SUBJECT: 2012 Army Voting Assistance Program (AVAP) Instructions

6. Your goal is to ensure 100 percent of your Soldiers are contacted by a Unit Voting Assistance Officer (UVAO) and offered information about voting and the absentee voting process. Each Soldier should know his or her appointed UVAO. Leaders are responsible for ensuring this happens.

7. Training for your VAOs is available via CD-ROM or by accessing Federal Voting Assistance Program (FVAP) online training at www.fvap.gov. Each VAO should complete a certificate of training within 30 days of appointment. Given the availability of web enabled training, VAOs no longer have to wait to become certified through installation training. As a result, VAOs are available to assist Soldiers, Civilians, and Family members earlier in the voting process.

8. I appreciate your continued efforts in support of this important program. My point of contact is Ms. Rachel Gilman, Army Voting Action Officer, at 502-613-8475 or DSN 983-8475; e-mail address is Rachel.Gilman@conus.army.mil.

APPENDIXES:

- A. Army Measures of Success Report
- B. 2012-2013 Army VAO Workshop Schedule

I. PURPOSE

To implement the Federal functions of the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* and the *Help America Vote Act of 2002 (HAVA)*; administer the provisions of the DoD Directive 1000.04, Federal Voting Assistance Program (FVAP); and AR 608-20, Army Voting Assistance Program (AVAP); to disseminate information and guidance; and to coordinate tasks related to the Voting Program. This plan delineates specific actions to be carried out in preparation for the 2012 Presidential election.

II. OBJECTIVE

In accordance with AR 608-20, the personnel listed below must be provided all necessary voting information, including voting age requirements, election dates, Federal officers to be elected, as well as absentee registration and voting procedures.

It is the goal of the AVAP to ensure that everyone who wants to vote has the opportunity to vote and have their vote received on time. This includes the following:

- A. Members of the U.S. Army.
- B. Department of Army Civilians and Contractors CONUS and OCONUS.
- C. Family members of (1 & 2) above.

III. CONCEPT

A. PHASE I - Preparation and Initiation During the Period of February - May 2012.

1. Implement Command Voting Action Plan for the 2012 elections and disseminate to subordinate units.
2. Encourage access to the FVAP website (www.fvap.gov) and (www.vote.army.mil) for voting information and materials.
3. Ensure ordering and procurement of Federal Post Card Applications(FPCAs), Federal Write-in Absentee Ballots(FWABs) and other voting assistance materials by each Command/Unit through the Army Publishing Directorate. Distribution of FPCAs and FWABs by e-mail or other electronic means is encouraged.
4. Ensure direct delivery by in-hand or electronic means (e-mail preferred) of FPCAs to all Soldiers, OCONUS Army civilian employees and eligible Family members. Ensure FPCAs and FWABs are available to Soldiers from states holding early primary elections at least 90 days, if possible, in advance of the states primary election. Election dates are available at www.fvap.gov and at www.vote.army.mil.
5. Voting information efforts shall begin with commanding officers and VAOs conducting command information programs prior to primary elections and continuing, as necessary, to encourage Soldiers and their Family members to exercise their right to vote in primary and general elections. Information provided shall include dates of scheduled primary and general elections, state deadlines for voter registration, procedures to request an absentee ballot, actions upon the receipt of voted ballots and the mailing deadlines established by installation. Information programs can be accomplished through various means that the command elects, but the following tools have proven helpful in the past: use of local websites; installation newspapers; placing voting materials (with VAO's name, phone, e-mail address, and office location) in stationary locations such as libraries, medical and dental clinics,

commissaries, exchanges, MWR facilities, schools, training facilities, dining facilities and at designated locations onboard seagoing vessels.

B. PHASE II - Registration, Ballot Request and Absentee Voting During Period of June - November 2012. Phase II runs simultaneously with portions of Phase I.

1. Conduct "Armed Forces Voters Week" and "Overseas Citizens Voters Week" (week of June 27 - July 1, 2012). Develop programs to create voting awareness and to motivate absentee voters to participate in the general election. Encourage voter assistance activities in conjunction with installation events such as air shows, Armed Forces Day, academy and school graduations. Publicize the importance of early action and planning well in advance of election deadlines by the absentee voter to obtain a ballot for the general election. Publicize the last date before a Federal general election for which absentee ballots mailed from that location can reasonably be expected to be delivered to the appropriate State and local election officials.

2. Conduct "Absentee Voters Week" (week of September 26 - September 30, 2012). Encourage all *UOCAVA* voters to vote and mail their absentee ballots during this week. Encourage use of the FWAB and communicate how and when to use this back-up ballot. Recommend its use if the voter meets the criteria but has not received the requested regular absentee ballot in sufficient time (45 days) to vote and return their vote to be counted. Ensure procurement and distribution of FWABs for use by Uniformed Services voters both within the U.S. and overseas and by other U.S. citizens in overseas areas. The FWAB may be used for the General election (Federal offices) under conditions specified in the *2012 - 2013 Voting Assistance Guide*. Some jurisdictions may expand the use of the FWAB for Primary, State and local elections. For specific information on State requirements, refer to the *2012-2013 Voting Assistance Guide*.

3. Continue 2011 command information programs and dissemination of voter information. VAOs must ensure that voting materials are placed in high traffic areas on the installation (e.g. APO, ACS, main exchange, commissary, gym and the unit orderly room).

4. Within available resources, ensure privacy and access to fax machines for transmission of election materials. Permit use of DSN phones for voting assistance when it does not interfere with the mission.

C. PHASE III - Evaluation During the Period of 1 November - 31 December 2012.

1. IAW AR 608-20, assist, as requested, with post-election surveys of Soldiers, overseas civilian employees and Unit Voting Assistance Officers (UVAO). Emphasize those who receive the survey to promptly complete and submit their responses. The survey's findings will be used in identifying

voting program problems and successes and in formulating plans for future voting assistance programs.

2. Support preparation of other, yet to be specified, reports as required by the Director, FVAP and AR 608-20.

IV. RESPONSIBILITIES TO ALL:

G. In accordance with AR 608-20, establish the evaluation criteria at the time of appointment for VAO performance within their command and ensure that VAOs' evaluation reports reflect how well they perform their voting assistance duties. Commanders should reference AR 608-20, para 2-15, for suggested criteria and reference this in the appointment memorandum.

I. Generate and maintain a directory containing names, e-mail addresses and office telephone numbers of all UVAOs within 30 days of the release date of the Army Voting Action Plan. This directory must be updated as changes occur. E-mail addresses for VAOs shall be standardized in the form, Vote.Unit@army.mil or similar format.

J. Establish a link to the Army Voting Website (www.vote.army.mil) on command homepages to provide VAOs with easy access to the latest voting information. Report link to vote.questions@conus.army.mil

The posters should be ordered by the unit publications officer upon receipt in the U.S. Army Publications warehouse.
- F. News Articles and Features. News and feature articles on the Voting Assistance Program emphasizing primary elections, "Overseas Citizens Voters Week," "Armed Forces Voters Week," and Federal scheduled elections will be released to Army media outlets.

G. Social Media. The FVAP is available on social networking sites like Facebook, LinkedIn, and Twitter. FVAP is using social networking to share important absentee voting deadlines and procedures, and to collaborate with voters on improving the absentee voting process. Local election officials, military and overseas citizens and voting assistance officers can follow FVAP for important updates on absentee voting. Army Voting can also be found on Facebook (Army Voting) and Twitter (U.S. Army Voting).

H. Ombudsman Service. FVAP provides an Ombudsman Service for both the voter and local election officials to resolve problems which cannot be solved locally or answer questions concerning procedures for registration and ballot requests, including the timely receipt of ballots. Soldiers and local election officials may call for assistance using the international toll-free numbers below, and contained on the inside back cover of the *2012 - 2013 Voting Assistance Guide*. The toll-free number for citizens in the United States and Canada is 1-800-438-VOTE (8683). Assistance is available during normal business hours, Eastern Time, or a recorded message may be left at other times. International toll-free telephone numbers are listed on the FVAP website <http://www.fvap.gov>.

I. Federal Post Card Application (FPCA) for Registration and Absentee Ballot Request (Standard Form 76).

1. The FPCA, a postage-paid form, is authorized by law for use by persons covered by the UOCAVA. The FPCA was revised in 2011 to include more information and to make the form more usable. The previous edition of the form (Rev. 10-95) may continue to be used until the existing forms are exhausted.

2. Because there are differences in treatment accorded the FPCA by the various states and other jurisdictions, the *2012-2013 Voting Assistance Guide* should be consulted to determine how each particular jurisdiction authorizes use of the FPCA.

K. Federal Write-In Absentee Ballot (FWAB) (Standard Form 186).

1. The FWAB is authorized by law and may be used in general elections Federal office by UOCAVA voters who make a timely application for, and do not receive a regular absentee ballot in time to vote and return it.

2. The request for a regular absentee ballot must have been received by the local election official at least 30 days before the general election or the state deadline, whichever is later. (Some states may allow its use in primary and run-off elections—consult the *2012-2013 Voting Assistance Guide* for more information).

3. If voters receive their regular State absentee ballot after they have submitted the FWAB, voters should vote and return the ballot immediately if the regular State absentee ballot arrives before their State's deadline, the State will count that ballot instead of the FWAB. Refer to the *2012-2013 Voting Assistance Guide* for more information.
