9 the first day of the first month beginning after
10 the date the order is issued (or, if later, the
11 date specified in paragraph (4)); and

12 “(B) in the case of parts C and D, to
13 monthly payments under contracts under such

18 “(2) UNIFORM REDUCTION RATE; MAXIMUM
19 PERMISSIBLE REDUCTION.—Reductions in payments
20 for programs and activities under such title XVIII
21 pursuant to a sequestration order under section 254

7 of the previous sentence, in the case of inpa-
8 tient services furnished for an individual, the
9 services shall be considered to be furnished on
10 the date of the individual’s discharge from the
11 inpatient facility.

12 “(B) PAYMENT ON THE BASIS OF COST
13 REPORTING PERIODS.—In the case in which
14 payment for services of a provider of services is
15 made under title XVIII of the Social Security
16 Act on a basis relating to the reasonable cost
17 incurred for the services during a cost reporting
18 period of the provider, if a reduction is made
19 under paragraph (1) in payment amounts pur-
20 suant to a sequestration order, the reduction
21 shall be applied to payment for costs for such
22 services incurred at any time during each cost
23 reporting period of the provider any part of
24 which occurs during the effective period of the
25 order, but only (for each such cost reporting pe-

1 riod) in the same proportion as the fraction of
2 the cost reporting period that occurs during the
3 effective period of the order.

4 “(4) TIMING OF SUBSEQUENT SEQUESTRATION
5 ORDER.—A sequestration order required by section
6 252, 252A, or 253 with respect to programs under
7 such title XVIII shall not take effect until the first
8 month beginning after the end of the effective period
9 of any prior sequestration order with respect to such
10 programs, as determined in accordance with para-
11 graph (1).

12 “(5) NO INCREASE IN BENEFICIARY CHARGES
13 IN ASSIGNMENT-RELATED CASES.—If a reduction in
14 payment amounts is made under paragraph (1) for
15 services for which payment under part B of title
16 XVIII of the Social Security Act is made on the
17 basis of an assignment described in section
18 1842(b)(3)(B)(ii), in accordance with section
19 1842(b)(6)(B), or under the procedure described in
20 section 1870(f)(1), of such Act, the person fur-
21 nishing the services shall be considered to have ac-
22 cepted payment of the reasonable charge for the
23 services, less any reduction in payment amount
24 made pursuant to a sequestration order, as payment
25 in full.

1 “(6) SEQUESTRATION DISREGARDED IN COM-
2 PUTING PAYMENT AMOUNTS.—The Secretary of
3 Health and Human Services shall not take into ac-
4 count any reductions in payment amounts which
5 have been or may be effected under this part, for
6 purposes of computing any adjustments to payment
7 rates under such title XVIII, specifically including—

8 “(A) the part C growth percentage under
9 section 1853(e)(6);

10 “(B) the part D annual growth rate under
11 section 1860D–2(b)(6); and

12 “(C) application of risk corridors to part D
13 payment rates under section 1860D–15(e).

14 “(d) EFFECTS OF SEQUESTRATION.—The effects of
15 sequestration shall be as follows:

16 “(1) Budgetary resources sequestered from any
17 account shall be permanently cancelled, except as
18 provided in paragraph (6).

19 “(2) Except as otherwise provided, the same
20 percentage sequestration shall apply to all programs,
21 projects, and activities within a budget account (with
22 programs, projects, and activities as delineated in
23 the appropriation Act or accompanying report for
24 the relevant fiscal year covering that account, or for
25 accounts not included in appropriation Acts, as de-

1 lineated in the most recently submitted President's
2 budget).

3 “(3) Administrative regulations or similar ac-
4 tions implementing a sequestration shall be made
5 within 120 days of the sequestration order. To the
6 extent that formula allocations differ at different
7 levels of budgetary resources within an account, pro-
8 gram, project, or activity, the sequestration shall be
9 interpreted as producing a lower total appropriation,
10 with the remaining amount of the appropriation
11 being obligated in a manner consistent with program
12 allocation formulas in substantive law.

13 “(4) Except as otherwise provided, obligations
14 in sequestered accounts shall be reduced only in the
15 fiscal year in which a sequester occurs.

16 “(5) If an automatic spending increase is se-
17 questered, the increase (in the applicable index) that
18 was disregarded as a result of that sequestration
19 shall not be taken into account in any subsequent
20 fiscal year.

21 “(6) Budgetary resources sequestered in revolv-
22 ing, trust, and special fund accounts and offsetting
23 collections sequestered in appropriation accounts
24 shall not be available for obligation during the fiscal
25 year in which the sequestration occurs, but shall be

1 available in subsequent years to the extent otherwise
2 provided in law.

3 “(e) COMMODITY CREDIT CORPORATION.—

4 “(1) POWERS AND AUTHORITIES OF THE COM-
5 MODITY CREDIT CORPORATION.—This title shall not
6 restrict the Commodity Credit Corporation in the
7 discharge of its authority and responsibility as a cor-
8 poration to buy and sell commodities in world trade,
9 to use the proceeds as a revolving fund to meet
10 other obligations and otherwise operate as a corpora-
11 tion, the purpose for which it was created.

12 “(2) REDUCTION IN PAYMENTS MADE UNDER
13 CONTRACTS.—(A) Loan eligibility under any con-
14 tract entered into with a person by the Commodity
15 Credit Corporation prior to the time an order has
16 been issued under section 254 shall not be reduced
17 by an order subsequently issued. Subject to subpara-
18 graph (B), after an order is issued under such sec-
19 tion for a fiscal year, any cash payments for loans
20 or loan deficiencies made by the Commodity Credit
21 Corporation shall be subject to reduction under the
22 order.

23 “(B) Each loan contract entered into with pro-
24 ducers or producer cooperatives with respect to a
25 particular crop of a commodity and subject to reduc-

1 tion under subparagraph (A) shall be reduced in ac-
2 cordance with the same terms and conditions. If
3 some, but not all, contracts applicable to a crop of
4 a commodity have been entered into prior to the
5 issuance of an order under section 254, the order
6 shall provide that the necessary reduction in pay-
7 ments under contracts applicable to the commodity
8 be uniformly applied to all contracts for the next
9 succeeding crop of the commodity, under the author-
10 ity provided in paragraph (3).

11 “(3) DELAYED REDUCTION IN OUTLAYS PER-
12 MISSIBLE.—Notwithstanding any other provision of
13 this title, if an order under section 254 is issued
14 with respect to a fiscal year, any reduction under the
15 order applicable to contracts described in paragraph
16 (1) may provide for reductions in outlays for the ac-
17 count involved to occur in the fiscal year following
18 the fiscal year to which the order applies.

19 “(4) UNIFORM PERCENTAGE RATE OF REDUC-
20 TION AND OTHER LIMITATIONS.—All reductions de-
21 scribed in paragraph (2) which are required to be
22 made in connection with an order issued under sec-
23 tion 254 with respect to a fiscal year shall be made
24 so as to ensure that outlays for each program,
25 project, activity, or account involved are reduced by

1 a percentage rate that is uniform for all such pro-
2 grams, projects, activities, and accounts, and may
3 not be made so as to achieve a percentage rate of
4 reduction in any such item exceeding the rate speci-
5 fied in the order.

6 “(5) DAIRY PROGRAM.—Notwithstanding any
7 other provision of this subsection, as the sole means
8 of achieving any reduction in outlays under the milk
9 price support program, the Secretary of Agriculture
10 shall provide for a reduction to be made in the price
11 received by producers for all milk produced in the
12 United States and marketed by producers for com-
13 mercial use. That price reduction (measured in cents
14 per hundred weight of milk marketed) shall occur
15 under section 201(d)(2)(A) of the Agricultural Act
16 of 1949 (7 U.S.C. 1446(d)(2)(A)), shall begin on the
17 day any sequestration order is issued under section
18 254, and shall not exceed the aggregate amount of
19 the reduction in outlays under the milk price sup-
20 port program that otherwise would have been
21 achieved by reducing payments for the purchase of
22 milk or the products of milk under this subsection
23 during the applicable fiscal year.

24 “(6) CERTAIN AUTHORITY NOT TO BE LIM-
25 ITED.—Nothing in this joint resolution shall limit or

1 reduce, in any way, any appropriation that provides
2 the Commodity Credit Corporation with budget au-
3 thority to cover the Corporation's net realized
4 losses.”.

5 **SEC. 6. LONG-TERM BASELINE PROJECTIONS.**

6 Section 257(a) of the Balanced Budget and Emer-
7 gency Deficit Control Act of 1985 is amended—

8 (1) by inserting “(1) BASELINE FOR THE
9 BUDGET YEAR.—” before “For any budget year”
10 and by moving the text 2 ems to the right; and

11 (2) by inserting after paragraph (1) the fol-
12 lowing new paragraph:

13 “(2) LONG-TERM ESTIMATES.—For the three
