**ORDER EXTENDING THE ONE YEAR DEADLINE
FOR FILING THE INITIAL DECISION**

Commission Rule 3.51(a) requires that initial decisions be filed within one year following the issuance of the complaint, but allows the Administrative Law Judge to extend the one year deadline by an additional period of up to sixty days, upon a finding of extraordinary circumstances. 16 C.F.R. § 3.51(a). Such extension, upon its expiration, may be continued for additional consecutive periods of up to sixty days, provided that each additional period is based upon a finding by the Administrative Law Judge that extraordinary circumstances are still present. 16 C.F.R. § 3.51(a).

The Complaint in this matter was issued on February 10, 2004. By Order dated February 9, 2005, the one year deadline was extended to April 11, 2005. By Order dated April 6, 2005, the one year deadline was extended to June 10, 2005. The eight week trial in this matter concluded on April 7, 2005. The parties are preparing post-trial briefs and replies thereto pursuant to Rule of Practice 3.46(a). These pleadings are due on June 24, 2005. Closing arguments are scheduled for July 7, 2005. Accordingly, extraordinary circumstances exist for extending by sixty days the deadline for filing the Initial Decision.
