**RESPONDENTS MOTION
FOR IN CAMERA TREATMENT OF TRIAL EXHIBITS**

Respondent Metalfit, Inc. respectfully request that the Court grant a motion for *in camera* treatment of certain proposed trial exhibits pursuant to 16 C.F.R. part 3.45. Respondent believes that the proprietary nature of it's historical product sales volumes and pricing practices are of such a potentially damaging nature to it's business should this material be a part of the public record that it should therefore be granted *in camera* treatment. This information is exclusive to the ownership of this closely held private corporation and is only disclosed under subpoena.

WHEREFORE, Respondent respectfully requests that this Court grant *in camera* treatment to the documents identified in the attached table.
