DOCKET NO. 9346

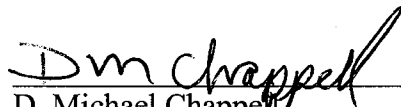

**ORDER ON MOTION OF NON-PARTY MDA ENGINEERING, INC.  
FOR EXTENSION OF TIME TO MOVE FOR *IN CAMERA* TREATMENT**

On May 10, 2011, Non-party MDA Engineering, Inc. (“MDA”) filed a Motion for Extension of Time to file a motion for *in camera* treatment. See 16 C.F.R. § 3.45(b) (“Motion”). Under the Scheduling Order in this case, the deadline for submitting Motions for *In Camera* Treatment under Rule 3.45(b) was May 5, 2011. MDA seeks an order extending the deadline to May 20, 2011.

MDA states that Complaint Counsel provided notice, by correspondence dated April 27, 2011, that it may seek to introduce into evidence at trial certain documents produced by MDA. MDA further states that, without the assistance of counsel, it is in the process of preparing the showing necessary to obtain *in camera* treatment for certain confidential records produced, but that additional time is needed to complete that process. MDA represents that Complaint Counsel has indicated that it does not oppose the requested extension of time.

Based on the foregoing, there is good cause to grant MDA additional time. 16 C.F.R. § 3.21(c). However, because the Final Prehearing Conference is scheduled for May 26, 2011, the request of a two-week extension cannot be accommodated. Accordingly, the Motion is GRANTED IN PART. It is hereby ORDERED that the deadline for Non-party MDA to file a Motion for *In Camera* Treatment shall be May 18, 2011. The deadline for either party to file a response to any such motion shall be May 23, 2011.

ORDERED:
