Headquarters ANG Title 10 2 year Statutory Tour at **AFPC (Randolph AFB, TX)**. Must be Air Force Specialty Code (AFSC) **46F3/4, 46N3/4, or 46Y3/4**. **All applicants must possess a current/valid nursing license. Bachelor's degree is required.** Duties and Responsibilities: Oversees nurse case management practices, as defined by the Case Management Society of America, 1995 to ensure prompt recovery, expeditious return to duty or entry into the Integrated Disability Evaluation System for all reserve component (RC) members entered into the Air Force Medical Continuation program. The Lead Case Manager will manage a collaborative process which assesses, plans, implements, coordinates, monitors, and evaluates options and services to meet an individual's health needs to promote quality, cost-effective outcomes. Coordinates patient care through a continuum across environmental settings thereby facilitating the achievement of optimal outcomes in relation to clinical care, levels of wellness and functional capabilities, quality and cost-effectiveness. The Lead Case Manager oversees case management teams as directed by the Medical Branch Chief. Develops and implements protocols in conjunction with existing clinical guidelines. Develops and monitors tools to evaluate the effectiveness of programs and the progress of the RC member through the entire Medical Continuation program. Interprets results of health assessment tools to identify patient's appropriate level of care and resource usage for a defined population. Conducts case management activities in conjunction with disease management, as necessary. Facilitates patient access and efficient movement through the Air Force Medical Continuation Program. This includes but is not limited to reviewing, evaluating, and validating MPA requirements, eligibility, and justification for RC members who are injured or develop an illness while activated on Title 10 orders and require medical continuation management until the case is resolved IAW current policy directives. Knowledge of advanced principles and practices of nursing, case management, utilization/managed care, management of resources, prevention, continuous quality improvement, state laws, medical services and nursing standards. Consult with military and civilian healthcare providers, AD case managers, MMSO, MSA, PEBLOs, TRICARE, PERSCO, Federal Recovery Care Coordinators (FRCCs), service member's unit of assignment, service member's medical unit. NGB/SG, AFRC/SG, and other agencies regarding care/treatment of hospitalization. Highly desired to have knowledge of DoD and facility resources and referral system. Certification in Case Management for Case Managers (CCM) within two years of employment. Will consider training applicant if available

for two year tour. Should be knowledgeable in Milliman review criteria. Proven leadership abilities are essential. Responsible for molding up to 20 individuals into an efficient, highly functioning team. Position will require periodic CONUS travel for education and training of Reserve/Guard Wings in MEDCON policies and procedures..

Mandatory criteria as indicated in the MVA must be documented on the members report on individual personnel (RIP). If it is not indicated on the RIP, it is incumbent upon the applicant to ensure that the appropriate source documentation is provided with the application.

Must meet the above stated grade/rank requirement by closeout date of advertisement.

Member must have a Secret Clearance or an open investigation to apply for statutory tour positions.

Officers applying for a statutory tour position must have a minimum of a Bachelors degree prior to applying.
