Headquarters ANG Title 10 2 year Statutory Tour at **AFPC (Randolph AFB, TX)**. Must be Air Force Specialty Code (AFSC) **46F3/4, 46N3/4, or 46Y3/4**. **All applicants must possess a current/valid nursing license. Bachelor's degree is required.** Duties and Responsibilities: Conducts nurse case management practice as defined by Case Management Society of America, 1995, to ensure prompt recovery, expeditious return to duty or entry into the Integrated Disability Evaluation System for all reserve component (RC) members entered into the Air Force Medical Continuation (MEDCON) program. Leads a collaborative process which assesses, plans, implements, coordinates, monitors, and evaluates options and services to meet an individual's health needs to promote quality, cost-effective outcomes. Coordinates patient care through a continuum across environmental settings thereby facilitating the achievement of optimal outcomes in relation to clinical care, levels of wellness and functional capabilities, quality and cost-effectiveness. The Chief, CMT will oversee a team of case coordinators. Develops and implements protocols in conjunction with existing clinical guidelines. Develops metrics to evaluate the effectiveness of programs and the progress of the member through the entire medical continuation program. Interprets results of health assessment tools to identify patient's appropriate level of care and resource usage for a defined population. Conducts case management activities in conjunction with disease management, as necessary. Facilitates patient access and efficient movement through the MEDCON program. Specific duties include management and oversight of the following activities: medical MPA validation process through the Command Man-day Allocation System (CMAS); consulting with appropriate personnel regarding continued medical treatment and MPA requirements and subsequent MPA allocation with a primary focus on expediting RC medical cases through the Disability Evaluation System (DES) or facilitating Return to Duty (RTD) in a timely manner; assisting in planning, developing, assessing, and evaluating medical care provided to Active Duty MAJCOM-gained RC members on MPA MEDCON orders. Knowledge of advanced principles and practices of nursing, case management, utilization/managed care, management of resources, prevention, continuous quality improvement, state laws, medical services and nursing standards are mandatory. Must have knowledge of DoD and facility resources and referral system. Consult with military and civilian healthcare providers, AD case managers, MMSO, MSA, PEBLOs, TRICARE, PERSCO, Federal Recovery Care Coordinators (FRCCs), service

member's unit of assignment, service member's medical unit, NGB/SG, AFRC/SG, and other agencies regarding care/treatment or hospitalization. Certification in Case Management for Case Managers (CCM) within two years of employment. Will consider training applicant if available for two year tour. Should be knowledgeable in Milliman review criteria. Knowledge of advanced principles and practices of nursing, case management, utilization/managed care, management of resources, prevention, continuous quality improvement, state laws, medical services, and nursing standards. Applicants should have a minimum of 2-5 years experience in their respective AFSC, be familiar with the LOD and MEB process, and possess excellent office and computer skills. Proven leadership abilities are essential. Responsible for molding up to six individuals into an efficient, highly functioning cell. Position will require periodic CONUS travel for education and training of Reserve/Guard Wings on MEDCON policies and procedures.

Mandatory criteria as indicated in the MVA must be documented on the members report on individual personnel (RIP). If it is not indicated on the RIP, it is incumbent upon the applicant to ensure that the appropriate source documentation is provided with the application.

Must meet the above stated grade/rank requirement by closeout date of advertisement.

Member must have a Secret Clearance or an open investigation to apply for statutory tour positions.

Officers applying for a statutory tour position must have a minimum of a Bachelors degree prior to applying.

Application for this MVA signifies agreement to the following statement, "I certify that, to the best of my knowledge and belief, all of the information on an attached to this application is true, correct, complete and made in good faith. I understand that false or fraudulent information on or attached to this application may be grounds for rejection or for release from statutory tour after I begin work, and may be punishable by fine or imprisonment.
