SOURCE: Department of the Treasury.

NOTE: ... = not applicable.

a. Totals do not necessarily equal the sum of rounded components. Employment taxes depend on tax rates and, for the Old-Age and Survivors Insurance and Disability Insurance Trust Funds, wage bases (taxable maximums). (Beginning in 1994, no wage base applies to Medicare's Hospital Insurance program.) Employer and employee contributions differ by estimated amounts of employee tax overpayments and by employee tax on tips.

b. Beginning in July 1973, aged ineligible may voluntarily enroll for HI.

c. Includes premiums paid on behalf of eligibles by state governments under "buy-in" arrangements.

SOURCES: Social Security Administration, Master Beneficiary Record and Supplemental Security Record (Characteristic Extract Record format), 100 percent data.

- a. Includes persons receiving Old-Age, Survivors, and Disability Insurance (OASDI), SSI, or both.
- b. The number of OASDI disabled adult child beneficiaries aged 18–64 also receiving SSI was estimated on the basis of the number of such beneficiaries aged 18 or older for the same year and on the comparative size of the two groups at the end of 1988.
- c. December data for OASDI disabled beneficiaries also receiving SSI were not available. Instead, the average of the September 1989 and March 1990 numbers was used.

CONTACT: Art Kahn (410) 965-0186 or supplement@ssa.gov.
