MEMBERS' REPRESENTATIONAL ALLOWANCE

The total amount of each Member's 2012 Representational Allowance is 88.92% of the amount authorized in 2010. This is in accordance with a 5% reduction to the 2010 authorization mandated in House Resolution 22, agreed to on January 6, 2011, and a 6.4% reduction to the 2011 authorization as reflected in H.R. 2055, the Consolidated Appropriations Act, 2012 (P.L. 112-74).

The amount of each Member's 2010 Representational allowance is the sum of the following three component amounts:

1. Clerk-hire (personnel compensation) – This amount is the same for all Members. For 2010 this amount is \$944,671.
2. Official expenses – This amount varies for each Member and is based on the sum of the following subcomponents:

- A base amount of \$256,574
- The dollar equivalent of 64 multiplied by the rate per mile, multiplied by the mileage between the District of Columbia and the furthest point in the Member's district, according to the Rand McNally Standard Highway Mileage Guide, plus ten percent. The following rates per mile apply:

Under 500 miles	\$0.96
At least 500 but less than 750 miles	.86
At least 750 but less than 1,000 miles	.71
At least 1,000 but less than 1,750 miles	.61
At least 1,750 but less than 2,250 miles	.51
At least 2,250 but less than 2,500 miles	.48
At least 2,500 but less than 3,000 miles	.43
3,000 miles or more	1.32

- In no case, shall this amount be less than \$6,200.
 - The dollar equivalent of 2,500 square feet multiplied by the applicable General Services Administration (GSA) rental rate. This rate is based on the rental rate charged by GSA to Federal Agencies and departments located in counties and metropolitan areas located (in whole or in part) in the Member's district.
3. Official Mail – The amount of this component varies for each Member based on the following formula:
 - Not more than the product of 3 times the single-piece rate applicable to first class mail and the number (as determined by the Postmaster General) of addresses (other than business delivery stops) in the Member's congressional district.

The Committee has set the amount at 45% of this calculation.
