be Browning Road. Turn left. Drive to second stop light, which will be J. David Jones Parkway, turn right. The second entrance on your left will be the main entrance to Capital Airport.

If traveling Route 4, continue northbound on Route 4/Veterans Parkway to J. David Jones Parkway. Turn left. Continue through the stop light and the second entrance on your left will be the main entrance to Capital Airport.

From the East

If I-72 or Route 29, exit on to I-55 northbound just outside of town to the Sangamon Avenue Exit. Follow Sangamon Avenue through town to 5th street. Turn Right. Drive to stop light, which will be Browning Road. Turn left. Drive to second stop light, which will be J. David Jones Parkway, turn right. The second entrance on your left will be the main entrance to Capital Airport.

If Route 54, continue on into town. You will already be on Sangamon Avenue. Follow directions above.

From the West

For all roads west of Springfield, drive eastbound to Route 4/Veterans. Turn left (northbound). Continue northbound to J. David Jones Parkway/Route 29. Turn left. Continue through the stop light and the second entrance on the left will be the main entrance to Capital Airport.
