**ORDER GRANTING JOINT MOTION FOR THE ADMISSION OF DOCUMENTS**

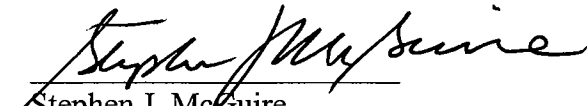

**I.**

On July 12, 2007, Complaint Counsel and Respondent, collectively, the "Parties," filed a joint motion for the admission of documents into the public record. By Order dated July 10, 2007, certain documents were granted *in camera* status and Complaint Counsel was directed to offer public versions, with the *in camera* material redacted. The Parties now jointly move for the introduction of RX 154-A, CX 498-A, and CX 557-A into the public record as public versions of previously admitted documents, RX 154, CX 498, and CX 557. Pursuant to the May 29, 2007 Joint Stipulation Re Designated Deposition Testimony (JX 3), the parties previously agreed to the admission of portions of the deposition transcript of Mr. Whitehouse. The Parties now jointly move for those portions of the Whitehouse transcript designated in JX 3 to be entered into the record as CX 421. Finally, the Parties jointly move for the admission into the record of DX 12, demonstrative exhibits used in the rebuttal testimony of Complaint Counsel's economic expert, Dr. Darrell Williams.

**II.**

The motion is **GRANTED**. The following documents are hereby entered into the public record: RX 154-A, CX 498-A, CX 557-A, CX 421, and DX 12. The parties shall provide the court reporter a copy of these exhibits, along with this Order.
