**Re: In the Matter of Evanston Northwestern Healthcare, FTC Docket  
No. 9315**

Dear Ms. Wood:

This is to confirm that Respondent's exhibit list filed May 27, 2005 (Attachment A to Respondent's Proposed Post-Trial Findings of Fact) and Respondent's Revised Post-Hearing RX Exhibit Index Pursuant to Rule 3.46b, filed June 22, 2005 are both public filings, despite bearing a "confidential" label. We have filed an amended version of Respondent's Revised Post-Hearing RX Exhibit Index Pursuant to Rule 3.46b on June 24, 2005 that corrected this problem. Please let me know if you have any questions.

Sincerely,
