5. No wagers may be placed or accepted over the internet or by any telecommunications system or device, except to accomplish off-race course pari-mutuel wagering as permitted by state law. The Secretary of the U.S. Department of the Interior issued a decision that the Hatch Tract is eligible for gaming; however, the State and the Governor are challenging that decision in a case entitled *Oregon v. Norton*, Civil Case No. 02-6104-TC (D.C. Or filed Apr. 12, 2002). In the event there is a final judicial decision in that case that the Hatch Tract is eligible for gaming, pursuant to 25 U.S.C. § 2719, the Tribes' Gaming Facility authorized by this Compact shall be located on the Hatch Tract. In that event, the Compact provisions related to the gaming location (i.e. transportation, environmental, land use, and matters of local concern) shall be negotiated after the final judicial decision. In the event there is a final judicial decision in that case that the Hatch Tract is not eligible for gaming pursuant to 25 U.S.C. § 2719, the Tribes' Gaming Facility authorized by this Compact shall be located on the Tribes' trust land in Coos Bay, Oregon, as fully described in Exhibit 2 to this Compact, or on any tract of land specified by Congress to be held in trust for the Tribes and eligible for gaming to take place thereon provided, however, that the State reserves the right to object to that location. 3. For purposes of the calculation of the authorized number of Class III VLTs in this § 4(D), a VLT providing for play by multiple players shall count as one VLT, as long as the total number of such devices does not exceed one percent (1%) of the total authorized VLTs.

E. Introduction of Authorized Games at Gaming Facility.

- d. Adopt rules of operation for the game that meet the minimum standards established in the Appendix hereto, including rules of play and standards for equipment.
 - e. Notify the Oregon State Police that the Tribes proposes to offer the new game to the public and, at the same time, provide to the Oregon State Police for review all of the internal controls, regulations, plans, procedures and rules required under § 4(E)(1).
 - f. The Tribes and the State must agree that the Tribes has adopted appropriate internal controls, surveillance plans, game rules and procedures, as provided in this subsection. Further, the Tribes and the State must agree that the Tribal Gaming Commission and the Oregon State Police are adequately prepared to regulate and monitor the new game, including that the Tribal Gaming Operation has sufficient adequately trained personnel to supervise the conduct of the games, and that the Tribal Gaming Commission has sufficient adequately trained personnel to monitor and regulate conduct of the games.
2. The Tribes shall establish wager limits for all games. The maximum wager for blackjack shall be \$500. Whenever any other Table or Counter Game is introduced, the Tribes shall establish maximum wager limit of \$100 per hand, play or bet. After a period of three (3) months of operation of the table game in substantial compliance with the requirements of this Compact, the Tribes may request that a maximum wager of \$500 be authorized. For purposes of this § 4(E), “substantial compliance” means:
- a. All of the rules, procedures and plans required under § 4(E)(1) have been adopted and approved by the Tribal Gaming Commission, have been approved by OSP as meeting the Minimum Internal Control Standards, and have been implemented;

- d. The Tribal Gaming Commission has adopted and implemented procedures for direct reporting of possible violations to the Tribal Gaming Commission by any employee of the Tribal Gaming Operation; and
 - e. The Tribal Gaming Commission has maintained records of investigations of all reports of possible violations, and has promptly reported confirmed violations to the Oregon State Police including the action taken by the Commission or gaming operation management to correct the failure, and the discipline or sanctions imposed.
3. The Tribes may operate a maximum of twenty-five (25) tables of Class III Table Games at the Gaming Facility for a period of one (1) year after gaming operations commence, or longer if agreed to in writing by the parties. The Tribes may request negotiations to continue Table Games after that date.

SECTION 5. JURISDICTION

A. In General.

1. The State shall have criminal jurisdiction over offenses committed by or against Indians and non-Indians at the Gaming Facility; the criminal laws of the State shall have the same force and effect at the Tribal Gaming Facility as they have on non-Tribal lands within the State. Nothing in this Compact shall be interpreted to diminish the criminal jurisdiction of the United States.
2. If the Tribes authorizes the Tribal Court to hear criminal cases arising at the Gaming Facility, the Tribes and the State shall have concurrent criminal jurisdiction over offenses committed by Indians within the Gaming Facility and on the Tribal lands. The enforcement of criminal laws at the Gaming Facility shall be established pursuant to and by a Memorandum of Understanding to be executed by the Tribes and the Oregon State Police.
3. The Tribes and the State agree that local law enforcement officials will provide the first response for criminal or public safety issues that are not related to the operation of gaming or that occur other than in the course of the play of games. As between the OSP and

The Tribes, or individuals acting on its behalf, shall provide Oregon State Police officers access to locked and secure areas of the Gaming Facility in accordance with the regulations for the operation and management of the gaming operation.
- C. Nothing in this Compact shall be construed to affect the civil or criminal jurisdiction of the State under Public Law #83-280. The Tribes and the State agree that the criminal laws of the State of Oregon that proscribe gambling activities shall apply to any person who engages in the proscribed activities if those activities are not conducted under the authority of the Tribes as provided in this Compact and under the IGRA.

SECTION 6. PRINCIPLES GOVERNING GAMING OPERATIONS DECISIONS

A. The Tribes and the State agree that maintaining the honesty, integrity, fairness and security of the Tribes' gaming operation is essential both to the success of the enterprise, and to satisfy the interests of the State and of the Tribes. The Tribes and the State agree that both of them have an interest in protecting the citizens of this State who patronize the Tribes' Gaming Facility from any breach of security of the gaming operation. Accordingly, all decisions by the Tribes, the Tribal Gaming Commission and the management of the Tribal Gaming Operation, concerning regulation and operation of the Gaming Facility, including those decisions expressly placed within the Tribes' discretion under the terms of this Compact, shall be consistent with each of the following principles:

B. Procedure for Resolving Disputes Concerning Operational Decisions.

1. If the State, in good faith, believes that any decision by the Tribes relating to the employment or licensing of any employee, awarding

of any contract or operation of the gaming enterprise is inconsistent with the principles set forth in § 6(A), or any other requirement of this section, the State may give written notice to the Tribal Gaming Commission. The written notice shall describe the factual basis for the State's concern.

2. The parties shall meet and confer within fifteen (15) calendar days after the Tribal Gaming Commission receives the notice.
3.

 - c. Upon agreement by both parties, the arbitration proceeding shall be binding.
 - d. The parties shall divide the cost of the arbitration proceeding equally between them.
4. Upon conclusion of the arbitration proceeding, if the parties have not elected to be bound by that result, either party may initiate an action in the United States District Court for the District of Oregon as provided in § 16 of this Compact.
5. Expedited Procedure.
 - a. If the State, in good faith, believes that there is an immediate threat to the honesty, integrity, fairness and security of the Tribal Gaming Operations, and believes that substantial harm will result during the time that would pass if the procedure established in § 6(B)(1)-(3) is followed, the State may give written notice to the Tribal Gaming Commission. The written notice shall describe the factual basis for the State's concern. The written notice shall describe the specific action the State believes is necessary to prevent substantial harm from occurring. The Tribes

agrees that the Tribal Gaming Commission shall act according to the State's recommendation or otherwise take mutually acceptable action to address the State's concerns, unless the Commission determines that such action would adversely affect the honesty, integrity, fairness and security of the Tribal Gaming Operation. Nothing in this subsection shall preclude the Tribes from invoking the dispute resolution procedures provided in this Compact after the Commission implements the State's recommendation.

- b. The parties shall confer within five (5) days after the Tribal Gaming Commission receives the notice.
- c. If the State's concern is not resolved informally within ten (10) days after the Tribal Gaming Commission receives the notice, the State or the Tribes may initiate an action in the United States District Court for the District of Oregon as provided in § 16 of this Compact.
- d. An immediate threat to the honesty, integrity, fairness and security of the Tribal Gaming Operations includes but is not limited to the following examples:

 - (6) A continuing pattern of failure by the Tribes, the Tribal Gaming Commission or management of the

Tribal Gaming Operation to enforce compliance with the provisions of this Compact, or the regulations and internal controls governing the gaming operation.

6. For purposes of this § 6(B), the State shall act through the Oregon State Police, or an official designated in the manner provided in § 14 of this Compact.
- C. The provisions of this section shall provide the preferred method for resolving disputes between the Tribes and the State as to the Tribes' decisions concerning hiring or contracting under § 7 of this Compact, or concerning operation of the Gaming Facility.

5. a. Except as provided in § 7(A)(6) of this Compact, the Tribal Gaming Commission shall deny a gaming license to any High Security Employee or Primary Management Official who:
- (1) Has, within the ten-year period preceding the date of application for a license, committed a felony other than a traffic offense, whether or not

conviction of such a felony has been expunged, under the law of any federal, state or tribal jurisdiction, or is the subject of a civil judgment under the law of any federal, state or tribal jurisdiction that is based on facts that constitute the elements of a felony other than a traffic offense, in that jurisdiction.

- (5) Has been subject to convictions or judicial findings of offenses, other than a traffic offense, that demonstrates a pattern of disregard for the law, or if the Tribal Gaming Commission or the Oregon State Police determines that it has reasonably reliable information that the applicant has engaged in conduct that demonstrates a pattern of disregard for the law.

- b. The Tribes shall deny a gaming license to any prospective High Security Employee or Primary Management Official if:

- (1) The applicant fails to disclose any material fact to the Tribal Gaming Commission or the State or its authorized agents during a background or security investigation; or
- (2) The applicant misstates or falsifies a material fact to the Tribal Gaming Commission or the State during a background or security investigation.

c. The Tribal Gaming Commission may deny a gaming license to any prospective High Security Employee or Primary Management Official for any reason the Tribal Gaming Commission deems sufficient. Such decisions to grant or deny a gaming license shall be consistent with the principles set forth in § 6(A) of this Compact. In determining whether to deny a gaming license to any prospective High Security Employee or Primary Management Official, the factors to be considered by the Tribal Gaming Commission shall include, but need not be limited to, the following:

- (1) The applicant has been convicted of any crime (other than a crime listed in § 7(A)(5)(a)) in any jurisdiction; or
- (2) The applicant has associated with persons or businesses of known criminal background, or persons of disreputable character, that may adversely affect the general credibility, honesty, integrity, security, fairness or reputation of the Tribal Gaming Operation; or

d. The Tribal Gaming Commission shall deny a gaming license to any prospective Low Security Employee who has committed a crime described in § 7(A)(5)(a)(1) or (2). The Tribal Gaming Commission may deny a gaming license to any Low Security Employee applicant who does not meet the criteria established in the remainder of this § 7(A)(5). Decisions to grant or deny a gaming license shall be consistent with the principles set forth in § 6(A) of this Compact.

- e. The Tribal Gaming Commission may reject an application if the applicant has not provided all of the information requested in the application.
- f. Denial of a gaming license by the Tribal Gaming Commission is final.
- g. No Primary Management Official or High Security Employee may receive a gaming license by the Tribal Gaming Commission until all background checks required under § 7(A)(4) of this Compact are completed.

6. Waiver of Disqualifying Criteria.

- a. If a prospective Primary Management Official, High Security Employee or Low Security Employee is disqualified for licensing under the provisions of § 7(A)(5) above, and the Tribal Gaming Commission believes that there are mitigating circumstances that justify waiver of the disqualifying factor, the Tribal Gaming Commission may give written notice to the Oregon State Police asking to meet and confer concerning waiver of the disqualification. The Tribal Gaming Commission and the State shall meet within fifteen (15) days after written notice is given.
- b. In order to waive disqualification of licensing of any prospective Primary Management Official, High Security Employee or Low Security Employee, both the Tribal Gaming Commission and the Oregon State Police must agree on the waiver.
- c. Waiver of disqualification of licensing may be based on one or more of the following circumstances:
 - (1) Passage of time since conviction of a crime;
 - (2) The applicant's age at the time of conviction;
 - (3) The severity of the offense committed;
 - (4) The overall criminal record of the applicant;

 - d. The Oregon State Police and the Tribal Gaming Commission may agree to a waiver subject to conditions, such as a probationary period, restrictions on duties, or specific kinds of supervision.
- 7. Background investigation during employment. The Tribal Gaming Commission or the State may conduct additional background investigations of any Class III gaming employee at any time during the term of employment. If, after investigation, the Oregon State Police determine there is cause for the revocation of the license of any employee under the criteria established in § 7(A)(5), it shall promptly so report to the Tribal Gaming Commission and furnish the Tribal Gaming Commission with copies of all relevant information pertaining to such determination. The Tribal Gaming Commission shall review the State's report and supporting materials and if the report establishes that good cause for revocation is shown under the criteria established in § 7(A)(5), the license shall be revoked.
- 8. Temporary licensing of employees.
 - a. The Tribal Gaming Commission may issue a temporary license to High Security Employees ten (10) working days after submission of the application to the Oregon State Police or upon completion of a review of the employee's application, a computerized criminal history check and credit check by the Tribal Gaming Commission, if the applicant would not be disqualified on the basis of the results of the review and checks. The temporary license shall expire and become void upon completion of the background check and submission of the results to the Tribal Gaming Commission. If the employee does not qualify for a gaming license, the Tribal Gaming Commission shall immediately revoke the temporary license and deny a permanent license.
 - b. The Tribal Gaming Commission may issue a temporary license to a Low Security Employee upon completion of a review of the employee's application and completion of a computerized criminal history check and credit check by

the Tribal Gaming Commission, if the applicant would not be disqualified on the basis of the results of the review and checks. Any Low Security Employee shall be subject to immediate termination if the Oregon State Police or the Tribal Gaming Commission determines that the employee does not meet the criteria established in § 7(A)(5)(d).

- c.  - d. No temporary license may be granted under this subsection to a Primary Management Official or to a consultant performing or consulting on Primary Management Official functions or duties.
9. Duration of license and renewal. Any employee license shall be effective for not more than three (3) years from the date of issue except that a licensed employee who has applied for renewal may continue to be employed under the expired license until final action is taken on the renewal application in accordance with the provisions of § 7(A)(2)-(5) above. Applicants for renewal shall provide updated information to the Tribal Gaming Commission on a form provided by the Tribal Gaming Commission and approved by the Oregon State Police. The Oregon State Police may perform a new background investigation for any employee whose license is renewed.
10. Revocation of license. The Tribal Gaming Commission may revoke the license of any employee pursuant to policies determined by the Tribal Gaming Commission. The Tribal Gaming Commission shall revoke the license of any employee upon determination that the employee does not meet the criteria described in § 7(A)(5) above.
11. The Gaming Operation shall maintain a procedural manual for employees that includes rules and regulations of conduct and disciplinary standards for breach of procedures.
12. The Tribal Gaming Commission agrees to provide to the Oregon State Police, on a monthly basis, a list of all current employees of the Gaming Facility and to give notice to the Oregon State Police of any disciplinary action related to the fairness, integrity, security

or honesty of the gaming operation, or termination of an employee, and any suspension or revocation of an employee's gaming license.

B. Contracts with Manufacturers and Suppliers.

- b. The Tribal Gaming Commission shall submit any proposed Major Procurement to the State for review, comment and a background investigation of the proposed Class III Gaming Contractor.
- c. Except as provided in § 7(B)(3) below, the Oregon State Police shall conduct a background investigation and provide a written report to the Tribal Gaming Commission within a reasonable period of time, but in no event shall the time for completion of such background investigations exceed sixty (60) days after the Oregon State Police receives from the proposed Class III Gaming Contractor both the Oregon State Police's fee for the background investigation under § 7(C) of this Compact, and full disclosure of all information requested by the Tribal Gaming Commission and the Oregon State Police under § 7(B)(4) of this Compact, without written notice to and consent by the Tribes.
- d. If the Tribal Gaming Commission requests, the Oregon State Police agrees to make its best efforts to complete a background investigation within less than sixty (60) days. The Tribal Gaming Commission and the Oregon State Police may also agree that if business necessity or the protection of the honesty, integrity, fairness and security require it, the State may perform an abbreviated review to enable the Tribes to execute a temporary contract while a complete background investigation is being performed. Any temporary contract executed under authority of this subsection, shall be rescinded immediately if the complete background investigation discloses that the Class III Gaming Contractor does not meet the criteria described in § 7(B)(6).

2. Sensitive Procurements.
 - a. After a proposed Class III Gaming Contractor has made full disclosure of all information requested by the Tribal Gaming Commission and the Oregon State Police under § 7(B)(4), and paid any necessary investigation fee required by the Oregon State Police, the Tribes may execute or consummate a contract for a Sensitive Procurement before a background investigation has been completed by the Oregon State Police on the proposed Class III Gaming Contractor.
 - b. The Tribal Gaming Commission shall submit a proposed contract for a Sensitive Procurement, or if there is no written contract, a letter of intent to do business with the proposed Class III Gaming Contractor, or a confirming memorandum from the Tribal Gaming Commission representing that an oral contract is proposed, to the Oregon State Police for a background investigation of the proposed Class III Gaming Contractor before execution of the contract.
 - c. The Oregon State Police shall conduct a background investigation, if the Oregon State Police considers it necessary, and provide a written report to the Tribal Gaming Commission. If the Class III Gaming Contractor does not meet the criteria described in § 7(B)(6) for approval of a contract, the contract shall be terminated and the Tribes agrees to discontinue doing business with the contractor so long as the contractor fails to meet the criteria for approval.
3. The Oregon State Police agrees to maintain a list of Class III Gaming Contractors that have been previously approved to do business in Oregon with any Tribal Gaming Operation. If a Class III Gaming Contractor has been included in the list, the Tribes may execute or consummate a contract with the Class III Gaming Contractor for a Sensitive Procurement upon giving notice of the contract to the Oregon State Police. If a Class III Gaming Contractor has been included in the list for Major Procurements, the Oregon State Police shall complete any necessary background investigation required under § 7(B)(1) within thirty (30) days after any fees have been paid and full disclosure has been made to the Oregon State Police by the contractor.

4. Class III Gaming Contractors, and any Owner or Key Employee of a Class III Gaming Contractor, shall provide all personal and business information required by the Oregon State Police to conduct its background investigation, before executing a contract or beginning to do business with the Tribes.
5. The Tribes shall not consummate any Class III Gaming Contract with a Class III Gaming Contractor that does not grant both the Oregon State Police and the Tribal Gaming Commission access to such Class III Gaming Contractor's business and financial records upon request.
6. Criteria for Contract Denial or Termination.

 - (3) A civil judgment against the Class III Gaming Contractor or any Owner or Key Employee of the Class III Gaming Contractor, based in whole or in part upon conduct that would constitute a gambling offense, or a civil judgment entered within the ten year period preceding the date of the proposed Class III Gaming Contract against the Class III Gaming Contractor or any Owner or Key Employee of the Class III Gaming Contractor, based in whole or in part upon conduct that would constitute a felony other than a traffic offense;

- (4) A failure by the Class III Gaming Contractor to disclose any material fact to the Oregon State Police or the Tribal Gaming Commission or their authorized agents during initial or subsequent background or security investigations;
 - (5) A misstatement or untrue statement of material fact made by the Class III Gaming Contractor to the Oregon State Police or the Tribal Gaming Commission or their authorized agents during initial or subsequent background or security investigations as determined by the Tribal Gaming Commission or the Oregon State Police;

 - (7) Any aspect of the Class III Gaming Contractor's past conduct that the Tribal Gaming Commission or the Oregon State Police determines would adversely affect the integrity, security, honesty or fairness of the Gaming Facility;
 - (8) The Class III Gaming Contractor has engaged in a business transaction with a Tribe that involved providing gaming devices for Class III gaming conducted by a Tribe without a tribal-state Class III gaming compact in violation of IGRA; or
 - (9) A prospective Class III Gaming Contractor fails to provide any information requested by the Tribal Gaming Commission or the Oregon State Police for the purpose of making any determination required by this § 7(B).
- b. The Tribal Gaming Commission may choose not to approve any Class III Gaming Contract for any reason the Commission deems sufficient.

 - (2) A prospective Class III Gaming Contractor demonstrates inadequate financing for the business anticipated under the proposed Class III Gaming Contract. In determining whether financing is adequate, the Tribal Gaming Commission shall consider whether financing is from a source that meets the qualifications § 7(A)(5) or (B)(6) and whether that financing is in an amount to ensure the likelihood of success in the performance of the contractor's duties and responsibilities; or
 - (3) A prospective Class III Gaming Contractor or its employees fail to demonstrate business ability and experience to establish, operate and maintain the business of the type of Class III Gaming Contract proposed.
- d. No Class III Gaming Contractor shall own, manufacture, possess, operate, own an interest in, or gain income or reimbursement in any manner from gaming activities or gaming devices in any jurisdiction unless the activities or devices are approved and certified by another state or tribal lottery, gambling or gaming control agency, or the National Indian Gaming Commission, and such ownership, manufacture, possession, operation, or income is disclosed to and approved by the Tribal Gaming Commission and the Oregon State Police.
- e. Notwithstanding § 7(B)(6)(a), if a prospective Class III Gaming Contract may not be consummated because of the requirements of this § 7(B), because a person previously associated with the Class III Gaming Contractor or an employee of the Class III Gaming Contractor has been convicted of a crime or a civil judgment has been entered against the Class III Gaming Contractor or its employee

within the ten year period preceding the date of the proposed Class III Gaming Contract, based in whole or in part upon conduct that allegedly constitutes a felony other than a traffic offense, the Tribes may enter into the proposed Class III Gaming Contract if the Class III Gaming Contractor has severed its relationship with the convicted or liable person or employee. Before the Tribes may enter into a Class III Gaming Contract under this subsection, the Oregon State Police and the Tribal Gaming Commission must agree that the relationship between the Class III Gaming Contractor and the convicted or liable person or employee has been severed. For purposes of this subsection, a relationship is severed if the convicted or liable person or employee has no continuing connection with the direction or control of any aspect of the business of the Class III Gaming Contractor, and the convicted or liable person or employee is no longer employed by the Class III Gaming Contractor in any capacity. The Class III Gaming Contractor shall bear the burden of showing to the satisfaction of the Tribal Gaming Commission and the Oregon State Police that a relationship has been severed.

If the applicant refuses to prepay the cost of a background investigation, the State shall notify the Tribal Gaming Commission and the Tribal Gaming Commission may choose to pay the investigation cost or withdraw its request for the investigation.

D. Access to Contracts.

1. If the Primary Management Official is a corporation or other form of organization, the Primary Management Official shall provide the State at all times with a current copy of any management agreement with the Tribes that allows it to conduct Class III gaming on the Tribal trust land.
2. If the Primary Management Official is a corporation or other form of organization, the Primary Management Official shall furnish to the State complete information pertaining to any transfer of controlling interest in the management company at least thirty (30) days before such change; or, if the Primary Management Official is not a party to the transaction effecting such change of ownership or interests, immediately upon acquiring knowledge of such change or any contemplated change.
3. In order to assure the honesty, integrity, fairness and security of the Tribes' Class III gaming activities, the Tribal Gaming Commission agrees to make available for inspection to the Oregon State Police, upon request, a list of all non-gaming contractors, suppliers and vendors doing business with the Gaming Facility and to give the Oregon State Police access to copies of all non-gaming contracts, provided however, that the Oregon State Police shall make a written request for such information.

Employees assigned to covert compliance duties shall only be required to have on their person an identification badge. OSP employees shall not be required to wear identification badges.

- C. No credit extended. All gaming shall be conducted on a cash basis. Except as provided herein, no person shall be extended credit for gaming nor shall the Tribes permit any person or organization to offer such credit for a fee. Cashing checks for purposes of Class III gaming in the Class III gaming area constitutes extending credit under this subsection. This restriction shall not apply to credits won by players who activate play on video games of chance after inserting coins or currency into the games. This section shall not restrict the right of the Tribes or any other person to install and accept bank card or credit card transactions in the same manner as is permitted at any retail business in the State.

Employees under age twenty-one (21) whose non-gaming duties require their presence on the gaming floor may be present on the gaming floor. Notwithstanding the requirements of this subsection, the Tribes may employ any Indian employees eighteen (18) years of age and older who are required to perform gaming duties as part of their employment; provided, if the Tribes offers alcohol on the Class III gaming floor, employees whose gaming duties require presence on the gaming floor shall be at least twenty-one (21) years of age.

The Tribes and the State shall enter into a Memorandum of Understanding that will establish which State laws and Oregon Liquor Control Commission licensing regulations shall apply to the sale or service of alcoholic beverages at the Gaming Facility.

During the term of this Compact, the Tribes shall maintain public liability insurance with limits of not less than \$250,000 for one person and \$2,000,000 for any one occurrence for any bodily injury or property damage. The Tribes' insurance policy shall have an endorsement providing that the insurer may not invoke tribal sovereign immunity up to the limits of the policy in state, federal or tribal court, including when the Tribes or a Tribal entity is the

named defendant. The policy shall provide that the State, OSP, their divisions, officers and employees are additional insureds, but only with respect to the Tribes' activities under this Compact, provided that the Tribes shall not be liable for any claim or cause of action for injury or damages caused by the errors or omissions of the State, OSP, or their divisions, officers and employees. The Tribes shall indemnify, defend and hold harmless the State, its officers, directors, employees and agents from and against any claims, damages, losses or expenses asserted against or suffered or incurred by the State or its officers, directors, employees and agents (except as may be the result of their own negligence) based upon or arising out of any bodily injury or property damage resulting or claimed to result in whole or in part from any act or omission of the Tribes relating to the inspection of any gaming or gaming related facility pursuant to this Compact.

4. Investigations and Sanctions. The Tribal Gaming Commission shall investigate any reported violation of the Compact provisions and shall require the Tribal Gaming Operation to correct the violation upon such terms and conditions as the Tribal Gaming Commission determines to be necessary. The Tribal Gaming Commission shall be empowered by the Tribal Gaming Code to impose fines and other sanctions within the jurisdiction of the Tribes against the gaming operation, a gaming employee, or any other person directly or indirectly involved in, or benefiting from, the gaming operation.
5. Reporting to State. The Tribal Gaming Commission shall forward copies of all completed investigation reports and final dispositions to the Oregon State Police on a regular continuing basis. In cases where an investigation lasts longer than forty-five (45) calendar days, the Tribal Gaming Commission shall notify the Oregon State Police at the expiration of the forty-five (45) days and every thirty (30) days thereafter in writing as to the status of the investigation, why the matter is taking longer than forty-five (45) days, and the anticipated completion date of the investigation. If requested by the Tribal Gaming Commission, the State shall assist in any investigation initiated by the Tribal Gaming Commission, and provide other requested services to ensure proper compliance with the provisions of this Compact, Tribal Gaming Code and regulations or applicable laws of the State.

B. State Enforcement of Compact Provisions.

1. Monitoring. The State is authorized hereby to independently monitor the Tribal Gaming Operation in the manner the State considers necessary to ensure that the operation is conducted in compliance with the provisions of this Compact. The State shall have free and unrestricted access to all areas of the Gaming Facility during normal operating hours without giving prior notice to the Tribal Gaming Commission. At the Tribes' option, it may designate a Tribal Gaming Agent or other Tribal law enforcement official to accompany the State official monitoring the Tribal Gaming Operation. Such designation by the Tribes shall not delay, inhibit, or deprive the State of such access. The Tribes agrees that the State monitoring function includes, at a minimum, the activities identified in this Compact, any amendments and memoranda of understanding entered into pursuant to this Compact, and that the actual, reasonable and necessary cost of monitoring activities shall be assessed to the Tribes as provided in § 10 of this Compact. In addition to the State's regular monitoring functions, the Tribes

agrees that the State may conduct the following activities, the cost of which shall also be assessed to the Tribes as provided in § 10:

- a. An annual comprehensive compact compliance review, which shall be planned and conducted jointly with the Tribal Gaming Commission, of the Tribal Gaming Operation to verify compliance with the requirements of this Compact and with the regulations and internal controls adopted by the Tribal Gaming Commission and applicable federal regulations, including at a minimum, a review in the following areas: administrative controls (internal controls), gaming operations controls, drop boxes, station inventories, surveillance department controls, cashier cage controls, count room controls (security and surveillance), accounting department controls (security), general controls (Compact regulatory requirements), blackjack controls, VLT controls, Class III accounts payable, employee identification, gaming chip inventory for gaming floor and cage, physical examination of all class III gaming cards, chips, e-proms, paper stock, printers, keno balls, fill slips, video gaming devices, keno controls, off-track betting and security department controls;
- b. Periodic review of any part of the Tribal Gaming Operation in order to verify compliance with the requirements of this Compact and with the regulations and Minimum Internal Control Standards;
- c. Investigation of possible violations of this Compact or other gaming regulatory matters, whether discovered during the action, review, or inspection by the State during its monitoring activities, or otherwise;
- d. Investigation of possible criminal law violations that involve the conduct of the Tribal Gaming Operation whether discovered during the action, review, or inspection by the State during its monitoring activities, or otherwise;
- e. Periodic review of any contracts between the Tribes and suppliers, vendors or contractors that provide non-gaming goods or services to the Gaming Facility. The Oregon State Police will report any concerns about a particular supplier, contractor or vendor to the Tribal Gaming Commission before taking any action.

2. The parties agree that if any Class III gaming activities are conducted or intermingled within the Tribes' Gaming Facility in such a way that they are inseparable from Class II gaming activities, such as surveillance of both Class II and Class III gaming operations by a single surveillance department or use of the same equipment in both operations, and the intermingling prevents the State from fulfilling its responsibilities under this Compact without reviewing or overseeing the Class II activities, the Oregon State Police shall have full access to both for purposes of carrying out the duties of the Oregon State Police with respect to Class III gaming under this Compact.

3. Access to Records. The State is authorized hereby to review and copy, during normal business hours, and upon reasonable notice, any and all Tribal records pertaining to the operation, management, or regulation of Class III Gaming by the Tribes, including all Class III gaming-related contracts, whether those records are prepared or maintained by the Tribes, the Tribal Gaming Commission or the Tribal Gaming Operation. The Tribes agrees to require applicants for a tribal gaming license to consent to disclosure to the State of relevant Tribal records.
 - a. The Tribes acknowledges that any records created by or maintained by the State, including any records created or maintained in connection with the performance of the State's duties and functions under this Compact, belong to the State and are fully subject to the State Public Records Law, ORS 192.410 to 192.505. Any information concerning the Tribes' Class III gaming operation that is contained in state records may be subject to disclosure under ORS 192.410 to 192.505, unless the State would be permitted to withhold that information from disclosure under ORS 192.410 to 192.505. Examples of the kind of information that may be withheld from disclosure by the State under appropriate circumstances include:
 - (1) "Trade secrets" as defined in ORS 192.501(2);
 - (2) Investigatory information compiled for criminal law purposes as described in ORS 192.501(3);
 - (3) Information submitted in confidence, as provided in ORS 192.502(3), which could include, for example, information contained in state records which would reveal information about the operation of any Class III game or which would reveal information

about the workings of the Gaming Operation that could reasonably assist a person in the conduct of activity that could adversely affect the fairness, integrity, security or honesty of the Class III gaming activities; or

- (4) Any information the disclosure of which is specifically prohibited by state or federal law.

- b. Applications submitted to and retained by the Oregon State Police for Class III gaming licenses are State records and may be subject to disclosure under ORS 192.410 to 192.505 unless the State would be permitted to withhold that information from disclosure under ORS 192.410 to 192.505.

- c. Information about the Tribes' Class III gaming activities, whether obtained from the Tribes or from any other source, that is included in a document prepared, owned, used or retained by the State in connection with its duties and functions under this Compact may be subject to disclosure under ORS 192.410 to 192.505 unless the State would be permitted to withhold that information from disclosure under ORS 192.410 to 192.505 or as otherwise provided by this Compact.

- d. The Tribes has agreed to allow the Oregon State Police access to sensitive financial, security and surveillance information that the Tribes considers confidential. The State acknowledges that the Tribes has voluntarily given the State access to this information and that the Tribes would not otherwise be required by law to do so. The State acknowledges that this information should reasonably be considered confidential. To the extent such information is included in any State records that are subject to disclosure, the State hereby obliges itself not to disclose this information when the public interest, including the public interest in maintaining the honesty, integrity, fairness and security of the Tribes' Class III gaming activities, would suffer by such disclosure.

- e. The State agrees to notify the Tribes promptly of any request for disclosure of documents containing information about the Tribes' Class III gaming activities. If the State decides to release any documents that contain information about the Tribes' Class III gaming activities, the State will

notify the Tribes at least five (5) working days before any disclosure is made.

- f. Any dispute as to the disclosure of documents under this subsection shall be brought in the Oregon state courts.
- g. Nothing in this subsection precludes the State or the Tribes from disclosing information pursuant to state, tribal or federal rules of civil procedure or evidence in connection with litigation, a prosecution or criminal investigation, subject to any defenses either party may assert.

- 4. Investigation Reports. After completion of any inspection or investigation report, the State shall provide a copy of the report to the Tribal Gaming Commission.

SECTION 10. TRIBAL PAYMENT OF COSTS FOR OVERSIGHT; CONTRIBUTION FOR PUBLIC BENEFIT

A. Assessment for State Regulatory and Law Enforcement Costs.

- 1. The Tribes agrees that it has the responsibility to pay for its fair share of costs for the monitoring, law enforcement, annual compliance review and vendor and employee license background investigations authorized pursuant to this Compact. The Tribes agrees to pay its fair share of the Oregon State Police costs pursuant to the formula set forth in this section.
- 2. To give the Oregon Gaming Tribes an opportunity for review and comment, the Oregon State Police shall distribute a draft of the Tribal Gaming Section portion of the budget to the Oregon Gaming Tribes prior to submission of the budget to either the Governor or the Legislature. The Oregon State Police shall give full consideration to the Oregon Gaming Tribes' comments on the Tribal Gaming Section budget. Notwithstanding the right of the Oregon Gaming Tribes to comment on the Tribal Gaming Section budget, each tribe retains the right to participate in any public review by either the Governor or the Legislature on the Oregon State Police budget as well as before the Emergency Board for any increase in the Oregon State Police budget.
- 3. Because of the government-to-government relationship between the Tribes and the State, the parties recognize that the obligation of the Tribes to pay for the Oregon State Police costs as provided by this Compact is unique. Nothing in this Compact is intended to,

nor shall be construed as, creating a responsibility for the Tribes to pay for any other governmental services rendered by or received from the State.

4. The Tribes' monthly payment to the Oregon State Police shall be computed as follows:

a. The biennium budget for the Tribal Gaming Section shall be divided by twenty-four (24) to determine the total monthly payment that must be made by the Oregon Gaming Tribes to the Oregon State Police for Compact related activities. This payment shall be referred to as the "OSP Monthly Payment."

b. Amounts received by the Oregon State Police from Class III Gaming Contractor license applicants, or any other gaming vendor license applicant, and from the payment for the assignment of Tribal Gaming Section officers to non-tribal gaming duties, shall reduce the OSP Monthly Payment owed by the Oregon Gaming Tribes which reduced sum shall be referred to as the "adjusted OSP Monthly Payment." The reduction in the OSP Monthly Payment owed by the Oregon Gaming Tribes shall occur in the month the Oregon State Police receives such payments from third party sources.

c. The Tribes' monthly payment to the Oregon State Police shall be computed as follows:

No. of direct Service Hours billed to Coos Tribal Gaming Operations	X	Adjusted OSP Monthly = Payment	Tribes' Share of OSP Monthly Payment
Total No. of Direct Service Hours Billed to All Oregon Tribal Gaming Operations.			

d. Every six months, or biennium quarter, the Oregon State Police shall reconcile the total payments received from the Oregon Gaming Tribes and third-party sources during the six-month period. The total of these payments should equal one-fourth of the Oregon State Police/Tribal Gaming Section biennium budget. Any underpayment or overpayment shall adjust the amount owed by the Oregon Gaming Tribes the month following the reconciliation.

5. As used in this section
- a. “Oregon Gaming Tribes” means the federally recognized Indian Tribes in Oregon engaged in Class III gaming pursuant to a Tribal-State Compact.
 - b. “Direct Service Hours” means the actual time spent by Oregon State Police personnel in performing employee background checks, performing background checks on Class III Gaming Contractors or other gaming vendors (unless paid by the Class III Gaming Contractor or other gaming vendor), performing Compact monitoring functions (including the annual comprehensive compact compliance review), conducting an investigation, and traveling to and from the Gaming facility or the site of a Class III Gaming Contractor background investigation, for a particular Tribal Gaming Operation. The Oregon State Police shall keep direct service hour billing records setting forth the date work is performed, a brief description of the work performed and the amount of time spent.

- B. If the Tribal Gaming Commission disputes the amount of the assessment under this section, the Tribal Gaming Commission shall timely pay the undisputed amount and within thirty (30) days of billing shall notify OSP in writing of the specific nature of the dispute. If the parties have not resolved the dispute within fifteen (15) days, the Tribal Gaming Commission shall pay the disputed amount into an off-reservation escrow, mutually agreeable to the parties, with escrow instructions providing that the funds are to be released only upon authorization by both the Tribal Gaming Commission and the Oregon State Police. The parties shall share the reasonable costs of the escrow. The dispute shall then be resolved pursuant to the procedures set forth in § 6(B)(3) and (4) of this Compact.

If the Tribal Gaming Commission fails to timely pay the disputed amount into escrow or timely pay the undisputed amount, the Oregon State Police may suspend any background checks that are in process or withhold authorization for the shipment of equipment, and/or pursue other remedies for Compact violations available under this Compact or IGRA.

C. Creation and Maintenance of Community Benefit Fund.

1. Joint Recognitions.
- a. The Tribes and the State recognize that there may be both positive and negative impacts or the perception of negative

impacts to the local community as a result of the Tribes' gaming operation, some of which may be difficult or impossible to quantify.

- b. The Tribes and the State recognize that a formal process for collaborative decision-making regarding contributions to charitable causes fosters the goals of both governments to improve the general welfare of the community and is a way to ameliorate negative impacts, if any, from the Tribal Gaming Operation.
 - c. The Tribes and the State recognize that a formal community benefit fund allows specific benefits from this Compact to be identified by the community at large as stemming from the gaming operations conducted pursuant to this Compact.
2. Establishment of Fund. The Tribes agrees to establish a Fund, which it shall name, within ninety (90) days of engaging in any of the games listed in § 4(B)(1)(d)-(k) or (2) ("new games"). Beginning in the first calendar quarter after the Tribes implements any of the new games described in § 4(B) of this Compact, the Tribes will contribute to the Fund, an amount calculated as provided in § 10(C)(5) below. The Tribes, in its discretion, may choose to make its contributions quarterly or annually.
3. Fund Administration.
- a. The assets of the Fund shall be expended for the benefit of the public primarily within Coos, Curry, Lane, Douglas and Lincoln Counties and secondarily elsewhere within the State of Oregon. Grants from the Fund may be made to charitable organizations in the above counties, or to local government bodies within the county or counties within whose boundaries the Tribes' reservation is located for any of the following purposes: education; health; public safety; gambling addiction prevention, education and treatment; the arts; the environment; cultural activities; historic preservation and such other charitable purposes as may be provided in the by-laws of the Fund.
 - b. The Fund will be administered by a board of eight (8) trustees. Each trustee shall have an equal vote on actions of the board.

- c. The trustees of the Fund shall establish by-laws governing the conduct and discharge of their responsibilities not inconsistent with the terms of this subsection.
- d. The Tribes shall submit proposals for grants from the Fund to the trustees, who shall make the final determination of the proposals to be funded in accordance with the by-laws. Grants shall be made on the basis of merit. The trustees may reserve a portion of the Fund in a single year to fund a multi-year grant or grants.

4. Qualifications, Term and Selection of Trustees.

- a. The membership of the board of trustees shall be:
 - (1) Three (3) members of the Tribal Council of the Confederated Tribes of Coos, Lower Umpqua and Siuslaw Indians, appointed by the Tribal Council;
 - (2) One (1) representative of the Tribal Gaming Operation, appointed by the Tribal Council;
 - (3) Three (3) members from the public at large, who are not affiliated with the Tribes, appointed by the Tribes from a list of candidates nominated by the Tribal Council in consultation with the Governor.
 - (4) One (1) member of the public at large, appointed by the Governor of the State.
- b. Except for the initial board, trustees shall serve two-year terms and may be removed before the end of their terms only for causes by the appointing authority. The following members of the initial board shall serve one year terms: one of the three members appointed by the Tribal Council pursuant to § 10(C)(4)(a)(1), one of the three members from the public at large appointed pursuant to § 10(C)(4)(a)(3), and the member of the public at large appointed pursuant to § 10(C)(4)(a)(4). Trustees may be reappointed. Vacancies on the board of trustees shall be filled within thirty (30) days by the appropriate appointing authority. Any trustee whose term has expired shall continue to serve until a successor has been appointed.

5. Calculation of Fund Contribution. The Tribes' annual contribution to the Fund shall be based upon the Gaming Facility Net Income as

shown in the audited financial statement of the Gaming Facility for the calendar year ending before the contribution is made. The contribution shall be calculated as follows:

- a. The Tribes' annual charitable contribution amount will be calculated by multiplying the Gaming Facility Net Income for each calendar year by six percent (6%). However, that amount shall be calculated initially as follows:
 - (1) two percent (2%) for each of the first two (2) years of the Fund's operation, and
 - (2) four percent (4%) for each of the next two (2) years of the Fund's operation.
 - b. For purposes of determining the Gaming Facility Net Income from Class III gaming as described in § 10(C)(5)(a) above, the Tribal Gaming Operation will obtain an unqualified audit opinion that the financial statement fairly reflects the Gaming Facility's financial position from an independent public accounting firm. The firm must have recent casino experience with at least one other casino, must have at least one client with revenues in excess of \$50,000,000, and must have received an unqualified report on its most recent peer review.
 - c. The determination of the Gaming Facility Net Income is subject to review by the State at its own expense. For purposes of this § 10(C)(5), the State may act through the Oregon State Police or through an official designated as provided in § 14 of this Compact. In the event the Gaming Operation has a qualified audit opinion, the State and the Tribes will confer on the materiality of the qualification.
 - d. Funds identified for charitable contribution under this section will be deposited in a segregated account or accounts. Any and all interest earned on such funds or increase in assets of the fund will be allocated to future charitable contributions as set out in this section.
6. Termination or Modification of Fund Contributions. The Tribes' contributions to the community benefit fund, established as described in § 10(C), may be discontinued if the Oregon Constitution is amended to remove the prohibition of casinos in the State. The Tribes and the State agree that if the Tribes are prohibited for any reason from offering blackjack or any of the

Class III games listed in § 4(B)(1) or (2) of this Compact, the parties shall enter into negotiations to establish how the community benefit fund contribution provided for in this subsection shall be adjusted to reflect the impact of the discontinuation of those games on the Tribal Gaming Operations Net Income.

7. Annual Fund Report. The Tribes shall provide a report to the Governor and the Oregon State Police detailing the amount contributed to the Fund for the calendar year, the grantees of the Fund and amounts of the grants. The Tribes shall provide the report within ninety (90) days of the end of the calendar year.

The State may at its discretion and expense perform an audit of the calculation of the contribution to the Fund.

SECTION 11. APPLICATION OF STATE REGULATORY STANDARDS

A. Health, Safety and Environmental Standards.

1. The Tribes agrees to adopt, and the Tribal Gaming Commission shall enforce, ordinances and regulations governing health, safety and environmental standards applicable to the Gaming Facility that are at least as rigorous as comparable standards imposed by the laws and regulations of the State. The Tribes agrees to cooperate with any State or local agency generally responsible for enforcement of such health, safety and environmental standards outside Indian lands in order to assure compliance with such standards within the Gaming Facility. However, the Tribes shall have the exclusive regulatory jurisdiction over the enforcement of health, safety and environmental standards applicable to the Gaming Facility. The Tribes shall use its regulatory jurisdiction to assure that health, safety and environmental standards are met and maintained. Tribal ordinances and regulations governing water discharges from the Gaming Facility shall be at least as rigorous as standards generally imposed by the laws and regulations of the State relating to public facilities; provided, however, that to the extent that federal water discharge standards specifically applicable to the Gaming Facility would preempt such State standards, then such federal standards shall govern.
2. Upon request by the State, the Tribal Gaming Commission agrees to provide evidence satisfactory to the State that any new construction, renovation or alteration of the Gaming Facility performed after the effective date of this Compact satisfies applicable Tribal health, safety and environmental standards. The

Tribal Gaming Commission can demonstrate that it has satisfied this section by providing a certificate or other evidence of compliance from the appropriate state, local or tribal official responsible for enforcement of comparable state standards.

3. As used in this subsection, “health, safety and environmental standards” include but are not limited to structural standards, fire and life safety standards, water quality and discharge standards, food handling standards, and any other standards that are generally applicable under state or federal law to a non-Tribal facility that is open to the public for purposes of protecting the public within the facility. “Health, safety and environmental standards” do not include land use regulations or zoning laws.
4. After the State has notified the Tribal Gaming Commission, the State may have state or local inspectors verify compliance with this subsection. If the State asserts that the Tribes is in breach of this subsection, and that the breach creates an immediate and substantial threat to the health or safety of the patrons or employees of the Gaming Facility, the Tribes agrees to take such steps as are necessary to protect the public or employees until the breach is remedied. Resolution of any dispute as to what steps are necessary shall be conducted in the same manner as and under the principles and procedures established for resolution of operating disputes in § 6 of this Compact.

B. Transportation Issues.

1. The Tribes shall provide a traffic impact study, prepared by a qualified traffic engineer registered in the State of Oregon. The study shall evaluate the effect of the proposed Gaming Facility, and any related development proposed by the Tribes as part of the same site, on the state highway system and any city street or county road that may be used by customers as access to the Gaming Facility. The traffic impact study shall determine the impacts of the proposed Gaming Facility and related development on the level of service of the affected highway(s), road(s) or street(s).
2. A determination whether the Gaming Facility shall be served directly by a state highway or by a city street or county road shall be made by the State and appropriate local officials in consultation with the Tribes on a consistent basis with other proposed developments.

- a. If the Gaming Facility is to be served directly by a state highway, the Tribes shall apply for and obtain a road approach permit under Oregon Administrative Rules, Chapter 734, Division 5, and shall construct the approach and any other necessary improvements in accordance with that permit. A road approach permit shall not be denied because of the proposed use of the Tribes' land. The Tribes shall provide and maintain access from its Gaming Facility onto the highway that is adequate to meet standards of the Oregon Department of Transportation, or shall enter into agreements with the Oregon Department of Transportation for the provision of such access by the State. The allocation of costs shall be as provided in Oregon Administrative Rule 734-051-0270, which provides that the costs of constructing the road approach shall be borne by the permit applicant.
 - b. If the Gaming Facility is to be served directly by a city street or county road, and indirectly by a state highway, the Tribes shall comply with applicable city or county street or road improvement requirements and satisfying any requirements the State imposes on the county or city relating to access to a state highway.
3. If the Tribes plans additional development of the Gaming Facility site, the Tribes shall advise the appropriate state or local transportation planning officials of the planned development by submitting a master plan. In planning street, road or highway improvements, the Tribes, state and local transportation planning officials shall plan for improvements using the master plan. Construction of street, road or highway improvements may be completed in phases if practicable.
4. Traffic improvements shall be those necessary to maintain the level of service of the affected highway(s), road(s) or street(s), and to provide safe access to and from the Gaming Facility. The Tribes shall not be responsible for improvements to affected highways, roads or streets unless the improvements are necessary to correct traffic impacts attributable to the Gaming Facility. For state highways, traffic improvements shall be consistent with the requirements of the State Highway Plan, including improvements necessary to mitigate traffic congestion, and to conform to the Oregon Department of Transportation access management policies. If the Oregon Department of Transportation determines that highway improvements are necessary, the department shall confer

with the Tribes concerning the planning, design and construction of those improvements.

5. The Tribes shall pay the reasonable cost of necessary street, road or highway improvements determined to be necessary on the basis of the traffic impact study and Oregon Department of Transportation requirements. If the Tribes disputes the amount of costs to be paid by the Tribes, the Tribes may initiate the dispute resolution procedure established under § 16 of this Compact.
 6. The Tribes agrees to consult and cooperate with the Oregon Department of Transportation regarding any traffic issues arising out of the Gaming Operation and vehicles that patronize the Gaming Facility. To the extent the Gaming Facility directly contributes to any traffic impacts on surrounding city, county or state roads, the Tribes agrees to fund an appropriate proportion of improvements necessary to mitigate or reduce such impacts.
- C. The Tribes shall report to the Oregon Department of Revenue gambling winnings paid to any person subject to Oregon Personal Income Tax on those winnings whenever the Tribes would be required to report those winnings to the Internal Revenue Service by copy of the form provided the Internal Revenue Service, or other mutually agreeable form. The Tribes agrees that the management of the Gaming Facility will withhold and remit personal income taxes from employee wages to the Oregon Department of Revenue in the manner prescribed by the Department of Revenue.
- D. Public Safety Issues. If local government officials believe that an off-Indian land public safety problem has been created by the existence of the Gaming Facility, the Tribes, or its designated representative, shall agree to meet with the mayor or county commission of the affected government to develop mutually agreeable measures to alleviate the problem. The burden shall be on the local government officials to meet with the Tribes and to demonstrate through credible expert opinion that the public safety problem is directly attributable to the existence of the Gaming Facility. If an off-Indian land public safety problem has been created by the existence of the Gaming Facility, the Tribes shall undertake to perform any mutually agreeable and reasonable measures to alleviate the problem. If the Tribes and local government officials are unable to agree on measures to alleviate the problem, the State may initiate the dispute resolution process established in § 16 of this Compact.

SECTION 12. EFFECTIVE DATE; TERMINATION; AMENDMENTS

- A. Effective Date. This amended Compact shall become effective upon execution by the State and by the Tribes and appropriate federal approval.
- B. Termination. This Compact shall remain in effect until such time as:
1. This Compact is terminated by written agreement of both parties;
 2. The State amends its Constitution or laws to criminally prohibit within the State conduct of all of the Class III gaming authorized by this Compact, whether for profit or not for profit;
 3. A court of competent authority makes a final determination that all of the Class III games authorized by this Compact are criminally prohibited under the law of the State, and the determination has become final and enforceable;
 4. The federal government amends or repeals IGRA so that a Compact is no longer required for the Tribes' exercise of Class III gaming; or
 5. Either party materially breaches this Compact; but only after the dispute resolution process set forth in § 16 of this Compact has been exhausted, and the breach has continued for a period of sixty (60) days after written notice following the conclusion of the dispute resolution process.
- C. Automatic Amendment.
1. If a type of Class III game authorized under § 4 of this Compact is criminally prohibited by an amendment to state statute or Constitution, this Compact shall no longer authorize the Tribes to engage in that type of Class III game, and any provisions in this Compact authorizing such gaming shall be void and of no effect.
 2. If a court decides that a Class III game authorized under this Compact is criminally prohibited, this Compact shall no longer authorize the Tribes to engage in that type of Class III game, and any provisions in this Compact authorizing such gaming shall be void and of no effect.
 3. If a type of Class III game authorized is criminally prohibited as provided § 12(C)(1) or (2), the Tribes shall be required to cease operating that Class III game only if and under the same circum-

stances and conditions as the State or any other affected person must cease operating the corresponding game.

D. Amendments.

1. This Compact may be amended if one of the following conditions occur:
 - a. One (1) year elapses after the date this amended Compact is approved by the Secretary of the Interior.
 - b. The Tribes notifies the State that it has entered into an agreement with another Indian tribe for joint operation, management or interest in the Gaming Facility or the gaming activities under this Compact.
 - c. The State amends state statute or Constitution to expand the type of Class III gaming permitted in the State for any purpose by any person, organization, or entity, in which event, upon the Tribes' request, the State shall negotiate the terms and conditions under which the Tribes may offer such gaming.
 - d. The State becomes a party to another Tribal-State Compact that authorizes a Tribes other than the Confederated Tribes of the Coos, Lower Umpqua and Siuslaw to engage in any Class III gaming activity or scope of gaming activity not permitted under the terms of this Compact, in which event, upon the Tribes' request, the State shall negotiate the terms and conditions under which the Tribes may offer such gaming.
2. Section 12(D)(1) above does not authorize the Tribes to renegotiate the terms of this Compact applicable to forms of gaming authorized by § 4 of this Compact, except to the extent that the State voluntarily consents to such renegotiation or as is otherwise provided for in this Compact.
3. Pursuant to § 12(D)(1), the State or the Tribes may by appropriate and lawful means, request negotiations to amend, replace or repeal this Compact. In the event of a request for renegotiation or the negotiation of a new agreement, this Compact shall remain in effect until renegotiated or replaced, unless sooner terminated under § 12(B). Such request to renegotiate shall be in writing and shall be sent by certified mail to the Governor of the State or the Chair of the Tribes at the appropriate office identified at § 14

below. If a request is made by the Tribes, it shall be treated as a request to negotiate pursuant to IGRA. All procedures and remedies available under IGRA shall thereafter apply with the exception that the 180-day period for negotiation set forth at 25 U.S.C. 2710(d) shall be one hundred (100) days.

4. No amendment pursuant to this § 12(D) shall be in effect prior to approval of the Department of the Interior or as otherwise deemed approved under IGRA.

SECTION 13. DISCLAIMERS AND WAIVERS

- A. Gaming at Another Location or Facility. The Tribes hereby waives any right it may have under IGRA to negotiate a Compact for Class III gaming at any different or additional location or facility, unless another tribe that is operating a gaming facility in this State, signs a Compact that authorizes that tribe to operate more than one gaming facility simultaneously, or is otherwise authorized to operate more than one gaming facility simultaneously, or unless a physical calamity occurs that makes operation at the existing location unfeasible.
- B. Status of Class II Gaming. Nothing in this Compact shall be deemed to affect the operation by the Tribes of any Class II gaming as defined in IGRA or to confer upon the State any jurisdiction over such Class II gaming conducted by the Tribes.
- C. Prohibition on taxation by the State. Nothing in this Compact shall be deemed to authorize the State to impose any tax, fee, charge or assessment upon the Tribes or any Tribal Gaming Operation, except for charges expressly authorized in accordance with this Compact.
- D. Preservation of Tribal Self-Government. Except as provided in § 9(A)(1), nothing in this Compact shall be deemed to authorize the State to regulate in any manner the government of the Tribes, including the Tribal Gaming Commission, or to interfere in any manner with the Tribes' selection of its governmental officers, including members of the Tribal Gaming Commission. No licensing or registration requirement contemplated by this Compact shall be applicable to such officers with respect to their capacity as officers of the Tribes.
- E. This Compact is exclusively for the benefit of and governs only the respective authorities of and the relations between the Tribes and the State. Nothing in this Compact shall be construed as creating or granting any rights to any third party, or as establishing any objection or defense for any third party to any charge, offense or prosecution.

- F. The Tribes and the State agree that any activities that must be performed under this amended Compact to prepare for implementation of any new games authorized under § 4 may be undertaken before the Secretary of the Interior approves this amended Compact.
- G. Change in Federal Law. The Tribes reserves the right to take advantage of any change in federal law that permits additional gaming to be conducted by the Tribes without the need for a Compact, but only after the Tribes has provided thirty (30) days written notice of its intent to offer a game under this provision. Nothing herein shall be interpreted to prevent the State from objecting to the form of gaming pursuant to the dispute resolution provisions of this Compact. This Compact shall not be construed as a surrender by the Tribes of those rights.

In the event that any section or provision of this Compact is held invalid, or its application to any particular activity is held invalid, it is the intent of the parties that the remaining sections of the Compact and the remaining applications of such section or provision shall continue in full force and effect.

SECTION 16. DISPUTE RESOLUTION

- A. At the discretion of either party, in the event either party believes that the other party has failed to comply with any requirement of the Compact, that party may invoke the following dispute resolution procedure in order to foster cooperation and avoid the costs of litigation:
1. The party asserting noncompliance shall serve written notice on the other party in the manner provided in § 14. The notice shall identify the specific provision of the Compact alleged to have been violated and shall specify the factual basis for the alleged noncompliance. The State and the Tribes shall thereafter meet within thirty (30) days in an effort to resolve the dispute.
 2. In the event the dispute is not resolved to the satisfaction of the parties within ninety (90) days after service of notice, either party may initiate an action against the other party in the United States District Court for the District of Oregon to interpret or enforce the provisions of this Compact. In the event that the Federal court declines jurisdiction, an action can be filed in a State court of competent jurisdiction to interpret or enforce the provisions of this Compact. The Oregon legislature has waived the State's sovereign immunity to such a suit pursuant to ORS 30.320, and the Tribes hereby waives its immunity to suit in state court for the limited purpose of enforcing this Compact according to the terms of this § 16.
- B. Nothing in § 16(A) shall be construed to waive, limit or restrict any remedy that is otherwise available to either party to enforce the provisions of this Compact or limit or restrict the ability of the parties to pursue, by mutual agreement, alternative methods of dispute resolution.
- C. With respect to gaming not authorized by this Compact, nothing in this Compact shall be construed to limit the authority of the State or the federal government to take immediate action to enforce and prosecute the gambling laws of the State and the United States pursuant to 18 U.S.C. § 1166 (§ 23 of IGRA).

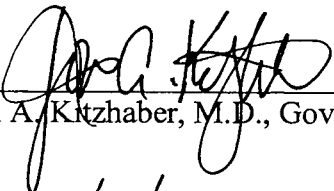

SECTION 17. INTEGRATION
