

FLASH MENTORING IS BACK!

The CHCO Council is excited to sponsor our third mentoring event for the next generation of HR Partners.

“Developing Growth Strategies, Learning New Skills”

A Flash Mentoring Event for Front Line HR Staff

This event will allow HR assistants and junior specialists (GS 5 to 11) the opportunity to obtain valuable advice and guidance on human resources competencies of flexibility, self-management, planning and evaluation.

The goal of our Flash Mentoring program is two-fold: 1) to allow front line staff the opportunity to participate in a structured HR Mentoring event to meet peers from other agencies and 2) to provide the next generation of HR professionals with career guidance/advice from leaders in supervisory roles outside of their home agencies.

Encourage your staff to visit HRU for more information. Registration opens Monday, May 14th at HRUniversity@opm.gov!
