SECTION 3. DURATION.

a. Effective Date. After execution by the parties hereto, this compact shall become effective when notice of approval by the Secretary of the Interior is published in the Federal Register.

b. Term. This Compact shall have a three-year automatically-renewable term from the effective date. The three-year term will automatically renew unless a party gives notice of intent to terminate before 30 days prior to expiration of the three-year term.

c. Duration. Once effective, this Compact will remain in full force and effect until one of the following shall occur:

(1) The term expires pursuant to a notice of an intent to terminate;

(2) The Compact is terminated by mutual consent of the parties;

(3) The Iowa duly adopt an ordinance or resolution revoking authority to conduct Class III Gaming in Iowa Indian country as provided by 25 U.S.C.A. § 2710(d)(2)(D);

(4) Pursuant to a final, non-appealable judgment by a court of competent jurisdiction determining that:

(a) this Compact is invalid; or

(b) a party has committed a material breach that has not been timely cured.

SECTION 4. AUTHORIZED CLASS III GAMING. The Iowa may conduct off-track wagering consistent with this compact, with all applicable federal laws, and with the standards of operation and management for parimutuel gaming described in Appendix A.

SECTION 5. LOCATIONS. All gaming authorized herein shall be conducted in gaming facilities located on land held in trust by the United States for the Iowa and situated within the borders of the

State of Oklahoma. Enumerated in Appendix B is a current list of authorized locations. Additional locations may be added to this list by the Iowa with the concurrence of the Governor of Oklahoma who shall approve the additional site unless the site is: (a) not on land held in trust by the United States for the Iowa within the borders of the State of Oklahoma, or (b) within 300 feet of a school or of a church.

SECTION 6. **SERVICE AGREEMENTS.** The Iowa will enter into a Pari-Mutuel and Racewire Service Agreement for the off-track wagering authorized by this compact.

SECTION 7. **CLAIMS.** To protect third-parties, the Iowa have adopted a gaming ordinance consistent with 25 U.S.C.A. § 2710. A copy of this ordinance is attached hereto as Appendix C. This ordinance provides dispute resolution procedures that shall apply to tort and wagering claims unless change is required by federal law:

a. Procedure. In the event of an alleged personal injury or property damage suffered by a patrol of the gaming facility, or in the event of a dispute between a patron and the gaming enterprise regarding the payment of bet or distribution of winnings, the patron may make a claim against the gaming enterprise as follows:

(1) Making Claim. Any patron having a claim against the gaming enterprise shall present a claim to the gaming enterprise for any appropriate relief including the award of money damages. Claims against the gaming enterprise are to be presented

within ninety (90) days of the date the loss occurs. In the event a claim is not presented following ninety (90) days after the loss occurs, but within one (1) year after the loss occurs, any judgment in a lawsuit arising from the act which is the subject of the claim shall be reduced by ten (10) percent. A claim against the gaming enterprise shall be forever barred unless notice thereof is presented within one (1) year after the loss occurs. A claim against the gaming enterprise shall be in writing and filed with the Tribal Gaming Commission at the address of the gaming facility. Notices explaining this procedure shall be posted in the gaming facility. Such notices shall explain that this procedure is the exclusive method of making a tort claim or registering a patron dispute about payment of a bet or a distribution of winnings. Such notices shall explain that upon denial of a claim redress must be sought exclusively in Tribal Court.

(2) Notice. The written notice of claims of the gaming enterprise shall state the date, time, place and circumstances of the claim, the identity of the tribal or gaming employees, if known, the amount of compensation or other relief demanded, the name, address and telephone number of the claimant, and the name, address and telephone number of any agent authorized to settle the claim.

(3) Denial. A claim is deemed denied if the gaming enterprise fails to approve the claim in its entirety within ninety (90) days of receipt, unless the interested parties have reached a settlement before the expiration of that period. A person may not

initiate suit against the gaming enterprise unless the claim has been denied in whole or in part. The claimant and the gaming enterprise may continue attempts to settle a claim; however, settlement negotiations do not extend the date of denial.

(4) Limitations. No action for any cause arising from personal injury, property damage, or patron gaming dispute shall be maintained unless valid notice has been given and the action is commenced in a tribal court within 180 days after denial of the claim as set forth herein. Neither the claimant nor the gaming enterprise may extend the time to commence an action by continuing to attempt settlement of the claim.

b. Tort Claim. During the term of this compact, the Iowa shall maintain public liability insurance with limits of not less than \$250,000 for any one person and \$2,000,000 for any one occurrence for personal injury and \$1,000,000 for any one occurrence for property damage. This insurance policy shall include an endorsement providing that the insurer shall not invoke tribal sovereign immunity up to the limits of the policy set forth above. In the event of an alleged personal injury or property damage suffered at a gaming facility arising from alleged negligence by the Iowa, the sole and exclusive remedy for an alleged tort claim is against this liability insurance policy. A claim may be made against the Iowa liability insurer as provided in Appendix C.

c. Wager Claim. In the event of a disputed claim by a patron regarding distribution of winnings, the patron should submit

a claim to the Iowa Gaming Director consistent with the dispute resolution procedures in Appendix C.

d. Posting. Notices explaining dispute resolution procedures for tort or wagering claims shall be posted in prominent locations in each gaming facility.

SECTION 8. **REGULATIONS**. In addition to the regulations in Appendix C, the following additional requirements apply:

a. Logs. The Iowa shall maintain the following logs as written or computerized records available for inspection by the OSBI in accordance with this Compact:

- (1) pay-out logs from all off-track wagering; and
- (2) maintenance logs in relation to all gaming equipment.

b. Debarred Lists. The Iowa shall establish a list of persons barred from the gaming facility because of their criminal history or association with career offenders or career offender organizations that pose a threat to the integrity of the gaming. The Iowa shall employ its best efforts to exclude persons on such list from entry into its gaming facility and, upon request, send a copy of this list to the OSBI.

c. Audit. The Iowa shall have prepared a compliance audit of the gaming operation, not less than annually, by an independent certified public accountant. The results of the independent audit and the auditors' work papers shall be made available to the OSBI. If authorized by the Oklahoma Legislature, the OSBI may delegate this responsibility.

d. Rule Display. Summaries of the house rules shall be visibly displayed in each Gaming Facility. Complete rules shall be available in pamphlet form in each Gaming Facility.

SECTION 9. **ENFORCEMENT**.

a. Iowa Gaming Director. The Iowa Gaming Director shall perform the following functions:

(1) enforcement of all laws pertaining to the gaming operation, including the facility;

(2) provide for the physical safety of gaming employees and of patrons in the gaming facility;

(3) safeguard the assets transported to and from the gaming facility;

(4) provide for the detention of persons who may be involved in illegal acts for the purpose of notifying the Iowa , federal, state, county or local law enforcement authorities;

(5) Record any and all unusual occurrences within the gaming facility. Each incident without regard to materiality shall be assigned a sequential number, and at a minimum the following information shall be recorded in indelible ink in a bound notebook from which pages cannot be removed and each side of each page of which is sequentially numbered:

(a) Assigned number;

(b) Date;

(c) Time;

(d) Nature of incident;

(e) Person involved in the incident.

b. Investigation and Sanctions. Pursuant to the Iowa laws and regulations, the Iowa Gaming Director shall investigate any reported violation of the Compact provisions and shall require the gaming operation to correct the violation upon such terms and conditions as the Iowa Gaming Director determines are necessary.

c. Reporting. The Iowa Gaming Director shall forward copies of all investigation reports and final dispositions to the Iowa Gaming Commissioner and to the Oklahoma entity receiving the compliance audit.

d. Meetings. In order to develop and foster a positive and effective relationship in the enforcement of the provisions of this Compact, representatives of the Iowa Gaming Director and the OSBI shall meet, not less than on an annual basis, to review past practices and examine methods to improve the regulatory program created by this Compact. The meetings shall take place at a location selected by the Iowa Gaming Director. The OSBI prior to or during such meetings shall disclose to the Iowa Gaming Director any concerns, suspected activities or pending matters reasonably believed to possibly constitute violations of this Compact, by any person, organization or entity, if the disclosure will not compromise the interest sought to be protected.

SECTION 10. **MONITORING**. The OSBI shall have the authority to monitor the gaming operation to ensure compliance with provisions of this Compact. In order to properly monitor the gaming operation, agents of the OSBI shall have reasonable access to all areas of the gaming facility during normal operating hours after giving notice

to the Iowa Law Enforcement Agency; provided, however, the monitoring activities of these agents shall not interfere with the normal functioning of the gaming operation, and OSBI shall provide proper photographic identification to the Gaming Director on duty.

a. Access to Records. Agents of the OSBI shall have authority to review and copy during normal business hours all records maintained by the gaming operation.

b. Notification. At the completion of any inspection or investigation by the OSBI, an investigative report shall be forwarded to the Iowa Gaming Director and the Iowa law enforcement agency.

SECTION 11. **CRIMINAL JURISDICTION**. This compact shall not alter Iowa , Oklahoma, and federal criminal jurisdiction. All existing cross-deputization compacts between the Iowa and political subdivisions of Oklahoma are hereby ratified and reaffirmed.

SECTION 12. **EMPLOYEES**.

a. Applications. Prior to hiring a prospective gaming employee, the Iowa shall obtain sufficient information and identification from the applicant to permit a thorough background investigation. The information shall be provided in writing to the Iowa Law Enforcement Agency, who may conduct the background investigation and provide a written report to the Iowa Gaming Director in a timely manner from the receipt of the request and shall include:

(1) Full name, including any aliases by which applicant has ever been known;

(2) Social Security number;

(3) Date and place of birth;

(4) Residential addresses for the past five (5) years;

(5) Employment history for the past five (5) years;

(6) Driver's license number;

(7) All licenses issued and disciplinary charges filed, whether or not discipline was imposed, by any State or tribal gaming agency;

(8) All criminal arrests and proceedings, except for minor traffic offenses, to which the applicant has been a party;

(9) A set of fingerprints;

(10) A current photograph;

(11) Military service history; and

(12) Any other information necessary to conduct a thorough background investigation.

b. Probation. The Iowa may employ on a probationary basis prospective gaming employees who represent in writing that they meet the standards set forth in this section, until such time as the written report on the applicants' background investigation is complete.

c. Disqualification. The Iowa shall not employ as a gaming employee and shall terminate any probationary gaming

employee, if the report on the applicant's background investigation finds that the applicant:

(1) Has been convicted of any felony, gaming offense or larceny;

(2) Has knowingly and willfully provided materially important false statements or information on his employment application; or

(3) Has been determined to be a person whose prior activities, criminal record or reputation, habits and associations pose a threat to the public interest, or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair or illegal practices, methods and activities in the conduct of gaming or the carrying on of the business and financial arrangements incidental thereto.

d. Background Investigations. The Iowa may conduct additional background investigations of any gaming employee at any time during the term of employment. Any gaming employee who does not meet the minimum employment criteria shall be promptly dismissed.

e. Identification Cards. The Iowa Gaming Director shall require all gaming employees to wear in plain view identification cards that include photo, first name and a four-digit identification number unique to the individual, a Iowa seal or signature, and a date of expiration.

SECTION 13. PUBLIC HEALTH AND SAFETY

a. Compliance. The construction, maintenance and operation of any gaming facility shall comply with all Federal and Iowa standards and with all other local building codes and standards as would apply if the construction occurred outside of Iowa Indian country and within the State of Oklahoma.

b. Emergency Service Accessibility. The Iowa Gaming Director shall make provisions for adequate emergency accessibility and service to ensure the health and safety of all gaming patrons. Upon finalization of emergency access plans for all gaming facilities, the Iowa shall forward copies of said plans to Oklahoma.

c. Minors. No person shall be admitted into a gaming area nor be permitted to place any wager directly or indirectly who is a "minor" as that word is defined in the Oklahoma Horseracing Act for the purpose of precluding wagering by such person.

d. Alcohol. No alcoholic beverages of any kind shall be permitted in a gaming facility.

SECTION 14. DISPUTE RESOLUTION. In the event either party to this Compact believes the other party has failed to comply with any requirement herein or applicable regulations, or in the event of any disagreement or dispute as to the proper interpretation of the terms and conditions of this Compact, the following procedures may be invoked but shall not be construed to prevent either party from seeking immediate relief.

a. Voluntary Resolution. The party asserting noncompliance or seeking an interpretation shall serve written notice on the

other party. The notice shall identify the specific Compact provision alleged to have been violated or in dispute and shall specify in detail the factual basis for the alleged noncompliance or the Compact provision for which interpretation is sought. Within 30 days of receipt of notice, Oklahoma and the Iowa shall meet in an effort to resolve the dispute.

b. Non-binding Arbitration. If a dispute arises among the parties that is not resolved within sixty (60) days of receipt of notice, either party may refer it to non-binding arbitration. If referred to arbitration, each party shall name the arbitrator. The two named arbitrators will name a third arbitrator. If the two named arbitrators cannot agree on a third arbitrator, the third arbitrator will be named by the American Arbitration Association. The expenses of arbitration shall be borne equally by the parties. A party asserting noncompliance or seeking an interpretation under this section shall be deemed to have certified to the best of their knowledge, information and belief formed after reasonable inquiry that the averment is warranted and made in good faith and is not made for any improper purpose, such as to harass or to cause unnecessary delay or needlessly increase the cost of resolving the dispute.

c. Declaratory Judgment. If either party considers itself aggrieved by a breach of this Compact, it may bring an action for breach of Compact in the United States District Court for the Western District of Oklahoma. 25 U.S.C.A. § 2710, ¶ (d) (7) (A). If the dispute involves a material breach of this

Compact and is not cured, the court could declare the Compact terminated. Although this remedy is consistent with 25 U.S.C.A. § 2710, ¶ (d)(3)(C)(v), nothing herein shall be construed to authorize any other equitable remedy, nor to authorize a money judgment.

SECTION 15. RESERVATION OF RIGHTS.

a. Additional Compacts. By entering this Compact, the Iowa shall not be deemed to have waived the right to initiate and pursue the procedures provided by the Act should Oklahoma refuse to enter into a Compact after the Iowa has made a written request with respect to other forms of Class III gaming, and neither Oklahoma nor the Iowa shall be deemed to have waived any rights, arguments or defenses applicable to such a procedure.

b. Status of Class II Gaming. Nothing herein shall be deemed to affect the operation by the Iowa of any Class II gaming as defined in the Act, whether conducted within or without the gaming facilities or to confer upon Oklahoma any jurisdiction over such Class II gaming conducted in Iowa Indian country.

c. Taxation. Except as provided in this compact, neither Oklahoma nor any of its political subdivisions shall impose any tax, fee, charge or other assessment upon the admission to any gaming facility or upon the conducting of or engaging in any gaming activity conducted at a facility authorized by this compact. To the extent the Iowa gaming operation is responsible for filling out IRS Form W-2G on non-tribal persons who receive proceeds of a

wagering transaction governed by the Compact, a copy of said form shall also be provided to the Oklahoma Tax Commission.

d. Preservation of Iowa Self-Government. Nothing in this Compact shall be deemed to authorize Oklahoma to regulate in any manner the government of the Iowa , including the Iowa Gaming Director, or to interfere in any manner with the Iowa 's selection of its governmental officers or employees.

SECTION 16. REIMBURSEMENT FOR EXPENSES INCURRED BY OKLAHOMA.

The Iowa realize that Oklahoma has incurred expenses in negotiating this Compact and will incur expenses related to the obligations undertaken under this compact. Accordingly, the parties agree as follows:

a. Payments. The Iowa agree to reimburse Oklahoma for the actual amount of time and expenses of personnel as assessed by Oklahoma in accordance with Section 11, paragraph (3)(c)(iii) of the IGRA related to this compact. The Iowa further agree to establish an escrow fund at a bank of their choosing with an initial contribution of twenty-five hundred dollars (\$2,500) and to replenish said account as necessary to make the payments called for herein. The Iowa agree that the balance in the escrow account shall never be below one-thousand dollars (\$1,000).

b. Procedure. The Iowa payments referenced above shall be made to an escrow account from which Oklahoma may draw as hereinafter provided. Oklahoma shall bill the Iowa reasonable and necessary costs related to obligations undertaken under this compact. Unless unreasonable or unnecessary, the costs for such services shall be

those established by Oklahoma either by agency rule or by statute or, where the cost of services (including more extensive background checks, other investigations, monitoring or similar matters) is not established by rule or by statute, the costs shall include agents' time, including out-of-pocket expenses, benefits and travel expenses at the statutory rate. Oklahoma shall send invoices to the Iowa for these services and shall thereafter be permitted to withdraw the billed amounts from the escrow account under the circumstances hereinafter provided. Payments shall be made to the Office of the Governor pursuant to 60 O.S. § 383-85. Reimbursement for services provided by the OSBI shall, pursuant to Oklahoma State Statutes, 74 O.S. 150.19a, be transmitted to the OSBI to defray the cost of services as required under this compact. Reimbursement for services provided by Oklahoma shall, pursuant to 60 O.S. § 384-85, be transmitted by the Office of the Governor to the Director of State Finance who shall allot said reimbursement to the OSBI or any other appropriate agency to defray the cost of services as required under this compact.

c. Escrow Draws. No draws shall be made from the escrow account until this compact is effective. Should this compact not become effective, all monies in the escrow account, including any interest, shall be refunded to the Iowa. When this compact is effective, Oklahoma shall immediately be entitled to withdraw from the escrow account the negotiation fee and amounts billed. Thereafter, draws may be taken ten (10) days after the Iowa are billed if no protest is filed. If a protest is filed, no draw for a protested bill

shall be taken until the protest is resolved by the dispute resolution provided herein.

SECTION 17. **SEVERABILITY.** Each provision, section and subsection of this Compact shall stand separate and independent of every other provision, section or subsection. In the event that a court of competent jurisdiction shall find any provision, section or subsection of this Compact to be invalid, the remaining provisions, sections and subsections of the Compact shall remain in full force and effect, unless the invalid provision materially alters the relationship between the parties. In the event of such alteration, the parties shall negotiate to comply as nearly as possible with the original intent of this Compact.

SECTION 18. **AMENDMENTS.** The parties may request negotiations to amend or modify this Compact. The amendment or modification request may include requests for approval of gaming activities that are found to be legitimately within the scope of the Act at a date after the immediate Compact is approved by Oklahoma. In the event of a request for negotiation to amend or modify, this Compact shall remain in effect until amended or modified, but such a request shall not extend the Compact term. Additional requests to negotiate other forms of gaming made by the Iowa shall be treated as requests to negotiate pursuant to the Act. The parties shall have one hundred eighty (180) days to negotiate, and all further procedures and remedies available under the Act shall thereafter apply. The Iowa and Oklahoma may mutually agree to extend the 180-day period without prejudice to the rights of either party under this section. Any amendment to this

Compact or its Appendices shall be in writing and must be approved by the Secretary. However, changes in the Iowa Gaming Ordinance (Appendix C) ~~and the gaming facility list (Appendix B)~~; shall not be considered amendments and may be effected as otherwise provided by this Compact or by law.

SECTION 19. AUTHORITY TO EXECUTE. The undersigned represent that they are duly authorized to execute this agreement on behalf of the party designated.

C. COMPUTER SYSTEM:

The main processors consist of three DEC 4000 Series 90 central processing units operating in triplex. These central processing units are located at LVDC in Las Vegas, Nevada with telecommunication links to peripheral terminals located at the Potawatomi Gaming Facility.

The systems provide hard disk storage in the form of dual-disk disk drives of 2.1 gigabytes each, and 2.1 gigabytes of magnetic tape for backup data.

Program source code is not available to Gaming Facility employees, or to Potawatomi's data processing employees.

Access to the main processors located at LVDC is limited to authorized LVDC personnel.

The pari-mutuel system will be connected to the Gaming Facility via a leased dedicated telephone line. Access through a dial-up modem will be available in case the leased dedicated telephone line becomes inoperative.

Writer/cashier terminals and screen activated machines (SAMs) will be furnished to the Gaming Facility by LVDC. Access to writer/cashier terminals will be restricted to writers/cashiers. This restriction will be provided by requiring operator number and passwords to log on to the system. Writer/cashier operator numbers will be issued by LVDC personnel. Passwords for writers/cashiers will remain confidential, known only by the writer/cashier. Passwords for writers/cashiers will be changed at least quarterly.

PARI-MUTUEL STANDARDS

Supervisor and accounting personnel operator numbers and passwords will be issued by LVDC. These passwords will be changed at least quarterly.

A Gaming Facility or other employee, approved by the Tribal Gaming Director may perform routine maintenance and service of the hardware components of the Gaming Facility's wagering and communication equipment. An LVDC-dispatched technician will perform all non-routine maintenance and service of the hardware components of the Gaming Facility's equipment.

D. OPENING/CLOSING PROCEDURES:

1. Opening Procedure

Ticket writer/cashier receives his/her starting bank from the cage.

Ticket writer/cashier verifies funds and enters the amount on a log. The writer/cashier signs the log.

Upon completion of bank opening procedures, the writer/cashier will sign on to the system by inputting his operator code and password. The system will print a sign-on ticket that will contain the following information: "sign-on" designation, Gaming Center name, date, time, station number and operator number.

2. Closing Procedures

When the writer/cashier closes his/her Pari-mutuel station, a sign-off ticket and a summary ticket will be printed by the terminal. The sign-off ticket will contain the following information: sign-off designation, Gaming Facility name, date, time, station number and operator number. The summary ticket will contain the following information: Gaming Facility name, date, time, station number, operator number, take (sales), voids (cancels), paid (cash), the IRS withholding amount, and beginning bank (draw). Information on cash turn-ins (cash balance) will only be available to the book supervisor via password access. The cash drawer is then counted by the cashier/writer and the shift supervisor. Both sign the count sheet. The computer terminal is accessed to determine the

PARI-MUTUEL STANDARDS

writer's total cash balance. This is compared to the count sheet and variations are investigated.

Once verified, a manual cash-in slip is created and signed by both the writer/cashier and the shift supervisor, the writer/cashier will proceed to the slot cage and will turn in their funds.

E. BETTING/TICKET ISSUANCE AND CONTROLS:

Betting tickets shall be in single part form. The original is given to the customer. A second "copy" is retained internally within the computer system and is not accessible by Pari-Mutuel Gaming Facility personnel.

The computer system prints a number on each ticket which identifies each writer station.

Only one random numerical computer-assigned series per station shall be used at one time.

Unused tickets will be stored in the Pari-Mutuel Gaming Facility storage room. These forms are serially numbered by the computer and do not require the "sensitive" forms inventory control procedures.

The computer system will not allow a ticket to be voided after a race event is locked out.

All bets will be made in cash or chips and shall be evidenced by the issuance of a ticket upon acceptance of a wager.

Tickets will not be written or voided after the outcome of an event is known.

F. SCREEN ACTIVATED MACHINE

1. The screen activated machine (SAM) is a self-service betting machine which allows customers to place wagers using a winning ticket or voucher generated by the system.
2. The customer must insert a voucher or winning ticket for the SAM to accept a wager. Wagers will be made keying in the amount of the bet, the type of bet, and the horse or horses selected. After the selection process is complete, the SAM

PARI-MUTUEL STANDARDS

will print a bet ticket. The SAM will also print a voucher for the remaining balance, if any, owed to the customer. The voucher will contain the serial number, date, cash balance, and SAM number. This information will also be bar coded on the voucher. Once the wager is placed, the customer may use the voucher to place additional wagers or redeem the voucher for cash.

3. When a patron wishes to redeem a voucher, the writer/cashier will insert it into the bar code reader. The computer will then generate a paid ticket and the writer/cashier will pay the patron. All other procedures described concerning payouts on winning wagers will be compiled with as applicable.
4. Outstanding vouchers will be listed on the Outsbook Voucher Report. Vouchers outstanding more than a specified number of days will be purged by the Systems Operator.
5. All winning tickets and vouchers inserted into the SAM will be deposited automatically into a locked box in the machine. On a daily basis, an accounting representative will check out the key to the lock boxes to remove the tickets and vouchers. The key will be at a department independent of the Pari-Mutuel Gaming Center and will require signing a log to access. After the accounting representative obtains the tickets and vouchers, he or she will immediately deliver them to accounting.
6. Voids will not be allowed at a SAM. Additionally, winning tickets that require IRS withholding will not be paid at the SAM.

G. PAYMENT OF WINNING WAGERS:

Upon presentation of a winning ticket by a customer, the writer/cashier will insert the ticket in to the bar code reader for verification and payment authorization. The system will brand the ticket with the payout amount, writer/cashier's station number, and date. Information on all wining tickets paid will be retained by the system.

Should the bar code reader fail to read a ticket, the writer/cashier will manually enter the ticket number into the terminal. A payout ticket will then be printed which will include the following information: ticket number, "pay" indication, Gaming

PARI-MUTUEL STANDARDS

Facility name, pay amount, date, station number, and operator number.

The computer software is designed to prevent payment of a ticket that has been previously paid by the system, voided by the system, a losing ticket, or a ticket not issued by the system.

Payoffs over \$10,000.00 may be delayed for up to 24 hours after the next banking day.

For winnings requiring the completion of a form W-2G, the computer system will preclude a writer/cashier from making payment until the patron's social security number is entered. Once the social security number is entered, the computer will compute the amount of withholding and the amount of customer payment. The system will not pay a winning ticket, which requires IRS withholding, unless the customer provides his/her social security number at the time of payment. The system will calculate the withholding amount and the net amount due to the customer, which will both be printed on the ticket. This will alert the writer/cashier and the supervisor to complete the required IRS forms.

H. POSTING OF RULES:

1. Posting of rules

All house rules shall be conspicuously displayed in the Gaming Facility.

2. Refunds

All bets received on any entry which does not start or on a race which is cancelled or postponed shall be refunded on the basis of the refund policy in effect at the track.

3. Refusal to accept bets

The Gaming Facility reserves the right to refuse to accept bets on a particular entry or entries or in any or all pari-mutuel pools for what it deems good and sufficient reason.

4. Cancellation of track pool

In the event that a pari-mutuel pool is cancelled by the track, the corresponding off-track betting pari-mutuel pool shall be refunded.

PARI-MUTUEL STANDARDS

5. Responsibility of the Gaming Facility

The Gaming Facility bears no responsibility with respect to the actual running of any race or races upon which it accepts bets. In all cases, the off-track betting pari-mutuel pool distribution shall be based upon the order of finish posted at the track as "official". The determination of the judges, stewards or other appropriate officials at the track shall be conclusive in determining the payoffs of the Gaming Facility.

6. Error in calculation of payments

In the event an error in calculation of payment occurs in a pool which is the result of the combination of the track pool and the off-track betting pool, the rules in effect at the track governing the disposition of such error shall prevail.

I. UNPAID WINNERS:

Unpaid winners remain on the computer system for a minimum of 120 days after the conclusion of a racing meet. Following the 120 day period, the unpaid winners are brought back into revenue by LVDC.

J. LOST TICKETS:

Upon notification by a patron that a winning betting ticket has been lost, stolen or is otherwise not available for presentation, the following procedures will be followed:

1. The patron must report the loss of the ticket not later than the third day following the day the race was completed, unless the patron can show circumstances where this was not possible, or unless approved by Gaming Facility management.
2. A lost ticket report will be prepared by the Gaming Facility from information supplied by the patron. The report will contain the following information:
 - a. Name, address and telephone number of patron
 - b. Date/time the ticket was purchased
 - c. Amount/type of wager

PARI-MUTUEL STANDARDS

- d. Horse/greyhound betting numbers
 - e. Ticket number (if known by patron)
 - f. Signature of patron
 - g. Signature of report preparer
 - h. Signature of Gaming Facility Manager/Supervisor
3. The lost ticket report will be delivered to the controller who will instruct an accounting clerk to research the unpaid ticket file.
- a. If an unpaid ticket that matches the information on the lost ticket report cannot be located, the lost ticket report will be returned to the Gaming Facility Manager with instructions that no payment can be made.
 - b. If an unpaid ticket is found that matches the lost ticket report, the unpaid ticket will be "locked" in the computer system to prevent payment to other than the claimant for the holding period of one hundred twenty (120) days after the conclusion of the racing meet on which the wager was placed.
4. After the ticket is held for this one hundred twenty (120) day period, the patron may be paid. The controller reviews all of the lost ticket claim support paperwork prior to signing the check to be mailed to the customer.
5. If the ticket is presented for payment within this one hundred twenty (120) day period by other than the patron represented on the lost ticket report; or if a dispute arises from the foregoing procedures, it will be the Gaming Facility's responsibility to resolve such disputes.

K. MAIL PAYMENTS:

Only original wagered tickets are acceptable for mail payments.

All mail payment requests are opened and logged by personnel independent of the Gaming Facility. A copy of the log is retained by the accounting department for auditing mail tickets paid.

PARI-MUTUEL STANDARDS

The mailed ticket is forwarded directly to the Gaming Facility Manager's office, where it is then entered into a writer/cashier's terminal for unpaid ticket update to indicate that the ticket is no longer outstanding.

A request for disbursement and the approved ticket are forwarded to the controller for payment.

Only the controller or a designate is authorized to approve mail payments.
