

Peer Reporting NSABB

January 5, 2011

Paul B. Kimsey, Ph.D.

Responsible Official

California State Public Health Laboratory Director

Culture of Responsibility

- Training
- Authority
- Peer Review
- Flexibility
- Integration

Training

- Timeliness
- Clear Parameters
 - Seriousness
- Verifiable
 - Documented
- Approved nationally
- Required
- Recognition

Authority

- RO/ARO
- Ability to “make things happen”
- Documented “requirements”
- Higher PRP requirements?
- Training in “Best Practices”
- Peer discussions
 - Various settings

Peer Review

- Incidence Response Committee
- Peer Pressure
 - Lost keys
 - Dewar Incident
 - Inventory Issues (Initial setup)
 - Non SAR comments

Flexibility

- RO/ARO need flexibility
 - Additional PRP elements
 - Ability to remove from SAP
 - Reassign work loads

Integration

- SA integration into the “institutional” culture
- Into the Human Resources Program
- Union Contracts
- Compensation
