

United States of America
OCCUPATIONAL SAFETY AND HEALTH REVIEW COMMISSION
1120 20th Street, N.W., Ninth Floor
Washington, DC 20036-3457

SECRETARY OF LABOR,

Complainant,

v.

NOVA GROUP/TUTOR-SALIBA, A JOINT
VENTURE,

Respondent.

OSHRC Docket No. 10-0264

BRIEFING NOTICE

The Commission requests that the parties brief the following issues.

- (1) Do the circumstances of this case warrant remand and reassignment to a different administrative law judge for rehearing, as requested by the Respondent? In discussing this issue, the parties should address the timing and form of the Respondent's request for relief under Commission Rule 68(b), 29 C.F.R. § 2200.68(b), and 5 U.S.C. § 556(b).
- (2) In the event the case is not remanded for a rehearing, does the record support the judge's decision to affirm a serious violation of 29 C.F.R. § 1926.250(a)(1)?

The parties are advised that when the merits or characterization of an item are before the Commission for review, the appropriateness of the penalty is also subject to review. Accordingly, the parties may address the amount of the penalty if they so choose.

All briefs are to be filed in accordance with Commission Rule 93.¹ The first brief is to be filed within 40 days of this notice. A party who does not intend to file a brief must notify the Commission in writing setting forth the reason therefor within the applicable time for filing briefs, and shall serve a copy on all other parties. The time for filing briefs (or similar notices of intent) of opposing parties shall commence on the date of service.

¹ The Commission requests that all briefs include an alphabetical table of authorities with references to the pages on which they are cited, and that an asterisk be placed in the left-hand margin of the table to indicate those authorities on which the brief principally relies. The Commission also requests that copies of cited authority, other than statutes, case law, law journal articles and legal treatises, be provided to the Commission and to the opposing party. Parties should be cautioned that these materials will be considered only if appropriate.

BY DIRECTION OF THE COMMISSION
