DOCKET NO. 9331

**ORDER ON DEFAULT JUDGMENT  
AND INITIAL DECISION**

**I. PROCEDURAL HISTORY**

The Complaint in this matter was signed on September 16, 2008 and issued on September 18, 2008. Following the issuance of the Complaint, no notice of appearance, answer, or any other pleading had been filed as of October 29, 2008. Due to the lack of any activity in this case for almost six weeks, by Order dated October 29, 2008, Complaint Counsel was directed to provide a status of the case, including an affidavit or declaration indicating whether Respondent had been properly served pursuant to Commission Rule 4.4 and whether there have been any communications between the parties since the issuance of the Complaint.

On October 31, 2008, Complaint Counsel filed the ordered status report. As part of that report, Complaint Counsel provided a declaration under penalty of perjury from Raymond McKown, an attorney for Complaint Counsel, who averred that Respondent was properly served with the Complaint pursuant to Commission Rule 4.4 on September 23, 2008. McKown further declared that Complaint Counsel and Respondent have been engaged in communications since September 23, 2008. Respondent has, to date, filed nothing before the Office of Administrative Law Judges.

**II. DEFAULT JUDGMENT IS APPROPRIATE UNDER RULE 3.12(c)**

Pursuant to Commission Rule § 3.12(a), a “respondent shall file an answer within twenty (20) days after being served with the complaint” unless a motion is filed or a different time is

fixed by the Administrative Law Judge. 16 C.F.R. § 3.12(a). When a respondent fails to file an answer, entry of default judgment is appropriate. Rule 3.12(c) states:

*Default.* Failure of the respondent to file an answer within the time provided shall be deemed to constitute a waiver of the respondent's right to appear and contest the allegations of the complaint and to authorize the Administrative Law Judge, without further notice to the respondent, to find the facts to be as alleged in the complaint and to enter an initial decision containing such findings, appropriate conclusions, and order.

Commission Rule 3.12(c) is similar to Rule 55 of the Federal Rules of Civil Procedure. Under Rule 55(a), judgment by default may be entered “[w]hen a party against whom a judgment for affirmative relief is sought has failed to plead or otherwise defend” the lawsuit. Fed. R. Civ. Pro. 55(a); see also *Automotive Breakthrough*, 1996 FTC LEXIS 763, at \*8. If the court determines that a defendant is in default, the factual allegations of the complaint will be taken as true. *Thomson v. Wooster*, 114 U.S. 104 (1885); *Klapprott v. United States*, 335 U.S. 601, 603 (1949) (district court necessarily accepts the undenied allegations of the complaint as true). This rule applies to cases seeking equitable as well as legal relief. *Thomson*, 114 U.S. at 110; *FTC v. Kitco of Nevada, Inc.*, 612 F. Supp. 1282, 1297 (D.C. Minn. 1985).

“A defendant cannot be permitted to ‘avoid or delay a plaintiff’s right to judicial resolution of a dispute by ignoring the proceeding.’” *Frank Keevan & Son, Inc. v. Callier Steel Pipe & Tube, Inc.*, 107 F.R.D. 665, 670 (S.D. Fla. 1985) (citation omitted); *In re Automotive Breakthrough Sciences, Inc.*, 1996 FTC LEXIS 763, at \*12, *aff’d*, *In re BST Enter., Inc.*, 123 F.T.C. 1394 (May 30, 1997). According to the declaration filed by Raymond McKown in this case, Respondent was properly served with the Complaint under Rule 4.4. Respondent was required to file its Answer on or before October 14, 2008, pursuant to Rule 3.12(a). Although, according to McKown’s declaration, Respondent has communicated with Complaint Counsel, this is not sufficient to constitute an answer and prevent entry of default judgment. “Parties engaged in litigation frequently discuss the possible settlement of their disputes, but the mere existence of such negotiations, without more, does not excuse the parties from attending court appearances and otherwise complying with the Court’s orders.” *Simon v. Pay Tel Mgmt., Inc.*, 782 F. Supp. 1219, 1226 (N.D. Ill. 1991); *United States v. Topeka Livestock Auction, Inc.*, 392 F. Supp. 944, 950-51 (N.D. Ind. 1975) (ongoing settlement negotiations are not a sufficient reason for a failure to file an answer). Respondent failed to file an answer, motion, or any other response, request, or pleading. Accordingly, Respondent is found to be in default.

It is ORDERED that, pursuant to Commission Rule 3.12(c), the following Initial Decision is hereby entered.

Dear [Recipient]:

Our records show that you bought **[name of products]** from our website **www.HerbsForCancer.com**. We are writing to tell you that the Federal Trade Commission (“FTC”) has found that our advertising claims for these products were false or unsubstantiated, and has issued an Order prohibiting us from making those claims in the future. The Order entered against us also requires that we send you the following information about the scientific evidence on these products.

Very little scientific research has been done concerning the above noted products as a treatments or cures for cancer in humans. The scientific studies that have been done do not demonstrate that these products, or the ingredients in these products, are effective when used as treatments for cancer.

It is very important that you talk to your doctor or health care provider before using *any* alternative or herbal product, including the products named above. Speaking with your doctor is important to make sure that all aspects of your medical treatment work together. Things that seem safe, such as certain foods, herbs, or pills, may interfere or affect your cancer or other medical treatment, or other medicines you might be taking. Some herbs or other complementary or alternative treatments may keep your medicines from doing what they are supposed to do, or could be harmful when taken with other medicines or in high doses. It also is very important that you talk to your doctor or health care provider before you decide to take any alternative or herbal product, including the products named above, instead of taking conventional cancer treatments that have been scientifically proven to be safe and effective in humans.

The earliest occurring symptom is a nosebleed. The blood frequently is mixed with mucous that has been coughed up and flushed through the nasopharynx, at times mucous alone flows from the nostrils. ### **Prostate Cancer**

Unfortunately, prostate cancer is not often signaled by symptoms. Early stages of prostate cancer usually cause no readily apparent problems. On later stages, symptoms may mimic those of BPH (Benign prostatic hyperplasia) - except that they appear more abruptly. As cancer enlarges the prostate, you may experience urinary frequency, hesitancy, urgency, and a need to get up several times during the night to urinate. A decrease in the firmness of your erection or total impotence suggests prostate cancer may have spread to the nerves that control the erection process. Severe back pain may mean the cancer has spread to the bones of your vertebrae. Although a diagnosis of cancer is frightening, it's far from being a death sentence. However, many people seem to die from fear of cancer rather than the cancer itself.

This formula is designed to fight the cancer, decrease the urinary frequency, hesitancy and urgency. Also helps with the firmness of erection.

The herbal formula is : Dong ling cao, Huang qin, Da qing ye, Ju hua, Ling shi, Gan cao, etc.
