

Proposed Amendments to Rule 75

Rule 75 is amended as follows:

Rule 75. Practice; Appearance; Substitution of Attorneys; Withdrawal of Attorney; Notification of Changes

* * * * *

PRACTICE COMMENT: Attorneys are reminded that merely providing updated attorney information (e.g., firm, email address, mailing address, phone number) in the signature block or on the cover page of a pleading or paper filed in an action before the court is insufficient to update either the attorney's appearance in a given action or the court's attorney rolls. An attorney must also file appropriate papers for each action in which he or she appears, as set forth in Rule 75, and is also advised to separately notify the Clerk's Office so that his or her contact information is updated in the Court's list of registered attorneys.

Advisory Committee Note

The Advisory Committee recommends certain amendments to the Standard Chambers Procedures to streamline the procedures, to eliminate redundancies between the Standard Chambers Procedures and the Court's Rules, and to incorporate some additional forms and provisions to enhance clarity and uniformity.
