Docket No. 9302

**ORDER ON MOTION TO QUASH**

On October 15, 2002, non-party MOSAID Technologies Inc. ("MOSAID") filed a motion to quash or limit the subpoena duces tecum served on it by Respondent Rambus, Inc. ("Rambus"). On October 21, 2002, Rambus filed its response. Rambus states that it was not aware that MOSAID is a Canadian corporation that does not maintain a place of business in the United States at the time Rambus served its subpoena. Rambus, upon learning this, agreed to withdraw its subpoena. Accordingly, MOSAID's motion is DENIED as moot.
