

## HOUSING

DoD's goal is to assist military members and their families in finding safe, affordable housing. Military housing initiatives have taken many forms over the years ranging from government-funded, owned, and operated housing to public-private partnerships. Major initiatives are underway to improve housing and the quality of life for Service members and families.

For the PACOM AOR, [BAH](#) is payable to Service members residing in Hawaii and Alaska.

[OHA](#) is payable to Service members stationed overseas, including U.S. protectorates.

[Automated Housing Referral Network](#), a DoD-sponsored, Internet-based network designed to facilitate the long-distance house-hunting process encountered during a permanent change of station.
