## ORDER ON RESPONDENT'S MOTION FOR IN CAMERA TREATMENT OF CERTAIN TRIAL EXHIBITS AND DEMONSTRATIVES

I.

On July 1, 2003, Respondent Rambus Inc. ("Rambus") filed a motion for *in camera* treatment of certain trial exhibits and demonstratives. Complaint Counsel does not oppose the motion. The standards and case law for the consideration of *in camera* treatment set forth in the April 23, 2003 Order govern the disposition of Respondent's motion for *in camera* treatment. Rambus' July 1, 2003 motion, supported by the Declaration of Rambus's Senior Vice President and Chief Financial Officer, demonstrates that the documents for which Rambus seeks *in camera* treatment reveal highly confidential proprietary information, the disclosure of which would result in serious competitive injury.

П.

It is **HEREBY ORDERED** that the following documents shall be granted *in camera* treatment for the following durations:
