Headquarters ANG Title 10 2-4 years Statutory Tour at **NGB/A1 (Randolph AFB, TX)**. Must be Air Force Specialty Code (AFSC) **3D074**. Duties and Responsibilities: Performs review and evaluation of ANG software/system requirements for development, testing, and implementation within the Software Development Section, Systems Development Branch, and Information Systems Division, supporting the combined Active Duty, Guard and Reserve Air Force Recruiting Information Support System (AFRISS) software application. Participates in all phases of the Software Development Life-Cycle (SDLC) approach to system development from analysis through testing of potential release products. Works alongside ANG field support personnel to refine user requirements, validate test plans and development in conjunction with functional OPR using defined test plan scenarios. Support personnel will consist of military and contractor analysts, functional managers, programmers, technical writers, and Call Center personnel supporting Active, Guard, and Reserve. Performs some process assessment and evaluation for improvement opportunities in a cooperative service component environment. Responsible for development/implementation of documented requirements in accordance with established standards and processes; participates in peer-review process; fully documents changes to system to include maintenance of Process and Functional Diagrams and other system models; participates in preliminary and critical design reviews providing a developer/technical perspective; provides response to functional OPR through a phased Rapid Application Development (RAD) approach using prototypes to refine and understand the requirements and functionality. Provides input for assessment of duration for design and development of ANG requirements for Project Management purposes. Will provide input and recommendations concerning future planning concerning the follow-on system planned to begin development in FY12.

Mandatory criteria as indicated in the MVA must be documented on the members report on individual personnel (RIP). If it is not indicated on the RIP, it is incumbent upon the applicant to ensure that the appropriate source documentation is provided with the application.

Must meet the above stated grade/rank requirement by closeout date of advertisement.

Member must have a Secret Clearance or an open investigation to apply for statutory tour positions.

Officers applying for a statutory tour position must have a minimum of a Bachelors degree prior to applying.

Enlisted applicants who are higher grade than the highest grade for the advertisement must provide a statement of understanding with the application stating he/she is willing to be voluntarily demoted if selected for this position, IAW ANGI 36-2503, Paragraph 3.8.

Application for this MVA signifies agreement to the following statement, "I certify that, to the best of my knowledge and belief, all of the information in and attached to this application is true, correct, complete and made in good faith. I understand that false or fraudulent information on or attached to this application may be grounds for rejection or for release from statutory tour after I begin work, and may be punishable by fine or imprisonment. I understand that any information I give may be investigated."
