Changes

1. This Change Transmittal removes the preceding subchapters.
2. Current changes are shown in *italic* and *dark magenta* to make it easier for the reader to identify them. However, if 50% or more of the subchapter is being revised, the *italic* and *dark magenta* can make it harder to identify changes. In those cases, normal black font is used throughout.
3. Officers are reminded that Department-issued materials not codified in the Foreign Affairs Manual or its supplemental Foreign Affairs Handbook series generally have no regulatory validity (see 2 FAM 1111.1).
4. The office responsible for the material in this subchapter is CA/VO/L/R. Please direct questions concerning content substance and interpretation to this office. Administrative questions on the Foreign Affairs Manual or
