

Rules and Regulations

Federal Register

Vol. 77, No. 35

Wednesday, February 22, 2012

This section of the FEDERAL REGISTER contains regulatory documents having general applicability and legal effect, most of which are keyed to and codified in the Code of Federal Regulations, which is published under 50 titles pursuant to 44 U.S.C. 1510.

The Code of Federal Regulations is sold by the Superintendent of Documents. Prices of new books are listed in the first FEDERAL REGISTER issue of each week.

FEDERAL HOUSING FINANCE AGENCY

[No. 2012–N–01]

12 CFR Chapter XII

Regulatory Review Plan

AGENCY: Federal Housing Finance Agency.

ACTION: Notice of final regulatory review plan.

SUMMARY: The Federal Housing Finance Agency (FHFA) is issuing a notice of the final FHFA regulatory review plan for review of existing regulations under Executive Order 13579, “Regulation and Independent Regulatory Agencies,” (July 11, 2011).

DATES: The effective date of this document is April 23, 2012.

FOR FURTHER INFORMATION CONTACT: Alfred M. Pollard, General Counsel, alfred.pollard@fhfa.gov, telephone (202) 649–3050 (not a toll-free number), Federal Housing Finance Agency, Eighth Floor, 400 Seventh Street SW., Washington, DC 20024. The telephone number for the Telecommunications Device for the Deaf is (800) 877–8339.

SUPPLEMENTARY INFORMATION:

I. Background

Executive Order 13579

Executive Order 13579, “Regulation and Independent Regulatory Agencies,” (July 11, 2011), requests that each independent regulatory agency, such as FHFA, analyze its existing regulations and modify, streamline, expand, or repeal them in accordance with the findings of the analysis. Executive Order 13579 also requests each independent regulatory agency to make public a plan under which the agency will periodically review its existing significant regulations to make the agency’s regulatory program more

effective or less burdensome in achieving regulatory objectives.

Establishment of FHFA; Transfer and Review of Regulations

The Housing and Economic Recovery Act of 2008 (HERA) established FHFA on July 30, 2008, as an independent regulatory agency to supervise and regulate the Federal National Mortgage Association (Fannie Mae), the Federal Home Loan Mortgage Corporation (Freddie Mac), and the Federal Home Loan Banks (collectively, regulated entities), and the Office of Finance of the Federal Home Loan Bank System. HERA transferred to the new agency the employees, functions, and regulations of the Office of Federal Housing Enterprise Oversight (OFHEO), the Federal Housing Finance Board (FHFB), and the Government-Sponsored Enterprise mission team within the U.S. Department of Housing and Urban Development (HUD).

HERA and, most recently, the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) mandate that FHFA issue new regulations on specific matters in connection with FHFA’s supervision and regulation of the regulated entities and the Office of Finance. Currently, in determining whether to revise, adopt without change, or repeal transferred OFHEO, FHFB, and certain HUD regulations, FHFA reviews such regulations to determine the appropriate action and publishes the regulations for comment. Public comments provide additional information to FHFA on how to make the regulations more effective and less burdensome.

Regulatory Review Plan Under Executive Order 13579

FHFA’s current review of OFHEO, FHFB, and certain HUD regulations is similar to the review it will conduct of existing regulations under Executive Order 13579. The regulatory review plan is set forth below. FHFA will conduct the review of its existing regulations under Executive Order 13579 at least every five years. In light of the recent establishment of FHFA and ongoing regulatory activities mandated by HERA and the Dodd-Frank Act, the first review will begin no later than August 2013, five years after the establishment of FHFA. FHFA regulations published in Chapter XII of Title 12 of the *Code of Federal*

Regulations and are also posted on the FHFA Internet Web site at <http://www.fhfa.gov>.

II. Notice of Regulatory Review Plan

FHFA published a notice of its interim regulatory review plan and requested comments on the plan. 76 FR 59066 (September 23, 2011). FHFA received no comments. FHFA is adopting as final the interim regulatory review plan without change. The final regulatory review plan follows.

Plan for Review of Existing Regulations Under Executive Order 13579

a. *Scope and timing of regulatory reviews.* At least every five years, FHFA will conduct a review of the regulations it has issued and that are in effect. The first regulatory review will begin no later than August 2013.

b. *Factors considered in the regulatory reviews.* The regulatory reviews will take into consideration the following factors, as applicable:

(1) Legal or regulatory developments, including new laws, executive orders, or judicial decisions that have been adopted since the promulgation of a regulation that make such regulation inefficient, obsolete, contrary to controlling legal precedent, or unduly burdensome;

(2) Application by Fannie Mae, Freddie Mac, or a Federal Home Loan Bank (regulated entity) or the Office of Finance of the Federal Home Loan Bank System for revision of a regulation because of reasonably discernible regulatory burden or inefficiency;

(3) Marketplace developments, technological evolution and related changes that may have rendered an existing regulation, in whole or in part, inefficient, outmoded, or outdated;

(4) Such other occurrences or developments as determined by FHFA to be relevant to a review for inefficiency or unwarranted regulatory burden;

(5) Whether the provisions of the regulation are written in plain language or otherwise need clarification;

(6) Compelling evidence that a consolidation of two or more regulations, elimination of a duplicative regulation, or other revision to regulatory requirements would facilitate compliance by or supervision of a regulated entity or the Office of Finance;

(7) A demonstration of a better alternative method to effect a regulatory

purpose or requirement supported by compelling evidence of significantly less intrusive means or of a substantially more efficient method of accomplishing the same supervisory purpose; and

(8) Such other factors as determined by FHFA to be relevant to determining and evaluating the need for and effectiveness of a particular regulation.

c. *Regulatory review process.*—(1) The regulatory reviews will be conducted by the FHFA Office of General Counsel, under the direction of the General Counsel, and will include internal consultation with other FHFA offices and staff, guidance provided by the FHFA Director, as well as consideration of public comments.

(2) A review and report of findings and recommendations will be provided to the FHFA Director on a timely basis. The report of findings and recommendations will be privileged and confidential.

(3) After receiving the report of findings and recommendations, the FHFA Director will determine what steps may be necessary to relieve any unnecessary burden, including amendment to or repeal of existing regulations or issuance of less formal guidance.

d. *No right of action.* The regulatory reviews are not formal or informal rulemaking proceedings under the Administrative Procedure Act and create no right of action against FHFA. Moreover, the determination of FHFA to conduct or not to conduct a review of a regulation and any determination, finding, or recommendation resulting from any review are not final agency actions and, as such, are not subject to judicial review.

Dated: February 15, 2012.

Edward J. DeMarco,

Acting Director, Federal Housing Finance Agency.

Federal Aviation Administration

14 CFR Part 39

[Docket No. FAA-2010-0956; Directorate Identifier 2010-NM-018-AD; Amendment 39-16951; AD 74-08-09 R3]

RIN 2120-AA64

Airworthiness Directives; Various Transport Category Airplanes

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: We are revising an existing airworthiness directive (AD) for transport category airplanes that have one or more lavatories equipped with paper or linen waste receptacles. That AD currently requires installation of placards prohibiting smoking in the lavatory and disposal of cigarettes in the lavatory waste receptacles; establishment of a procedure to announce to airplane occupants that smoking is prohibited in the lavatories; installation of ashtrays at certain locations; and repetitive inspections to ensure that lavatory waste receptacle doors operate correctly. This new AD extends the time an airplane may be operated with certain missing ashtrays. This AD was prompted by the determination that certain compliance times required by the existing AD could be extended and still address fires occurring in lavatories caused by, among other things, the improper disposal of smoking materials in lavatory waste receptacles. We are issuing this AD to correct this unsafe condition on these products.

DATES: This AD is effective March 28, 2012.

Examining the AD Docket

You may examine the AD docket on the Internet at <http://www.regulations.gov>; or in person at the Docket Management Facility between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The AD docket contains this AD, the regulatory evaluation, any comments received, and other information. The address for the Docket Office (phone: 800-647-5527) is Document Management Facility, U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590.

FOR FURTHER INFORMATION CONTACT:

Alan Sinclair, Aerospace Engineer, Airframe/Cabin Safety Branch, ANM-115, Transport Airplane Directorate, FAA, 1601 Lind Avenue SW., Renton, Washington 98057-3356; phone: 425-227-2195; fax: 425-227-1232.

SUPPLEMENTARY INFORMATION:

Discussion

We issued a notice of proposed rulemaking (NPRM) to amend 14 CFR part 39 to revise AD 74-08-09 R2, Amendment 39-9680 (61 FR 32318, June 24, 1996). That AD applies to the specified products. The NPRM published in the **Federal Register** on October 6, 2010 (75 FR 61657). That NPRM proposed to continue to require installation of placards prohibiting

smoking in the lavatory and disposal of cigarettes in the lavatory waste receptacles; establishment of a procedure to announce to airplane occupants that smoking is prohibited in the lavatories; installation of ashtrays at certain locations; and repetitive inspections to ensure that lavatory waste receptacle doors operate correctly. That NPRM also proposed to extend the time an airplane may be operated with certain missing ashtrays.

Comments

We gave the public the opportunity to participate in developing this AD. The following presents the comments received on the NPRM (75 FR 61657, October 6, 2010) proposal and the FAA's response to each comment.

Support for the NPRM

Air Line Pilots Association, International (ALPA), Boeing, and Air Transport Association (ATA) supported the intent of the NPRM (75 FR 61657, October 6, 2010).

Request to Credit MPD Task Cards

MNG Airlines reported that some airplane manufacturers' maintenance planning documents (MPDs) include the requirements of AD 74-08-09 R2, Amendment 39-9680 (61 FR 32318, June 24, 1996), in a task card, which the operators add to their own MPDs for their fleet. The commenter requested that we revise the NPRM (75 FR 61657, October 6, 2010) by indicating that, if a manufacturer's and operator's MPDs cover a task card, the AD requirements are automatically satisfied.

We disagree with the request. Operators determine how to track the implementation and compliance of the AD requirements for their fleet. We do not consider it appropriate to include AD provisions that apply only to certain operators. It is not necessary to change the final rule to include this provision.

Request To Clarify Relief Provisions

ATA recommended that we simplify and clarify the proposed relief provisions for airplanes having multiple lavatory doors. For those airplanes, ATA recommended that we revise the NPRM (75 FR 61657, October 6, 2010) to provide MMEL (Master Minimum Equipment List) relief for up to—and including—50 percent of the ashtrays for 10 days. (The NPRM specified only “up to” 50 percent of the ashtrays.) ATA noted that this recommendation would (1) Remove the proposed requirement to replace half of the missing ashtrays within 3 days; (2) provide a level of safety equal to or exceeding the level proposed for airplanes having only one
