SUBJECT: FY 2007 Transit Security Grant Program (TSGP) – Eligible Ferry Systems

The purpose of this Information Bulletin (IB) is to make two corrections in the *FY 2007 Infrastructure Protection Program: Transit Security Grant Program: Ferry Security Supplemental*. These edits are found on page 6, Table 1, “Eligible Ferry Systems and Regional Allocations”. The first correction affects the State of California, Greater Los Angeles Area. The table currently states that the eligible ferry system is “Catalina Passenger Service” when it should instead read “Catalina Express, Inc.” The second correction is found in the “Region” column for the State of North Carolina. It currently lists “Cape Hatteras/Cherry Branch/Cedar Island/Ocracoke”. The table should read “All 14 terminals and ferries”.

Action. Please make the following edits to page 6, Table 1:

- (1) Replace “Catalina Passenger Service” with “Catalina Express, Inc.”
- (2) Replace “Cape Hatteras/Cherry Branch/Cedar Island/Ocracoke” with “All 14 terminals and ferries”.
