SECURITY

Due to increased security precautions, students should bring two forms of photo identification (ID) to campus. **PLEASE HAVE THEM WITH YOU, NOT IN YOUR LUGGAGE!** If you do not have the photo IDs, you will not be permitted on campus. Security checks will delay your registration at the NETC.

If you are a student from a foreign country, please be prepared to show your passport or visa at registration.

FIREARMS: Prohibited on campus!

Due to heightened security requirements, please understand that security and law enforcement personnel may search you, your vehicle, or your luggage. Maryland law is very narrow in its definition of law enforcement officers who may carry firearms. For your own protection, and to expedite your processing into the NETC, **do not bring weapons of any kind to campus.** Weapons include knives with blades longer than 3 inches, machete, bow and arrows, ammunition, rifles, shotguns, pistols, etc. Sworn/Commissioned and State Peace Officer Standards and Training (POST) certified officers and Federal officers, or local officers with concurrent jurisdiction who require a firearm for the performance of required official duties must obtain an exception from the Director of Support Services prior to arrival on campus. If you arrive at NETC with weapons of any kind without prior approval, your entry to campus will be delayed significantly.

ALCOHOLIC BEVERAGES: Alcohol is not allowed in lodging rooms or vehicles, and will be confiscated. Consumption of alcoholic beverages is limited to the Command Post Pub and the Log Cabin.

TRAVEL

TRAVEL BY AIR:

- ▶ You **must** make your own travel arrangements.
- ▶ You **must** be sure your flights meet the shuttle pickup/departure times, and the ticket purchase follows the parameters of travel as defined under “**REIMBURSEMENT**” in this package.

NETC SHUTTLE SERVICE:

- ▶ Shuttle service is available between NETC and the airport(s) listed on the “COURSE SPECIFIC INFORMATION” sheet—a pink page enclosed with the acceptance letter you received for this class. **Read it carefully before making flight arrangements!**
- ▶ If you need bus transportation to NETC from the airport, you should plan to arrive at least 1 hour before bus departure time. **You must notify (email, phone, or fax) the NETC Transportation Office at least 2 weeks prior to the course start date to reserve a seat. IF YOU DO NOT CALL, SEATING MAY NOT BE AVAILABLE AND TRANSPORTATION TO EMMITSBURG, MD, WILL BE AT YOUR OWN EXPENSE.**
- ▶ **Our transportation will be either a motor coach/charter bus identified with NETC signage in the front window/door, a white passenger van, or a navy sedan with the NETC signage in the front window.** You may contact the NETC Transportation Office a day before your arrival to inquire as to which vehicle will be used. For airport security reasons, our drivers cannot leave their vehicles and must circle the airport pickup area, **SO YOU WILL NEED TO LOOK FOR THE BUS OR VAN. If you do not see the vehicle 5 minutes prior to the pickup time, please call the NETC Transportation Office for guidance.**

continued on next page

SHUTTLE PICKUP POINTS AT EACH AIRPORT: (Check your pink “Course Specific Information” sheet as to which airport you may use. **You can ONLY use the airports listed on that sheet!** Ground transportation from other airports will be at your own expense. If your **scheduled arrival time** does not coincide with the shuttle schedule, ground transportation will be at your own expense as well.)

- ▶ **Ronald Reagan National Airport (DCA):** Pickup is near the Travelers’ Aid Desk in Terminal ‘B’ (lower level, between Baggage Areas 5 and 6). Buses and vans depart from the outside lane. If you arrive in Terminal ‘A,’ please take the Economy/Rental Car airport bus shuttle to Terminal ‘B,’ lower level, or walk across the terminal connector and go downstairs to exit door number 5, on your left.
- ▶ **Baltimore/Washington International Airport (BWI):** Pickup is near the Lower Level Baggage Areas 13 and 14. There is not a Travelers’ Aid Desk in this location. Buses and vans depart from the outside lane.
- ▶ **Dulles International Airport (IAD):** There is a Traveler’s Aid Desk between Baggage Claim Areas 4 and 5 on the baggage level, located at the east end of the terminal. Go up the ramp and out exit door number 6.

DELAYED FLIGHTS: If you are scheduled to use NETC transportation, but your flight is delayed for other than weather-related reasons, the airline is responsible for your transportation. If they will not transport you, please call the NETC Transportation Office when you arrive at the airport. (It will be approximately 2 hours before we can pick you up.) If you choose not to use NETC transportation and arrange for other transportation, it will be at your own expense.

IF DRIVING:

BACK-TO-BACK COURSES:

- ▶ You will be housed in the same room for the entire length of the stay. If you choose to stay off campus and do not purchase a meal ticket for the time between the courses, you must check out of your dormitory room after the first course ends (turn in the keycard and remove your belongings), and be assigned a new room upon your return.
- ▶ If you choose to leave campus between courses, any additional expenses that you incur are your responsibility.

LODGING

DORMITORY BUILDINGS:

- ▶ Dormitory buildings on the NETC campus are A, C, D, F, and L. A campus map is attached so you can view the proximity of dormitory buildings, to the classroom buildings, dining facility, Learning Resource Center (LRC), the Student Center, etc. All buildings are within walking distance. There is no shuttle service between the buildings.

LODGING RESERVATION:

- ▶ Once you are accepted into a course, a room on the NETC campus will be reserved for you, unless you receive a letter indicating that you have been accepted with the knowledge that you agree to find your own accommodations or if you previously notified us that housing is not needed.
- ▶ Room assignments are random. You may or may not be lodged in the same building as your classmates. No special requests will be granted.
- ▶ We make every effort to ensure you have a single room. However, if the student count is high, you may be doubled with another student. **Please do not call to request a single room.**
- ▶ Disabilities/Special Accommodations: If an individual marks “yes” in block #11 of the General Admissions Application “Do you have any disabilities (including special allergies or medical disabilities) which would require special assistance during your attendance in training?” the student will be contacted by the NETC Admissions Specialist. Depending on the accommodation requested, the applicant may have to provide written documentation, on a physician’s letterhead, stating the accommodation. The accommodation requested will be reviewed and if it includes a classroom accommodation, the Course Manager will be notified. NETC will try to accommodate special requests; however, there are some limitations. Again, your accommodation must be provided in writing and on a physician’s letterhead.

continued on next page

Each time an applicant applies for a course at NETC, he/she should mark “yes” in block #11 of the General Admissions Application if the special accommodation is needed. If the accommodation(s) are no longer needed, the applicant should mark “no.” If this is the case, the applicant would be contacted by an NETC admissions staff member to ensure that the previous accommodation is no longer needed.

Most buildings on the NETC campus have elevators and access ramps for wheelchair/powerchair access. NETC does have a limited number of handicap-accessible dorm rooms equipped with handrails in the shower. Please be specific if you require a roll-in shower in your dorm room.

NETC has the following items available for individuals who may need assistance. If you require either of the following, please be sure to notate that on your application or advise the admissions staff member when you are contacted:

- Americans with Disabilities Act (ADA) kits for the hearing impaired (Kits include: alarm clock, door knock signaling device, telephone signaling device, text telephone, telephone amplifier, and bed shaker);
- Job Access for Windows and Speech (JAWS) equipment for the vision impaired.

As listed in the “amenities” section of this NETC Welcome Package, a refrigerator and microwave are available in each dormitory room.

If your special accommodation is strictly food/dietary related, you should contact the NETC Food Service Contractor at (301) 447-1551.

- ▶ FEDERAL EMPLOYEES (non-Department of Homeland Security (DHS))—If you are a nonDHS Federal employee your Travel Authorization should state that “Housing will be provided to the traveler at NETC” (currently \$40 per night), payable upon arrival to NETC. If Housing is not available at NETC, a “Certificate of Non-Availability” will be issued by NETC.
- ▶ If you are a Federal employee participating in a course at NETC, a dormitory room will be reserved for you. If you do not require lodging at NETC, you must notify the Housing Office in writing at NETC-Housing@fema.dhs.gov You must make this notification upon receipt of your acceptance letter. Failure to notify the Housing Office that lodging is not needed will result in your being charged for the room for the length of the course.
- ▶ Foreign students, private sector representatives, or contractors to a State or local government entity: You are responsible for your own travel and per diem costs, and lodging (currently \$40 per night), payable upon arrival to NETC. The U.S. Fire Administration (USFA) accepts credit card payment (VISA, MasterCard, Discover, or American Express) for lodging.
- ▶ DHS employees (including Disaster Assistance Employees/Stafford Act Employees (DAEs/SAEs): You must present a copy of your travel authorization at registration, and you should read the FEMA instructions, policies, and comptrollergrams dealing with travel to NETC. **Your travel authorization should state that “Housing will be provided to the traveler at NETC at no cost.”** If lodging on the NETC campus is not needed, you must notify the Housing Office in writing at NETC-Housing@fema.dhs.gov Failure to notify the Housing Office that lodging is not needed will result in you being charged for the room for the length of the course.

DRESS CODE FOR STUDENTS

It is each student's responsibility to use good judgment in selecting attire that projects a professional image, and is appropriate for both climate differences and classroom activities. EMI and NFA Superintendents have the authority to make a determination that a student's attire is inappropriate. Students wearing attire which is determined to be inappropriate will be required to change into more appropriate clothing before being allowed to continue class.

(1) In routine classroom settings:

- ▶ **Males:** Shirts with collars, slacks including departmental uniforms (no T-shirts), shoes, and socks. Optional items include sweaters, sport coats, ties, etc.
- ▶ **Females:** Dresses, blouses with slacks or skirts including departmental uniforms (no T-shirts), and shoes. Optional items include sweaters, blazers, etc.

(2) Principles of Fire Protection: Structures and Systems students will need work clothes (no turnout gear) for the Fire Protection Lab activities during the course.

(3) Fire/Arson Origin-and-Cause Investigations students will need work clothes (no turnout gear) for the last week of the course.

(4) Recommended graduation attire (NFA students only):

- ▶ **Males:** Suits, sport coats, dress shirts with ties, dress slacks, or departmental dress uniforms.
- ▶ **Females:** Suits or dresses, blouses with dress slacks or skirts, or departmental dress uniforms.

Shorts, tank tops, ball caps, etc., are not permitted in the classrooms or the auditorium. Bathing suits/trunks are not permitted outside the pool area. No mini skirts. Bare midriffs are not acceptable. Jeans and T-shirts are not appropriate classroom attire.

ADMISSIONS POLICIES

ATTENDANCE:

- ▶ **You are required to attend all sessions of the course.** If you do not, you may not receive a certificate and your stipend may be denied.
- ▶ Any student needing to depart campus early and miss any portion of the course and/or graduation must make the request in writing to the Course Manager or Training Specialist. The Course Manager or Training Specialist, in collaboration with the Superintendent, may waive the attendance requirement in order to accommodate the students with extraordinary circumstances as long as the student completes all course requirements. If you receive approval for departing early, you must forward the approval to the Admissions Office so your stipend reimbursement is not limited.
- ▶ **NFA students are limited to one reimbursable trip per fiscal year** (October 1–September 30). If you wish to attend a second NFA class (at your own expense), a letter to that effect must accompany the second application stating that you are waiving your stipend reimbursement.

SUBSTITUTIONS:

- ▶ Substitutions for NFA and EMI courses are made from waiting lists; **slots do not belong to the departments.**
- ▶ **FOR NFA STUDENTS:** All requests to consider an equally-qualified person must be in writing and be accompanied by a completed General Admissions Application (FEMA Form 119-25-1) for the substitute.
- ▶ **FOR EMI STUDENTS:** All requests to consider an equally-qualified person must be in writing and be accompanied by a completed General Admissions Application (FEMA Form 119-25-1) for the substitute. The application **must be** submitted for signature through the **appropriate** State or Regional Training Office.

Cancellations or no-shows: NFA and EMI's mission for delivery of courses is impaired significantly by cancellations and no-shows. It is very difficult and costly to recruit students at the last minute. Currently there is a 2-year ban on student attendance for students who are no-shows or cancel within 30 days of the course start date without a valid reason. If you receive such a restriction, your **supervisor** needs to send a letter to Admissions explaining the cancellation/no-show.

MEMORIALS/MONUMENTS ON CAMPUS

THE NATIONAL CIVIL DEFENSE/EMERGENCY MANAGEMENT MONUMENT

On November 13, 1999, President Clinton signed a bill (HR 348/PL 106-103) that granted authority to the National Civil Defense Monument Commission to construct a monument at the NETC in Emmitsburg, MD.

The purpose of the monument is to honor the thousands of Civil Defense and Emergency Management professionals and volunteers who have worked hard and faithfully to protect the public from both manmade and natural hazards. This monument particularly recognizes the numerous military and civilian volunteers and professionals who have gone beyond the normal call of duty to save lives and alleviate suffering in times of crises. The monument serves as an enduring reminder of the heartfelt thanks that a multitude of people feel whenever they remember those who have selflessly served them or their loved ones in times of great need.

The centerpiece of the monument is a 15-ton block of polished white Vermont granite, shaped as a three-sided pyramid, representative of the Federal, State, and local governments and their efforts in working together to accomplish a joint mission. The triangular base is 5 feet on each side, rising to 15 feet in height. The pinnacle of the monument is capped with a large, bronze American eagle, sculpted by the world-renowned sculptor, Lorenzo Ghiglieri. The base is encircled by a stone and concrete plaza with appropriately inscribed bronze State plaques embedded in concrete, surrounded by a circle of State flags. A brick wall rises approximately 3 feet in height on the back or south side of the plaza. Near the edge of the plaza are two bronze plaques bearing the names of advocates and members of the Monument Commission.

The monument was dedicated on April 6, 2002. The Commission plans to hold an annual memorial service to pay tribute to those who have given to their fellow citizens by mitigating the potential losses from emergency situations, for those who have responded to emergencies, and to the professionals and our elected officials who strive to improve the methods of handling emergencies.

NATIONAL FALLEN FIREFIGHTER'S MEMORIAL/NATIONAL FALLEN FIREFIGHTER FOUNDATION

Since 1981, the National Fallen Firefighters Memorial, located on the campus of the National Fire Academy (NFA), has stood as the national symbol of honor to America's firefighters. In 1990, the U.S. Congress designated the monument as the "official national memorial to volunteer and career firefighters who die in the line of duty."

The National Fallen Firefighters Foundation was created by Congress to lead a nationwide effort to honor America's fallen firefighters. Since 1992, the nonprofit Foundation has developed and expanded programs that fulfill that mandate. The mission is to honor and remember America's fallen fire heroes and to provide resources to assist their survivors in rebuilding their lives.

Each October, the Foundation sponsors the official national tribute to all firefighters who died in the line of duty during the previous year. Thousands attend the weekend activities held at the NFA. The weekend features special programs for survivors and coworkers along with moving public ceremonies.

HELP SURVIVORS ATTEND THE WEEKEND

The National Fallen Firefighters Memorial Weekend is traditionally held the Sunday that begins Fire Prevention Week in October. The Foundation provides travel, lodging, and meals for immediate survivors of fallen firefighters being honored. This allows survivors to participate in Family Day sessions conducted by trained grief counselors and in the private and public tributes. Both the Candlelight Service and the National Memorial Service are broadcast live via satellite and streamed over the Internet.

OFFER SUPPORT PROGRAMS FOR SURVIVORS

When a firefighter dies in the line of duty, the Foundation provides survivors with a place to turn. Families receive emotional assistance through a Fire Service Survivors Network, which matches survivors with similar experiences and circumstances. Families receive a quarterly newsletter and specialized grief publications. The Foundation website provides extensive information on survivor benefits, Foundation programs, and other resources.

AWARD SCHOLARSHIPS TO FIRE SERVICE SURVIVORS

Spouses, life partners, children, and stepchildren of fallen firefighters are eligible for scholarship assistance for education and job training costs.

HELP DEPARTMENTS DEAL WITH LINE-OF-DUTY DEATHS

Under a Department of Justice grant, the Foundation offers training to help fire departments handle a line-of-duty death. Departments can receive extensive preincident planning support through training programs such as Taking Care of Our Own. Immediately after a death, a Chief-to-Chief network provides technical assistance and personal support to help the department of the family. Local Assistance State Teams (LASTs) provide assistance and comfort to the family and department after a line-of-duty death and help with filing for Federal, State, and local benefits.

WORK TO PREVENT LINE-OF-DUTY DEATHS

With the support of fire and life safety organizations, the Foundation has launched a major initiative to reduce firefighter deaths. Visit the Everyone Goes Home® website to learn more about the 16 Life Safety Initiatives and download valuable training and resource materials. www.everyonegoeshome.org

CREATE A NATIONAL MEMORIAL PARK

The Foundation is expanding the national memorial site to create the first permanent national park honoring all firefighters. When completed, it will be the first permanent memorial area in the country honoring all members of the fire service. A “Walk of Honor” now winds through the park and contains over 9,000 inscribed bricks. Future plans include honoring pre-1981 line-of-duty deaths. A plaza is being created in front of the To Lift a Nation sculpture that will include bricks honoring FDNY line-of-duty deaths dating from 1865. Engraved bricks are added on the walk twice a year. Brick forms may be downloaded from the Foundation website or bricks may be purchased in person at the Foundation office. In 2006, a multiyear restoration of the National Fallen Firefighters Memorial Chapel was completed, and the Foundation offices are there.

TO LIFT A NATION (THE 9/11 NATIONAL MEMORIAL)

In 2007, the “To Lift a Nation” statue created by sculptor Stan Watts was added to the National Memorial Park. This 40-foot tall bronze monument was created to honor the heroes of September 11, 2001. The three-times life-size statue recreates the now-famous photo taken by Thomas E. Franklin, a photographer for the Bergen Record, who captured the image of three firefighters raising the American flag at Ground Zero. “The monument and its flag are symbols of hope and courage for a nation deeply impacted by this tragedy,” Watts said. “It honors a moment in the history of our country and reminds us of the bravery and sacrifice made by our firefighters and by thousands of citizens, from all walks of life, who selflessly serve humankind in times of need.” The monument stands 40-feet high, 6-feet deep, and 8-feet wide. Each of the three firefighter’s statues weigh more than 5,000 pounds and were formed from approximately 160 bronze sections weighing between 60 to 80 pounds each.

FREQUENTLY ASKED REIMBURSEMENT QUESTIONS

1. Why must I be reimbursed electronically? Public Law 104-134 mandates that after January 1, 1999, all Federal payments shall be made by electronic funds transfer unless a waiver is obtained from the Secretary of the Treasury.
2. If my organization paid for my ticket, may I request that the reimbursement go to them? Due to increased restrictions by the receiving financial institutions, money will only be deposited into an account bearing your name. You may then reimburse your organization.
3. What if I don't have a checking account? The money can be deposited into a savings account. Please call the Admissions Office (301-447-1035) and we will send you a form to complete. If you don't have a checking or savings account, you **must** submit a letter stating that fact, and a check will be sent to your home address. However, your reimbursement may take up to 12 weeks.
4. How will I know when my reimbursement is deposited? The entry in an account may differ from bank to bank, but most likely it will be listed as "FED SALARY, FEM2, or TREAS" and will probably **not** have your name next to it.
5. How long will it take for me to receive reimbursement? The reimbursement should be made to your account no later than 6–8 weeks from the course start date. If after 8 weeks you still haven't received your reimbursement, please call the Admissions Office at (301) 447-1035 or email us at NETC-Admissions@fema.dhs.gov to check on the status of your claim.
6. What would delay my stipend being processed? Your stipend may not be processed because of not having any of the following: 1) your airline ticket; 2) itinerary with ticket number and payment made (ticket number pending is not acceptable); 3) privately owned vehicle (POV) information; 4) request from your organization for reimbursement; or 5) the appropriate direct deposit information. If you bank with a credit union, please have them confirm your routing and account numbers.
7. What would reduce my stipend claim? Your stipend might be reduced if you purchased a refundable, first- or business-class ticket; took side trips or had extended stays; or purchased your ticket within 21 days prior to the course travel date.
8. What if I am submitting an electronic airline ticket? You must submit the itinerary receipt (listing the ticket number and showing that payment was made) at registration. If the itinerary does not identify that the ticket is nonrefundable, you need to provide us with documentation that the ticket is either nonrefundable or the cheapest fare available at the time you purchased your ticket. If you do not provide the documentation to us, we will only reimburse up to your State's ceiling amount.

9. Will I be reimbursed for the airfare if frequent flyer miles are used? Frequent flyer miles cannot be reimbursed because you would not be incurring out-of-pocket expenses.
10. What do I need to provide if I take a side/extended trip? If the cost is less than your State's ceiling amount, you will be reimbursed for the cost of the ticket. If the cost is higher than your State's ceiling amount, your reimbursement will be limited to your State's ceiling amount. Any request for travel deviation should be requested in writing prior to purchasing a ticket.
11. Do I receive reimbursement for parking, shuttles, and travel between my home and my local airport? No, those expenses are part of the student's share of the stipend program.
12. Will I be reimbursed for my meals? No, that expense is also part of the student's share of the stipend program.
13. What is the driving mileage allowance? Your reimbursement will be limited to the current POV Federal mileage allowance, or the State ceiling, **whichever is less**. POV mileage is subject to validation.
14. What information should I bring when driving my POV? You must show a picture ID (we recommend you bring two in case our security level is elevated), registration card, and have your odometer readings and license tag number **prior** to receiving your room key. Some States do not require the registration to be in the vehicle. However, you must submit a copy of your POV registration to be eligible for a stipend.
15. What documentation do I need if I am driving my organizational vehicle and they want to be reimbursed for my mileage? In addition to the information listed in question #14, you also need a statement from your organization, on organization letterhead, stating that you are authorized to drive the vehicle and they would like you to receive reimbursement. If you carpool with another student, only **one** driver will be reimbursed. As stated in #2, the reimbursement will be made to your account. You will be responsible for reimbursing your organization.
16. What if I'm driving with family, and they will be using the car off campus while I'm at NETC? You must register your car on campus prior to your family taking the car off campus or you will not be eligible for reimbursement.
