

Homeland Security Modeling and Simulation Workshop Agenda
(Final Version)

Tuesday, June 14

8:00-8:30am	Registration
8:30-8:45am	Welcome by Dr. Bert Coursey, DHS Director of Standards
8:45-8:50am	Welcome by Dr. Vijay Srinivasan (Srini), NIST
8:50-9:00am	Workshop overview by Charles McLean & Sanjay Jain
9:00-9:05am	Introduction of key note speaker by Dr. Charles Hutchings, DHS
9:05-10:05am	Key Note speech – Dr. Keith Holtermann, Director, National Exercise Division, DHS/FEMA/NPD/NIC/NED
10:05-10:20am	BREAK Assemble in domain breakout rooms
	<ol style="list-style-type: none">1. Critical Infrastructure Systems (Chair: Dr. Nabil Adam, DHS S&T)2. Incident Management (Co-chairs: Andrew Akers, Director DHS NOC Battle Lab, and Dr. Doug Samuelson, InfoLogix)3. Hazardous Material Releases (Chair: Dr. Gayle Sugiyama, Lawrence Livermore National Laboratory; Co-chair: Mark Miller, NOAA)4. Healthcare Systems (Chair: Susan O’Hara, O’Hara HealthCare Consultants, LLC)
10:20am-12:25pm	Working session I: Needs and Requirements for each domain
12:30pm-1:20pm	Lunch (at NIST cafeteria)
1:20pm-5:00pm	Working session IIa: Identification of M&S Resources for each domain BREAK to be decided by session chair (15 mins. between 2:30-3:00pm) Working session IIb: Best Practices Limitations, Cautions and Warnings
5:00pm-5:30pm	Brief updates from breakout track chairs/co-chairs
5:30pm-8:00pm	No-host get together and dinner at a nearby restaurant

Wednesday, June 15

8:30-8:40am	Comments on Day 1 by Charles McLean and Sanjay Jain
8:40-9:10am	Update on NIST activities and Introduction of key note speaker – Dr. William L. Grosshandler, NIST
9:10-9:50am	Key Note speech– Dr. Nabil Adam, DHS S&T
9:50-10:05am	BREAK
	Assemble in domain breakout rooms
	<ol style="list-style-type: none">1. Critical Infrastructure Systems (Chair: Dr. Nabil Adam, DHS S&T)2. Incident Management (Co-chairs: Andrew Akers, Director DHS NOC Battle Lab, and Dr. Doug Samuelson, InfoLogix)3. Hazardous Material Releases (Chair: Dr. Gayle Sugiyama, Lawrence Livermore National Laboratory; Co-chair: Mark Miller, NOAA)4. Healthcare Systems (Chair: Susan O’Hara, O’Hara HealthCare Consultants, LLC)
10:05am-12:25pm	Working session III: Research, Development, Standards and Implementation Issues for each domain
12:30pm-1:15pm	Lunch (at NIST cafeteria)
1:15pm-2:15pm	Working session III: Research, Development, Standards and Implementation Issues for each domain
2:15pm-2:30pm	BREAK
2:30pm-4:30pm	Report-outs for each domain
	<ol style="list-style-type: none">1. Critical Infrastructure & Key Resources2. Incident Management3. Hazardous Material Releases4. Healthcare Systems
4:30pm-4:45pm	Next steps and conclusion
4:45pm	Adjourn
