MEMORANDUM FOR ACTING UNDER SECRETARY OF DEFENSE FOR PERSONNEL
AND READINESS

SUBJECT: Extension Approval for Directive-Type Memorandums (DTM) 07-015, "DoD
Social Security Number (SSN) Reduction Plan"

I am approving an extension for DTM 07-015 in response to your December 7, 2011 request. This DTM will now expire on August 1, 2012. This will allow sufficient time for your staff to complete the Federal Register process associated with DoDI 1000.HH, "Reduction of Social Security Number (SSN) Use Within DoD," that will incorporate and cancel DTM 07-015.

My point of contact on this action is Matt Zolla, Directives Division, (572) 372-0404, or email matthew.zolla.ctr@whs.mil.
